

# MISH MASH

**Dear Parents,  
Greeting from SAN Academy!**

**We at SAN Academy, believe that holistic growth in education is not achieved through classroom training alone. Its achieved by instilling confidence to the student through various mediums. When they have confidence, they can have a lot of fun in learning, which makes them accomplish amazing things. The various focus areas needed for personal development in a child is the crux behind the choice of various clubs that the school has to offer.**

**To share the initiatives that our school has taken in planning on school clubs, we bring to you this newsletter, “Mish Mash” which aims to keep you updated on all the activities planned for the months ahead.**

**As parents, if you have any feedbacks or queries, do feel free to drop in your suggestions at [sankam@sanacademy.edu.in](mailto:sankam@sanacademy.edu.in). Listening to your feedbacks makes us feel more involved as a part of the value addition process.**
