

# MISH MASH

*A perfect blend of everything*

Dear Parents,

Greeting from SAN Academy!

We at SAN Academy, believe that holistic growth in education is not achieved through classroom training alone. Its achieved by instilling confidence to the student through various mediums. When they have confidence, they can have a lot of fun in learning, which makes them accomplish amazing things. The various focus areas needed for personal development in a child is the crux behind the choice of various clubs that the school has to offer.

To share the initiatives that our school has taken in planning on school clubs, we bring to you this newsletter, "Mish Mash" which aims to keep you updated on all the activities planned for the months ahead.

As parents, if you have any feedbacks or queries, do feel free to drop in your suggestions at [sankam@sanacademy.edu.in](mailto:sankam@sanacademy.edu.in). Listening to your feedbacks makes us feel more involved as a part of the value addition process.

**School Magazine - Kaleidoscope** is published at the end of every academic year to develop and cultivate in students the literary taste and study habits. It is the compilation of all events that happened in school and the achievements of students during that academic year. San Academy provides lot of opportunities to the children for self-expression in written form. The school magazine acts as a means of unifying the school and also provides training to students for better utilization of their leisure time. It also develops in students a sense of loyalty towards the institution and feel pride for its achievements.
