San Chef Day - Nursery

Little ones love getting hands on in the kitchen. Cooking with kids is the best way to teach principles of good nutrition and encourage healthy eating habits for life.

Kids explored the culinary skills with lovely salad with veggies and fruits. They tear, stir and pour which enhanced their fine motor skills.

The kitchen offers abundant lessons in arithmetic vocabulary and basic chemistry of course, the safety and patience.

Creepy Crawly Hunt Day - Jr.Kg

Kids love to look for bugs when playing outside .Let that be a worm, spider or butterfly. Kids grabbed their magnifying glass and ran around the schoolyard searching high and low for bugs. Kids worked on identifying beginning sounds of bugs their names and grouping them according to their type The excitement was too high and ended with cheer.

Health is Wealth Day - Nursery

A strong mind and healthy body make a complete person. Snacks are an important part of a child's food intake in their school. Kids were encouraged to bring fruits and vegetables and no for junk food .As they grow at a steady rate during the kindergarten "Prevention is better than cure". An healthy child develops holistically.

Busy Bee Day - Jr.Kg

Kids love to show their prized possessions to their friends. The day proved to be an exciting, as they spoke on their topic for a couple of minutes. Being centre of attention makes everyone feel special, confident and valued. It was incredible; kids with the headgears and lovely possessions such as honey, honey bee were presented.

Show and Tell - Nursery

San Academy organizes Show and Tell competition at periodic intervals for the students of preprimary in order to hone their cognitive and creative skills, besides fostering positive social interaction, self-confidence and thinking out of the box. Our children participated with great zeal and enthusiasm .It was a memorable day.

Hungry Caterpillar Day - Jr.Kg

Learning through play is fundamental to our children's education, helping them to develop many necessary skills. Puppets always fascinate kids and they love to imitate them. Kids performed their favourite story hungry caterpillar which stimulated the imagination skill, creative play and do wonders for language, social-emotional, cognitive and physical development.

International Mother Language Day - Sr.Kg

Languages are the most powerful instruments of preserving and developing our tangible and intangible heritage. Multilingual education promotes the cultural traditions of a particular country throughout the world and to inspire solidarity based on understanding, tolerance and dialogue.

Multilingual and multicultural societies exist through their languages, it was a pride moment as kids recited Marathi, Malayalam, Urdu, Telugu, Bengali and even Japanese rhyme.

THINKING DAY & A TRIBUTE TO CRPF PERSONAL MARTYRED IN PULWAMA ATTACK

San Academy Scouts and Guides and all Staff observed All Faith Prayer- on account of thinking day and as well as A tribute to PULWAMA CRPF attack. Started the prayer

meeting by 8.40am with Prathah Smaram, Saraswathi Vandana, Guru Vandana, Ram Shun, Mam Dhum.

Individual prayers were observed by all religious community - Christian, Hindu, Jain and Islam.

Two minutes silent prayer was observed, followed by We shall overcome, Tu Hi Tu, finally Santhosh Path.

As this prayer meeting neared its end ,all participants felt the positive energy being instilled in them and the spirit of oneness and universal friendship and peace, which will take the young minds a long way.

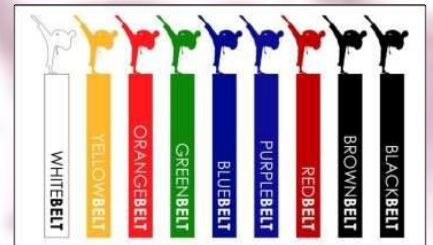

Karate Grading Ceremony - Classes 1 to 5

“Stay Safe and in Shape!”

San's fitness and Martial arts studio offers top-notch Karate and Silambam programmes to cater to the lifestyle needs of today's generation.

Karate Grading Ceremony for the academic year 2018 - 2019 was held on 16th February (Saturday) in our school premises . Around 830 students were graded to the next level of belt on that day.

Karate Grading Ceremony - Classes 6 to 10

Silambam Grading Ceremony

Silambam Grading Ceremony for the academic year 2018 - 2019 was held on 16-02-2019 (Saturday) in three different slots at our school premises.

International Mother Language Day - Classes 3 to 5

Foreign languages are the key to growth and understanding the global diversity. We at San Academy celebrated International Mother Language Day on 20.2.19 to promote the linguistic and cultural diversity. Students of class 3-5 actively participated whereby they displayed an appreciation of the multicultural world. Students of class 3 performed the ramp walk where they dressed up in the costume of other countries and spoke the word “welcome” in the respective countries mother language. The program concluded with a debate session in which students of class 4 and 5 spoke in their own mother tongue imparting the importance of learning the native language which creates a strong bond and foundation for learning other languages. It was indeed a treat to the eye where the native languages were valued and encouraged which promoted international

Cleanliness Activity - Class 1

Cleaning plays a vital role in our daily lives. Effective cleaning should be an important part of our lives to create self- hygiene and environment hygiene. Lack of hygiene and cleanliness is an open invitation to infections.

San Academy has taken an initiative to make the students to learn the importance of cleanliness. Our class 1 students celebrated Cleanliness day on 19/02/2019. To begin with, the teachers demonstrated method of hand wash and allowed the students to do the same. They did group activity and drew pictures like soap, brush, hand wash bottle, comb, toothpaste and dustbin.

Teachers taught few rhymes related to cleanliness and spoke about the importance of cleanliness inside the classroom. At the end of such enriching experience the students understood that we cannot compromise on cleanliness and that cleanliness is next to godliness.

International Mother Language Day - Classes 1 and 2

Languages are the most powerful instruments of preserving and developing our tangible and intangible heritage. All moves to promote the dissemination of mother tongue will serve not only to encourage linguistic diversity and multilingual education but also to develop fuller awareness of linguistic and cultural traditions throughout the world and to inspire solidarity based on understanding, tolerance and dialogue.

International mother language day was celebrated at San Academy with such eagerness, where the children of class 1 and 2 sang songs of different languages such as Hindi, Tamil, Malayalam and Telugu.

Children were made aware of the vast diversity prevailing in our country with different languages.

Master Chef Day - Class 1

Colourful and crunchy fruit and vegetables are an important and enjoyable part of child's diet. San Academy conducted "Master Chef" day to make the students realize the importance of food preferences that will determine their future dietary habits.

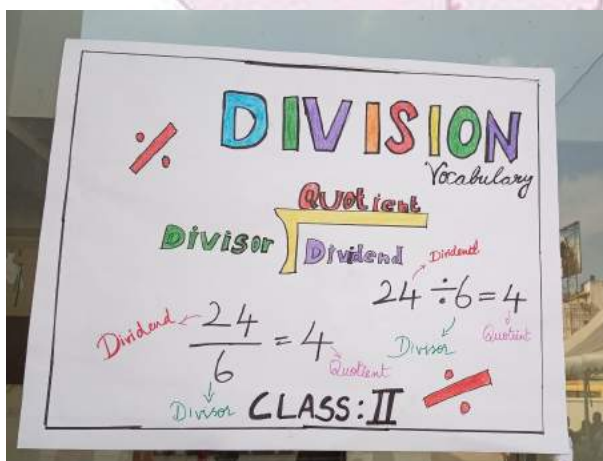

Our students of class 1 celebrated Master Chef day on 15/02/2019. Teachers put up the dough station and pulses segregation station as an activity. Students were excited to roll the dough with a rolling pin until the dough balls resemble thin and round, and really enjoyed the moment. Students segregated the pulses with in the given time.

Teachers did salad making and explained the nutrients the salad contains. Take home is given to the children as memory and reminder for proper diet.

Division Vocabulary - Class 2

Division is often introduced as “sharing” and this is one of the simplest approaches taught to share with the students “who feels division is difficult to solve”. San Academy initiated to unravel this little and find some interesting activity that might help our class 2 student to understand the concept easily. Children are chocolate lovers and they would like to share with others. Mathematics department teachers taught the concept with more activities on division by equal sharing. Students were also taught division through repeated subtraction using same examples. Teachers taught short cut tricks to memorize tables and motivated to

Budding Scientist of 'SAN'

Our San Academy Pallikaranai students **V.Vedhavarshini** of Class IX and **Mohammed Faraaz Naizer Bakir** of Class VIII presented a project on **“Eco Life Charger : Solar Power Super Capacitor”** which was selected by CBSE science exhibition 2018 - 2019 at regional level under the theme of “Scientific Solution for Challenger’s in Life” and was also qualified for National level. The above mentioned project was presented by them for National Level at Mayoor School , Noida - Delhi.

Our San Academy Pallikaranai students **Akella Sri Sahitha** and **P.J.Samraksha** Of Class VIII presented a project on **“8 *s Air Conditioner”** at “Agni College Of Engineering” under the title of **“IGNITE SEASON 5”** which bagged the first place at state level.

Intra Result for the Month of February

Rhymes are fun and full of sounds. These have a huge impact on kid's language, literacy, communication, listening and social skills. Kids relished in singing full of rhyming, rhythm and repetition of their favourite rhymes. The stage was so lively; it took the audience spell

SAN ACADEMY GROUP OF SCHOOLS THE STUDENTS OF TODAY, OUR LEADERS OF TOMORROW

Inculcating discipline and moral values in the students to cater to the ever-changing norms of the society. San Academy Group of Schools ensures ample opportunities for every child to reach his full potential and centres its educational philosophy on praise, encouragement, enthusiasm and affection.

"Whatever you would, reach for near perfection yield" this universal axiom percolates down to every aspect of school management at San Academy deemed rightly as the School of Choice.

Striving towards excellence and international standards in Education, with an ideology of cultural understanding and awareness, has been our driving motto.

Exemplifying the educational entitlement, our directorial maiden school venture at Velacherry has brought forth many educational entities, subsequently set schools at Pallikaranai, Kamakoti nagar and now evolving into new age school of global perspective at Tambaram, all in Chennai metro city, metamorphosing from kg seed to higher secondary broad.

The SAN Academy Campuses offer the best of learning atmosphere combined with an emphasis on the development of students' creativity, encouraging innovation and thereby preparing the child to face even the futuristic competitive

world with confidence. National and State level competitions in various arenas-academics, extra-curricular activities, sports, music, fine arts, elocution, quiz and other cultural talents get identified and augmented to find our boys and girls perform so exquisitely that winning has become their habits.

Setting a triumphant educational march ahead, student strength has reached quadruple figure in a decade stretch imbuing intellectual and holistic education, appropriately well appreciated by British council and Cambridge.

Even coveted Leadership in Education as well as The Best school, both the awards have been bestowed to Managing Director as an Entrepreneur by none other than Menaka Gandhi, Central Minister for Women and Child Welfare, Govt of India.

A noteworthy school managerial learning system suited for modern India, invigorating infrastructure, enticing learn-leads, cozy classrooms, multiple intelligence invasion, accommodative administration, talented teaching faculty and above all awesome parent's top it and all a dedicated school management brains contribute towards simple and sincere attempt hosting the repute of institutions.

"We share the vision for future growth with our invaluable parents" Attributive, laudable, loving San parents typically pave the way as a beacon of blissful learning wholesomely coordinating with talented teachers, splendid students and smart friendly management.

CHALLENGES- CHOICE, STUDENTS VOICE

San Academy on its very virtue itself could absorb the challenges for beloved smart students and proudful parents. They mould them as Super kids to surmount any setbacks in education, career and social arenas, setting parents to their avowed dreams.

Globalisation serves the fascinating pudding for the SAN young brigades with resilience and renewed energy, remedial measures, enriching parents' endeavour.

School's best practices say that an effective collaboration is a process by which identical thinking stakeholders relationship teachers and parents engage in a nonhierarchical relationship to develop mutual interventions for progressive considerations.

Students' scholastic ventures know no bounds. Innovative young astronomers Harini Senthikumar and Niraha Pilla Kamakotinagar branch have been successful in discovering

Eight Asteroids in the "AIASC All India Asteroid Search Campaign -2018-Phase-I" trending the students towards future Space scientists.

Maths means a cake walk for SAN Academy young Turkeys. Winning the tough competitive first rank in Interscholar competition by the student team is the Silverline in our Intellectual endeavours.

FUTURISTIC PURSUITS AS DIRECTOR OF SAN ACADEMY

With new area of digital and innovative expertise emerging, and wide scope for expansion, today's schools should play a major role in providing millennials skills to work with an unpredictable future. This huge phenomenal change could be managed by San Academy through below referred school systems.

TEACHING MINFULNESS TO KIDS

AS parents, encouraged by the school, we want our children to be relaxed, creative and ever alert. Finding focus and space to cognitive abilities and attention seeking can be quite challenging. But Mindfulness practice taken up sincerely by San Academy brings our kids into finetuning their thoughts and actions synchronizing together.

FUTURE CREATIVE AND DESIGN SAN SCHOOL

The expansion of raw form of art to creative visual representation-relates to construction marvels, architectural creativity and innovative designs for instruments, vehicles etc., these schools' future learning should also focus on technology adaptation for developing industrial designs.

ARTIFICIAL INTELLIGENCE (AI), MACHINE LEARNING (ML) AND ROBOTICS

Emergence of AI, ML and Robotics shows an enhanced curriculum with technology. The tech savvy students preferably would focus on the development of artificial intelligence study in our schools producing innovative Digital scientists.

CULTURE AND TRADITION FOCUS SCHOOLS

People and their history values and ethics are required to maintain discipline, law and order among citizens of a country. Our typical schools focus on sustaining and promoting indigenous values of co-existence among the global citizens. "Push the world to the sea of happiness and only one tool that makes it happened at our San Academy corridors by our philosophy is venerated at our San Academy and society at large.
