FIRST DAY AT SCHOOL - KG

First day of School – 03.04.2019 was exciting for both children and teachers of Jr.KG and Sr.KG. The teachers created a welcoming environment at the entrance and in the class. The new class for the children was made memorable with interesting activities. Children enjoyed the centre time toys and the first day take home activity. The Jr. KG stars made a photo frame and the Sr.KG made a lovely mobile of their school.

COLOUR PARTY DAY - KG

The tiny tots of JR.KG children celebrated 'Colour party' day on April 9th 2019. Children came dressed up in one of the rainbow colour for the party. To reinforce the concept of colours the children had fun by playing games on colours like sorting colour balls and identifying colours of each other in a circle.

CLEANLINESS DRIVE - KG

Cleanliness drive in the school campus - 10.04.19

SR.KG children celebrated cleanliness drive in the school campus on April 10th. The significance of cleanliness was discussed with the children by the teachers. The teachers as well as children were a part of the cleanliness drive and ensured that they cleaned up the classroom and the front portion of the campus. They also educated the children to segregate garbage into coloured bins-green representing biodegradable waste, blue representing recyclable waste and black representing domestic hazardous waste. The children were sensitized towards separating wastes as it is an essential life skill for them to understand that they are responsible for their own clean and healthy environment.

TAMIL NEW YEAR CELEBRATION- KG

Tamil New Year Celebrations -12.04.19

Tamil Puthandu offers an opportunity to children, to reconnect with traditional songs and dances. Children of JR.KG, SR.KG and class I welcomed Tamil New Year with great enthusiasm by putting up a variety programme to celebrate the first Tamil month of 'Chithirai' in the school campus. The programme included Tamil thai vazhthu, Thirukural, song by Sr.kg children and dances by JR.KG, SR.KG and Class 1 children.

THEMATIC ASSEMBLY – MIDDLE SCHOOL

At SAN ACADEMY, KAMAKOTI NAGR, regular morning assemblies are conducted with unique themes to bring in awareness among students on various global issues happening around them.

HEALTH AND HERITAGE

•HEALTH AND HYGIENE (08.04.2019) – CONDUCTED BY CLASS VIII

•World Health Day 2019 was celebrated all over the world on April 7th. Keeping this in mind, students of class 8 talked about 'Health and Hygiene'. They expressed the result of poor hygiene and the need to follow a proper routine to keep sickness at bay. Few facts were given on the importance of keeping one's body healthy and the important role that hygiene plays in the same. The speech given by the class teacher Mrs. Vasundara created awareness in the minds of all students concerning the do's and don'ts in our daily life, to maintain a hale and healthy existence.

WOMEN EMPOWERMENT

•WOMEN EMPOWERMENT (15.04.2019) – CONDUCTED BY CLASS VII B

•"Women's empowerment is intertwined with respect for human rights." We belong to a country where in our teachings women are given the place of Goddess. However, they are treated very badly in many departments. Discrimination on the basis of gender is something which will bring cultural, social, economic and educational differences in the society, that will push back the growth of the Nation. In order to enlighten the students, both boys and girls on the theme, students of class VII B grabbed the opportunity with both hands to put forth the message strongly. Their thought for the day, speech and the class teacher Mrs. Vijayalakshmi's words, proposed loud and clear that in order to build a strong society every section of the society should be developed.

THEMATIC ASSEMBLY – MIDDLE SCHOOL

HERITAGE AND INDIA

- HERITAGE AND INDIA (22.04.2019) – CONDUCTED BY CLASS VI A
- World Heritage Day falls on 18th April. To commemorate the occasion Class VI A headed the assembly with the theme 'Heritage and India'. India is a land of rich heritage. We feel great pride just by talking about it. The morning encouraged the students to know more about our rich heritage and garner great satisfaction that regardless of ages gone by, regardless of the hardships endured by the people under foreign rule, we were able to preserve our culture and heritage for the world to see. Thought provoking speeches were given by both the class teacher Mrs.Nityasundari and Principal Mrs.Ganga Natarajan.

MOTHER EARTH DAY

- MOTHER EARTH DAY (26.04.2019) – CONDUCTED BY CLASS VI B
- Earth Day is celebrated on April 22nd. Students of Class VI B conducted the assembly with the theme 'Mother Earth'. The students were enlightened about the need to protect our environment, the birds, animals and trees, saving the natural resources, etc. It was explained why the term 'Mother Earth' is used and we as its inhabitants, what should be our contribution to make this a better place to live. With emerging consciousness globally on certain pressing issues, we at San Academy, Kamakoti nagar did not want to fall behind. Taking the stage were not only the students but also the class teacher, Mrs. Vijayalakshmi propagating the agenda to 'Save the Earth'.

CLUB ACTIVITIES

CLUB ACTIVITY CLASSES I TO IX (04.04.19)

The need for effective nutritional education for young consumers has become important in this day of increasing junk food intake. To bring in an awareness in San Academy, "Health and Wellness" Club was organised. Students were shown various videos to educate them regarding general and overall importance of healthy eating and how a healthy diet should be planned. To inculcate better understanding in the young learners, colouring sheets were provided, where they exquisitely coloured and learnt about the importance of fruits and vegetables. We believe that when young children are aware of healthy eating, their food preference behaviour will appear to reflect within the school and other social environments. Students enjoyed the activities planned and took home a wealth of information cultivating a nutritional awareness within them.

CLUB ACTIVITIES

INTRA COMPETITIONS

INTRA COMPETITION CLASSES I TO IX (11.4.19)

San Academy Kamakoti nagar always encourages students to have healthy competition practise, which passes on a competitive spirit within the students. This academic year kicked off with an Intra Competition on “Health and Wellness”. Our young primary children were given fruits and veggies, which they had to ‘Show and Tell’ and they amazed everyone present with their confident presentation. Other interesting activities included Pulses collage, Poster making (comprising of a catchy caption with the strong message – Say ‘no’ to junk food) and essay writing on balanced diet. Students got wonderful and unique ideas to portray their work. Their creativity was visible in both collage and poster making. The whole campus was bursting with energy due to the tremendous efforts put in by the students.

CLASS & SECTION	NAME OF THE STUDENT	HOUSE	PRIZE
IXA	SHIVANI B	AGNI	FIRST PRIZE
IXA	ANISH R	AGNI	SECOND PRIZE

TAMIL NEW YEAR CELEBRATIONS PRIMARY & MIDDLE SCHOOL

First celebration of the new academic year. Coming into the event, the old students geared up by updating their new classmates regarding the entertainment they had last year. The auspicious occasion of ringing in the new year was done with great fervor, as it promised several new beginnings for all. Tamilnadu is supremely rich in culture and heritage and while ushering in the New Year, students felt great pride in performing some of the traditional dances. The welcome dance by class 6 had a touch of classical, which was beautifully choreographed. While class 2 students performed kummi attam brilliantly, class 5 students were exuberant in oyilattam. Students of class 7 had the audience enthralled by performing kolattam. Students of Class 3 rendered a beautiful song with karaoke. Class 4 presented a Mime – ‘Resolutions’, the message being, imbibe good habits and banish the awful ones. Students of Class 8 and 9 explained about the Tamil New Year, and also gave the fact that based on the solar cycle, the Tamil calendar has a sixty years cycle, with each year comprising twelve months. The programme ended with some thoughtful words from our Principal. The school wore a festive look with the students adorning traditional attire.

ALL FAITH PRAYER

SAN ACADEMY outrage and sorrow at the attacks on people gathered for worship and celebration in Sri Lanka last weekend. We pray for the families and communities of the victims, and healing for those who were wounded. We pray that throughout the world people of faith and good will continue in efforts to build relationships of respect with neighbours of different faiths, and that together we can work at mending the broken world that gives rise to such acts of terror.
