# HEALTH IS WEALTH

**NURSERY- 10.02.2020**

Children of Nursery had their special event 'Health is wealth' on 10.02.2020. We invited Dr. Bharat and Mrs. Radhika parent of Ananshi JrKG to speak about basic hygiene, sanitation and healthy food. The objective of the event was to highlight the importance of Health. At the end of the event the children learnt about oral hygiene, techniques in washing hands and about healthy and junk food.

*Special Event*

# BUSY BEE DAY

JR.KG - 11.02.2020

Jr.Kg special event “Busy Bee day” was celebrated on 11.02.2020.

Children enacted as honey bees and flowers and showed how bees work together to make honey.

Children had great fun singing bee related rhymes. Children enjoyed doing number related activity in hexagon shaped bee hive. All children were given honey to taste. Kids took home lot of interesting facts about bees and Honeybee finger puppet as take home.

Special Event

# SAN CHEF DAY

**NURSERY- 17.02.2020**

Nursery children had their special event "San Chef day" on 17.02.2020. The objective of the vent was to enhance healthy eating. We had veg sandwich corner, fruit salad corner and sweets made fruit salad with healthy fruits. In sweet corner we had sweets like puffed rice balls, chikki and sesame balls, thus avoiding sweets made of sugar. Children enjoyed the event and also ate healthy snacks.

*Special Event*

# THE HUNGRY CATERPILLAR

JR.KG - 18.02.2020

The popular story- The Hungry Caterpillar by Eric Carle, was enacted by the children of Jr.Kg on 18.2.2020. Children presented the life cycle of a butterfly in a story sequence which was related to the theme of the month - Creepy Crawly. The children, memorized the dialogues and spoke with confidence. They also understood about the importance of healthy food.

Special Events

# INTERNATIONAL LANGUAGE DAY

SR.KG - 21.02.2020

International language day is a worldwide annual observance held on 21st February to promote awareness of linguistic and cultural diversity and to promote multilinguals. Students of Sr. Kg also observed the International language day on 21st February and presented a variety of programs. Students dressed in traditional dresses of Andhra Pradesh, Kerala, Maharashtra and spoke few sentences in their own language. Students also dressed in traditional dresses of various countries like China, Japan, Germany, France and taught us the magic words Thank you, Please, Welcome, Sorry, Excuse me in the international languages Japanese, Dutch, French. This celebration gave children an opportunity to know the role of languages in our lives and the importance of preserving linguistic diversity in the world and in our local community.

Special Event

# NATIONAL SCIENCE DAY

SR.KG - 28.02.2020

Sr.kg celebrated National science day. All the students had assembled in the lobby . Students from each class demonstrated 2 science experiments to everyone. These are the experiments done by the children. Few experiments were-

- 1.Baking soda , vinegar volcano experiment
- 2.Traveling water experiments
- 3.Primary colors mix together to get secondary color
- 4.Super absorbent polymer experiment
- 5.Water pump experiment with balloon (To explain Hand pump mechanism )

Balancing balloon experiments ( To prove air has weight )

It was a fun time for the kids . Children enjoyed thoroughly.

Special Event

# VISIT A GARDEN

**JR.KG 04.02.2020**

JR.KG students were taken on a field trip to KARUNA NURSERY on ECR road. The objective of the field trip was to reinforce the theme 'Plants' and to inculcate the love for the environment and to relish the beauty of nature. JR.KG students were briefed about different collection of plants. Children observed and explored variety of herbs, shrubs, creepers and climbers. They were curious to know about the surrounding. This field trip sensitized the students towards caring for the environment and the importance of planting more trees.

*Field Trip*

# BIRLA PLANETARIUM

**SR.KG - 07.02.2020**

The children of Sr.KG were taken on a field trip to Birla planetarium on 07.02.2020

The children first saw a 3D show and watched Roller coaster Adventures with 3D glasses. Then children visited the gallery and saw the models of the planets and how day and night is formed.

The children went into the dome shaped planetarium and watched the planets, galaxies, surface of planets and constellations.

The show was informative and at the same time entertaining for the children.

*Field Trip*

# VISIT TO PET SHOP

**NURSERY- 07.02.2020**

The children of Nursery visited a Pets shop on 07.02.2020. The objective of the visit was to reinforce the theme Mammals and Birds. The children were excited on seeing various birds, dogs, cats, rabbits and turtles, they were thrilled on seeing chameleons and Iguanas. This helped to revise the concepts and sound taught in the class. The children also enjoyed feeding carrots to rabbits. This visit helped to create awareness among children towards caring and loving birds and animals.

# GOVERNMENT MUSEUM

## CLASS IV-VI

What better way to learn about our past, than a visit to the museum? Basically, when one visits a museum they can take a deeper look at historical items, dig deep into the art, tools, weapons, dresses, etc. on display and also explain what they mean. The students of Class VI visited the government museum on 8th February 2020. The trip began with lot of enthusiasm and vigour. The museum complex consisted of six buildings.

The objects displayed in the museum covered a variety of artifacts and objects covering diverse fields including archeology, numismatics, zoology, natural history, sculptures, palm-leaf manuscripts, and paintings. Located close to the main museum entrance gates on Pantheon Road, the museum theatre was a rare specimen of the Italianate style of architecture, inspired by Classical architecture. The museum is also a designated "Manuscript Conservation Centre" (MCC) under the National Mission for Manuscripts.

The museum for children in the complex houses several static exhibits such as galleries of dolls adorned with costumes of various nations and civilizations and also exhibits pertaining to science, transportation, and technology. The children collected a valuable treasure of knowledge and had the thirst for researching some of the topics for further information. On the whole it was an enriching learning experience for the students.

# PRINTING PRESS – THE HINDU

## CLASS VII - IX

The world of print media has always mystified children. To fulfill this curiosity of print media among the students, the school arranged an Educational Trip for classes 7 to 9 to the Printing Press of Hindu at Maraimalai nagar on 10.02.2020. Understanding makes a thing more attractive. Seeing the various processes involved in the printing of a mundane looking newspaper generated a lot of interest among the students. The students were quite fascinated beholding and assimilating the various steps involved in News Paper printing.

The atmosphere was very noisy as the students entered into the premises, since the machines were working. The latest edition of the supplement “Young World” was being printed. Students were divided into two groups. Each group was then guided by two supervisors of the press. The supervisors explained each stage of printing answering to the questions posted to them by the young ones. They explained the three types of printing and described offset printing in detail. The students were shown a plate with printed matter which made the understanding better. They next witnessed how actually the paper is passed from one machine to another, how various colours were integrated and the papers getting ready within no time.

Field Trip

# PRINTING PRESS – THE HINDU

## CLASS VII - IX

The groups saw rolls of raw paper and could feel them, they watched them get printed, folded, cut, trimmed, deposited on trays, picked up by the clamps, bundled together and packed. They were explained that within an hour thousands will be ready. In one corner of the bay area the students could see the papers being put into covers manually.

Thus, the whole process had a lot of learning take away for the students. A splendid opportunity to take a tour around the working printing press and see the newspaper under printing was one worth cherishing. Truly quite a fruitful outing for the students! Knowing something is different but seeing is believing.

Field Trip

# WORLD CANCER DAY

World Cancer Day aims to save millions of preventable deaths each year by raising awareness and education about cancer, to bring in much more awareness students of class 5 A performed mime to portray the causes of cancer. Thematic Assembly - 13.02.2020

# SAFER INTERNET

From cyber-bullying to social networking, each year Safer Internet Day aims to raise awareness of emerging online issues and chooses a topic reflecting current concerns. However, Safer Internet Day is also celebrated each year to promote the safe and positive use of digital technology for children and young people and inspire a national conversation. Students of class VII A utilized their opportunity to propagate not only safer internet but also a better internet, where everyone is empowered to use technology responsibly, respectfully, critically and creatively. They encouraged their audience to stay together in making the Internet a safer and a better place to gather information. They enlightened their peer group that global computer networks provide us various communication and information exchange facilities but we have to employ our skills and ask ourselves various questions before embarking on the journey of exploration through the internet. They emphasized on the protection of personal data which is really very important. A wonderful assembly indeed.

Thematic Assembly - 14.02.2020

# CHHATRAPATHI SHIVAJI MAHARAJ

Shiv Jayanti or Shivaji Jayanti is a festival and public holiday of the Indian state of Maharashtra. This festival is celebrated on February 19, celebrating the birth anniversary of the Maratha emperor, Shivaji. The students from class VII B had done some research to present some data regarding Shivaji Maharaj who is known for his strong warrior code of ethics and great character. The students not only gave the audience some facts about the honourable man but they brought to life scenes depicted from the life of Shivaji. Their speech on the legendary Maratha warrior king brought forward some thoughts which are relevant even today. The audience came to know that he was a progressive and sensible leader known for his administration and bravery. The students put in a great effort for the show.

Thematic Assembly - 17.02.2020

# TAJ MAHOTSAV

Taj Mahotsav is an annual 10-day event at Shilpgram in Agra, India. This festival invokes the memories of the old Mughal era. Class 3 C students along with teacher elaborated on the importance of Mughal emperor's and varied activities carried out during the 10 days of festival. Assembly was so colourful with multiple events.

Thematic Assembly - 18.02.2020

# INTERNATIONAL MOTHER LANGUAGE DAY & DR. AMBEDKAR JAYANTHI

To promote cultural diversity, multilingualism and to remember one of the architects of the Indian Constitution Dr. Ambedkar class 4 B came up with exciting assembly pack of two. This assembly focused on the importance of mother tongue and importance of language to communicate. Students threw light on every one gathered in assembly giving the role of the eminent person Dr Ambedkar who designed constitutional law.

Thematic Assembly - 20.02.2020

# NATIONAL SCIENCE DAY

National Science Day is celebrated to commemorate discovery of the 'Raman Effect', which led to Indian scientist Sir Chandrasekhara Venkata Raman or CV Raman winning the Noble Prize in Physics in 1930. National Science Day is celebrated every year on February 28. The theme for the National Science Day 2019 is 'Science for people and people for science' while in 2018 it was "Science and Technology for a sustainable future." VIII

When this day is declared as National Science Day? Sir Chandrasekhara Venkata Raman was a Tamil Brahman who had worked from 1907 to 1933 at the Indian Association for the Cultivation of Science, Kolkata, West Bengal. National Science Day is celebrated in India on 28 February each year to mark the discovery of the Raman effect by Indian physicist Sir C. V. Raman on 28 February 1928. For his discovery, Sir C.V. Raman was awarded the Nobel Prize in Physics in 1930. SCIENCE MONTH CELEBRATION. EMPOWER THE SCIENCE CLUBBERS TO ACTION. "The importance of science is to understand the way things work, and to not only use these advancements to our advantage, but to help maintain and control certain environments to keep animal life safe.

Thematic Assembly - 21.02.2020

# INTRA COMPETITION WINNERS

Crosswords are a great traditional puzzle guaranteed to get the kids thinking. It was decided to have this activity as the theme for this month's Intra competitions. Each class had diverse topics which was age appropriate. Class 1 and 2 had the topics 'Transport' and Animals respectively. Students of classes 3 and 4 did just that when they solved the puzzles related to Birthday Party and Beach respectively. We had the students of Class 5 solving the puzzles related to Aquatic animals. We can identify the different emotions felt by us and that is what precisely class 6 students had done. 'Grammar' comes in, and this was the theme for classes 8 and 9. By the end of the day the students realized that crossword puzzle is a fun activity that sharpens our brain and activates the cells resulting in a better brain functioning.

# KARATE & SILAMBAM GRADING CEREMONY

Students of our school can take up Karate or Silambam as their CCE activity. They are trained by experienced coaches and are graded regularly at the end of the academic term. The grading ceremony for Karate and Silambam was conducted on 15.02.2020 and 22.02.2020 respectively, and like all derivative martial arts it was formalized. Moving on to the next rank means that the student is no longer considered a beginner, but not necessarily an expert. Rather it means that one has learned the basics. It is pertinent to say here that the students had practiced diligently and had proved themselves before being given their advancement. The event became an important factor in boosting the self-confidence of the students by inculcating in them the spirit of sportsmanship, teamwork and discipline.

## THE TIME NIE NEWSPAPER MEET – 12.02.2020

It was again the time for THE TIMES NIE NBhaktavatsalam EWSMAKERS' MEET. The meet was hosted by Vidyashram, Korattur, on 12<sup>th</sup> February 2020. As we have already mentioned earlier Harshatha Rithika of Class 8 was a start correspondent for the student edition of the newspaper, last year. She along with Niriha Pilla of class 9 and Madhuri, R of class 8 were accompanied by their guide Mrs. S.Vijayalakshmi. The chief guest of the day was Mr. T. Udhayachandran, an Engineer in Electronics and communication, who later shifted over to services and became the youngest in the field at the age of 23.

The Chief Guest was the apt person to talk on the theme of the day “Coping with Peer Pressure – Can my Passion be my Profession?” After his key-note address, a mock press conference for the student reporters from various schools was held. A select lot of relevant questions posed to him were suitably answered by him. Explaining that the children are sometimes forced to live the dreams of others, he advised the students not to succumb to the peer pressure.

He emphasized that key achievers do different things or do things differently. Though he agreed that having one's passion as a profession is bliss, it is not always possible. He recommended that one could take up an activity/art as a hobby for a short while, and then as the person matures decide whether to convert it into a passion and then later a profession. It was a morning which saw students coming out with questions which approached the topic from various angles.

Stars of the month

# THE TIME NIE NEWSPAPER MEET

The meet then honored all Times – NIE star reporters of the previous academic year, including our own Harshatha Rithika of Class 8, and encouraged a new generation of young journalists. This was followed by a written test to evaluate the general aptitude and journalistic skills of the students. The selected students will work with the Times NIE editorial team, for the next academic year. All participants were provided snacks during the break. It was an inspiring day for our aspiring star reporters.

It is indeed a great privilege to have a star correspondent from our school who wrote articles for the student edition of The Times of India which has a great number of audience. She used this wonderful platform to vividly express her thoughts on various topics presented by the editorial team. She blossomed using her eloquent writing on all the phases of her writing journey. She became more and more confident and started to believe in her abilities. She broke all emotional barriers to present one article after another. She has set a trend and helped others dream of achieving their vision by sheer determination. Hats off Harshatha!

# GYMNASTICS

Pranesh has continued to blaze at the gymnasiums and the field events. In an Inter – School State Level Athletic Meet, held by KOMBAI Sports Academy at Amrita Vidiyalayam School, he showed his prowess in throwing events once again by winning the 2nd place in Shot Put. His nimble dexterity medals in th 3rd Mini State Artistic Gymnastics Championship 2019-20 conducted by Tamilnadu Gymnastics Association, at SDAT Aquatic Complex Hall of Fame, Guindy on 9th and 10th of February. Having taken part in 11 years category he won the following:

Apparatus: Vault, Position: Third

Apparatus: High Bar, Position: Third

Apparatus: Parallel Bars, Position: Third

Apparatus: Floor, Position: First

He continues excelling in both the sports and we wish him good luck in all his future events.

# FALCON SKATING

Falcons Talent Hunt – 15<sup>th</sup> and 16<sup>th</sup> February

Falcons Speed Skating Academy conducted its first Speed Skating Event at its premises in Madipakkam on 15<sup>th</sup> and 16<sup>th</sup> of February. The event had races for beginners, quad and inline technique. Our students have done us proud by showing their skills on rollerblades, their technique winning them medals. The winners of the first edition are as follows:

- ❖ Jayshna H.A – IID
- ❖ Aditi Srinivasan – IID
- ❖ Zahra – IIB
- ❖ Sai Sreshta R – VB
- ❖ Farha - VIB

# SCOUTS & GUIDES – CUBS & BULBULS CAMPING

Camping is always fun and it comes with many benefits. To enrich our curriculum and provide an enhanced educational experience beyond the classroom setting, we had scheduled an overnight 'District Annual Training Camp' at Thiruthangal Nadar College, Selaivayal. Our Scouts, Guides, Cubs and Bulbuls were highly benefitted by the camp as they spent the days with physical activities and experiencing the pleasure of meeting new people. As they unplugged from technology they got the freedom to try our new ventures conquering their fear of the unknown. The experience they gained helped them become self-reliant and confident, looking forward for more such opportunities. Students were appreciated with the participant certificate.

# TABLE TENNIS TOURNAMENT

We next have a student, Nitin T, of Class VII A showing his agility as a paddler, and has taken part in the Dr. Indira Biswakumar Memorial Charitable Trust City Schools Table Tennis Tournament organized by SDAT – Medimix Chandra TT Coaching Centre on 1<sup>st</sup> and 16<sup>th</sup> of February. He was a quarterfinalist in his category (which included older children). He has even participated in the Table Tennis Tournament organized by Chennai Royal Sports club on 16<sup>th</sup> February in the Under 15 years category and won the tournament. Garnering skills to play the sport needs practice and we laud his efforts. Best of luck in the future tournaments.
