

SAN ACADEMY GROUP OF SCHOOLS

At the very outset, I would like to send you warm greetings from SAN ACADEMY GROUP OF SCHOOLS. We hope and pray that all of you and your families are safe and healthy. We are going through an unprecedented global predicament today. Each one of us and the entire world is affected by the Covid 19 pandemic; our economy, our families, communities and our entire way of life are adversely affected by the scare of infection and contagion.

In these difficult and anxious times I wanted to reach out to you and update you how we, at SAN ACADEMY, are trying our best to engage students through online classes.

Our talented and ever-willing to work teachers have been showing their care and concern for the students, working from home with limited resources, preparing videos and engaging classes online for the benefit of students. I appreciate their concern for the students and commitment to academics.

At SAN we are ensuring that every member of the San family is taken care of in terms of safety, salaries and other factors. From our side we have ensured that all arrangements are complete in respect to procuring textbooks, notebooks, uniform, stationery materials and other materials for the academic year 2020-21 for all the students.

At this juncture we look forward to our parents support as well. We request your support in remitting the first term fee by 10th May 2020 by online payment. We will update you on payment of fees in school office, once we get directions from the Government authorities after lockdown.

We appreciate all those parents who have paid the fees on time which has helped us to meet the crisis and pay the salaries till date. We sincerely hope that you will support us to help all our teaching, non-teaching, support staff and vendors and their families that have been a part of your child's education all these years.

We thank you for your continuous support in all our endeavors.

Stay home; Stay safe!

Regards

Ms. Archana. R
