

SAN ACADEMY GROUP OF SCHOOLS
KAMAKOTI NAGAR

Dear Parents,

Greetings from San Academy!!!

As you all are aware, online classes for class IX and X ended well on 07.05.2020 for the portions of March and April. Our goal is to provide continuous educational opportunities and practice for students while schools are closed but also to eliminate as much stress as feasibly possible for students, parents, and teachers. We would like to bring to your notice that online classes will resume from June 1st for classes IX and X.

We would like to appreciate our students for their positivity, flexibility and resilience during these trying times. We would also like to appreciate our talented and ever-willing to work staff, both teaching and non-teaching, who have been showing their care and concern for the students, working from home preparing notes and engaging classes online for the benefit of students. At the end, we would like to thank parents for your continued support. Your letters of appreciation have helped our staff stay motivated during these challenging times. We have realized the value of technology as an important tool to stay connected with students and we will make constructive use of it in future too.

Assessments are the most significant part of the education system as it gives an accurate picture to the students of where they stand. It acts as a catalyst and positive reinforcement to learners by encouraging them to perform better. As we have completed the portions for Unit Test 1, we are planning to conduct assessment for UT 1 in the Second week of June.

We request parents to monitor the students while writing their tests. Detailed procedure regarding Google classroom will be sent as an annexure. We solicit your kind cooperation in this regard.

Kindly refer e-content for the Portions, Question paper pattern and Timetable.

Question papers will be uploaded in Google classroom on the specified date half an hour before the test. Class room ID will be shared to you shortly. Students are expected to complete the exam in stipulated time, scan the answer sheets using cam scanner and submit as PDF in the Google classroom itself before 12.00 noon. If you face any difficulty in uploading, the hard copy can be handover to the school office before 1.00 pm on the same day. Students can write the test either in A4 sheet or Ruled sheets.

Note: Students are expected to complete the Worksheets and Question Bank sent on e-content before 31.05.2020, as this will help them to be well prepared for the Unit Test. Students should prepare well for all the chapters given in portions for Unit Test. Teachers will do revision on the previous day before the exam in the online classes.
