

## SAN ACADEMY, KAMAKOTI NAGAR.

### ‘BEYOND THE CLASSROOM’ – AFTER SCHOOL ACTIVITIES

#### CLASSES III TO VIII

Dear Parents,

SAN Academy, Kamakoti Nagar is happy to offer various activities as ‘After School Activities’ during the Academic year 2022-23. We believe that classroom teaching – learning environment get strengthen by after school activities. No doubt, classroom teaching is utmost important, yet for aesthetic development, character enrichment, spiritual and physical growth, extracurricular activities are equally relevant. Extracurricular activities enable the students to express themselves freely and inculcate the value of co – operation and working together.

**Important:**

- Classes will be conducted after school hours – 03.30 pm to 04.30 pm.
- School van facility will be available at 4.30pm. Parents may contact school transport number for the same.
- Coaching fee will be collected for the full year as one-time payment.
- Students can choose one activity per day. Kindly refer to the details about each activity.

**School is proposing to offer the following ‘After School Activities’ from June/July 2022.**

### Details about each activity and one-time coaching fee

#### ❖ **Cambridge English Exam -YLE (Young learners English test) – Rs. 4500 per annum**

The Cambridge English range of exams start at the beginner level and go through to higher levels, so that child can improve his/her English language skills and build confidence step by step. These exams cover all 4 language skills – Reading, writing, listening and speaking and test real communicative language ability. This helps children to develop the skills they need to make friends, study and work using English as an international language of communication. All students appearing for the exam will receive the prestigious certificate from Cambridge Assessment English, a part of University of Cambridge, UK  
The one-time coaching fee includes the registration fee for the course and the examination fee.

#### ❖ **Bharatanatyam – Rs. 7500 per annum**

Special classes will be taken for the Salangai Pooja. The Salangai poojai will be conducted in School premises during the month of January 2023. Eligible students will be encouraged to perform during the Salangai poojai. The expense for the Salangai Pooja will be collected later which will be approximately Rs. 15,000-20,000 which will include all venue arrangements, orchestra, costumes, make-up, certificate, trophy and refreshments. Students will also be given a slot to perform during Marghazhi Maha Utsavam 2023.

#### ❖ **Band – Rs. 7000 per annum**

Students will be trained and will be a part of the School Band team. This team will be taken for competitions to represent our school. They will be playing the Band on all important occasions like Sports day, Annual day and all National days. They will also be encouraged to attend the Republic day parade organized by the Govt. Band uniform with accessories will be provided.

#### ❖ **Theater – Rs. 7000 per annum**

Theater is a performing Art. Students will undergo training in Mime, Shadow play, puppetry, Speech & drama, Street play, Clown Theater, dancing and singing. They will be encouraged to participate in all Inter School competitions in the above. They will also put up a special show at the end of the training. Course completion certificate will be given to students. Theatre/Mime costume will be provided.

#### ❖ **Robotics – Rs. 7000 per annum**

Students will be trained AI & Robotics, Scientific learning, DIY and tinkering, 3D designing and prototyping. The training program gives hands on experience for all the students in robotics. Beginner kit will be provided. They will be participating in the Annual Robozest an inter school competition as well as competitions in and around the city. Students will be given a team T-shirt. Course completion certificate will be given to students.

#### ❖ **Coding – Rs. 9000 per annum**

Students will be introduced to Coding. They will have theoretical understanding, real time stimulation, practical implementation, product innovation and hands on learning. The curriculum has been designed to meet the passion of students internationally. Students develop effective futuristic professional skills that are required to build a successful career. They will be participating in the competitions in and around the city. They will be given a team T-shirt. Course completion certificate will be given to students.

#### ❖ **Foreign Language (French) – Rs. 5000 per annum**

Here is an opportunity for children to learn a foreign language within the comfort zone of school.
