Kindly hand over your ward to their respective co-teachers at the library entrance near the main entrance.

We request parents not to disturb the teachers in between the arrangements for photographs, snacks or for any other request. This causes unwanted and enormous confusion to tackle. It also will delay the momentum of the preparatory schedule.

Hope you understand our concern and adhere to the instruction accordingly.

Students will be dispersed ONLY at the end of the program.

Parents can collect their wards after the announcement of dispersal at the library entrance.

Your support and co-operation will enable smooth dispersal without delay.

Thanks for all the support, hope to meet you on this grand and exciting occasion.

Regards

Pre-Primary Head.
