CLASS 1 TO 12

Dear Parents,

Greetings from San Academy!!!

On behalf of the entire San family we are happy to welcome our dear Sanites to the 2022-23 school year! We are looking forward to a productive partnership with parents to ensure that children can achieve their highest potential. We recognize that in order to be successful in school, children need support from both the home and school. We can together make a great difference in every child's education. In the light of the recent virus outbreak we understand, the massive closures present a daunting challenge for students, teachers and parents, yet we have made this year a productive and happy one for our students. As we step into the new year we are flooded with new vibes and excitement and we are gearing up on the commencement of the new academic year 2022-2023. We are overwhelmed and grateful for your enormous support and positive energy throughout this year with lots of motivation and appreciation emails that paved way for the incredible and productive education through the online mode. We are happy to have our students in the school campus to see and greet them in their new classes. We are planning to focus more on the education initiatives in line with the NEP to develop the common Core skills, and to provide consistent implementation on the new age curriculum. Next academic year is going to be amazing as we continue to enrich the academic experiences and hone their inbuilt talent and potential with responsibilities that are relevant with real-world situations for student's overall development.

SOP after reopening of the school:

- Covid protocols will be followed at all areas of school premises.
- Ensuring all classrooms and corridors are sanitized frequently.
- At all times, the teachers and students shall maintain a social distancing.
- Hand washing facilities along with provision of handwash.
- Weather permitting, outdoor spaces may be utilized for conducting teacher student interactions, keeping in view of the safety and security of students and physical distancing protocols.

We would like to inform that the First Term fee for next academic year can be remitted from 2nd Mar'22 to 15th Mar'22. Parents who remit the fees as per scheduled dates may collect the textbooks and notebooks from School premises.
