KINDERGARTEN TERM 11 INTRA- COMPETITION 2022**

Dear Parent,

Greetings from San Academy!

Scholastic and co-scholastic activities have equal importance in San Academy for the all-round development of the child. Keeping this in view, intra-competitions are held for kindergarten each term on different topics. The kindergarten of San will conduct a Fancy **Dress Competition based on the theme “ Aerial Beings”** on **Wednesday 9th November** for Jr KG. The objective of the competition is not only to encourage public speaking skills but also to develop confidence in children by giving them an opportunity to speak in front of their classmates.

The theme for Jr KG is “ **Aerial Beings**” Parents have to choose a bird of their child’s interest and prepare them to dress up and speak a few sentences on the topic for 5 minutes.

We kindly request parents to use items available at home and avoid hiring the costume. The winners will be chosen based on the following criteria- getup, creativity, presentation, confidence and clarity in speech. The winners will be awarded certificates and medals.

Regards

San Academy
