Sri Sathya Sai Seva Organisations- Tamil Nadu, in consultation with the Educational wing, has conducted an Essay Writing competition for all the School children in the State of Tamil Nadu on 5th November 2022 for Classes 6 to 8

ANNUAL DAY

SIXTH ANNUAL DAY OF SAN ACADEMY KAMAKOTI NAGAR

The special and memorable occasion of San Academy Kamakoti Nagar's Annual Cultural Fest was celebrated on 12 November 2022 in a grand manner at Jeppiaar Auditorium. While the visual treat of classes Kindergarten to standard three was held in the morning the grand bonanza for classes four and above was conducted in the evening. Each had a theme of its own.

The theme for the morning show was "The Enchanted World" and all the programmes were related to the 21 stories delving on mythology, fairy tales and folklore in the book series of the same name. One could visit the land of yore, castles of kings and queens, world of witches, ghost and extraterrestrials, the land of Disney, dragons and beasts and all the fantastic creatures featured in the series. While the little ones did the anchoring for each programme, there was sufficient support from the teachers too. The props displayed were striking. The backdrop was changed according to the story chosen. We had the Gulliver Travels, Ocean creatures, castles, and backdrops to suit our dolphins, toys, insects, mermaids, caterpillars, seaweeds, Spidermen, fairies, Halloween pumpkins, dragons, unicorns, ghosts, beasts, aliens, pirates, Kings & Queens, lilliputs, pandas, smurfs, witches and wizards. The Grand Finale of Aladdin mesmerised the audience. The students were greatly inspired and encouraged by the presence of their parents, who gave a big round of applause after each programme. Every performance was preceded by an accurate description of the characters and story and the students brought each persona to life.

We had a distinguished personality as a Chief Guest, Dr. C. Satish, Director of the Paavai Group of Schools in Namakkal. His speech was a great motivation for the children, as he depicted the path of his journey which consisted of 30+ years of experience in the field of education. He emphasized the role of parents in moulding the child's life.

The evening theme was "BIOSCOPE - Picture Abhi Baaki Hai!!!". The audience entered the Celluloid World and they could witness how movies evolved from the silent era to one with various special effects, how they evolved from a novelty show to a full-blown entertainment industry. While the children gave an introduction for the forthcoming programme with the initial groundwork, the teachers provided the audience with more information.

As would be apt, the entertainment started with the precursors to cinema - and that is, stage dramas followed by shadow play with the concept of the World Wars. Then it moved on to the silent era of Charlie Chaplin and the classics which move the audience to this day. The grandeur of the song "Sange Muzhangu" was brought to the stage. With the birth of superstardom, popularity of stars was scaled and they became famous. Some of these actors got mention along with their dance numbers.

But that was not all. Various genres were explored and presented judiciously. These included - Villains, Comedians, Sports, Science Fiction, Ghosts and Zombies and Social Issues. Music Directors and singers were honoured too as the school choir, with a live band, sang songs by musicians from M. S. Viswanathan to Anirudh. Two plays were enacted, which enthralled the audience - The evergreen "Murder in the Orient Express" and the historical extravaganza "Ponniyin Selvan"

Kalidas Jayaram, eminent young star of Tamil and Malayalam film Industry graced the occasion. He was happy to be a part of a Fest where the movie was the central theme.

In appreciation of the remarkable performance in the academic field and those who were regular to school, the students were facilitated. The Annual Report was substantiated by PPT with ample photographs

When the day ended, the teachers, students and the supporting staff were deeply content with the standing ovation they received for the mind-blowing performances and also the praise they received from the Chief Guest and the audience. Hats Off to All those who made the day a memorable one.

On 26 November 2022, San Academy Kamakoti Nagar inaugurated its first season of the Inter School Commerce Festival “COMFIESTA”. The Commerce Department with the help of Principal Ms. Ganga Natarajan and Vice Principal Ms. Devika Vinod went into in-depth planning to lay a strong footing for the event. We are indeed proud of our student council who took the responsibility in conducting the event under the able guidance of their teachers. About 10 schools and 150 students from reputed CBSE Schools participated and took back trophies and certificates. Even though the competitions were commerce based, the occasion was a platform to celebrate the spirit of competition not only among the students of 11th and 12th grade students of commerce discipline but also the students from 9th and 10th grade, to give an exposure to the commerce stream. The General guidelines and Gist of the agenda was circulated amongst the schools in advance and they were given an option to register through the Google Form. The school had a festive look welcoming the students and letting others know about the ongoing event. The classrooms were arranged and decorated according to the event that was to take place. Food stalls were put up. The competitions were very unique to kindle the interests of students towards business, entrepreneurship and commerce skills.

The competitions included: E-Biz, where a team of two had to create a blog for the given product, the components needed for the blog were notified earlier; Corporate Roadies, where a student will be provided with a management crisis, and the participant had to come out with a solution according to his position in the company; Rural Le Carte, where a team of two had to market a rural product with urban trends; and a few others. Each competition tested the students in various principles like creativity, language usage, demonstrating the skills-knowledge-talents of a good manager, participation in a mock interview, paper presentation, perception, communication and listening skills, expressing ideas, bringing the best in them. The students vied with each other showing their competitiveness by making the contests stimulating. The electrifying response from the students was the showcase of the event which was a good boost for the organizers to plan future “COMFIESTA”s. Well Done Organizers! Well Done Participants!!

MAIDEN FLIGHT

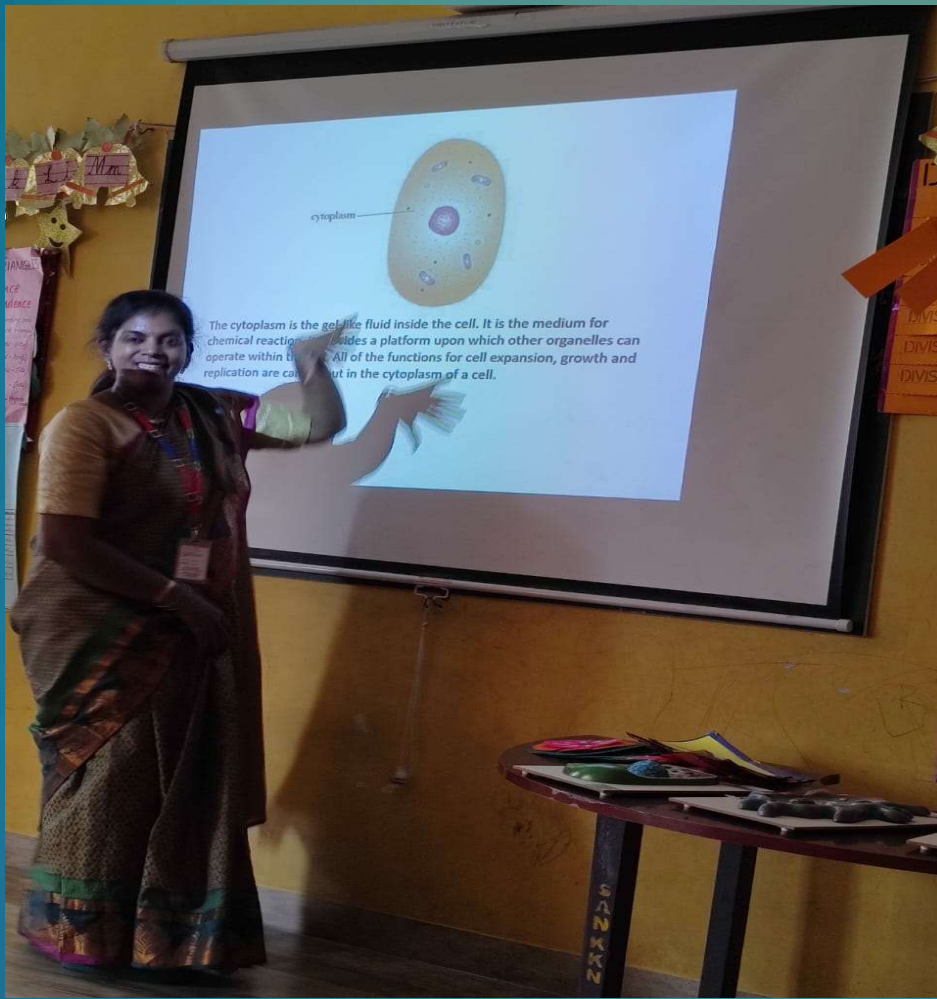

A teaching demonstration by the teachers of San Academy Kamakoti Nagar was conducted on 26 November 2022 for the newly admitted students and their parents and also those who were seeking admission. There were three slots for each of the three class groups where the parents and their wards could witness what goes on in our classrooms. They realized that a great deal of planning goes into creating a lesson plan. The demo began by getting to know the students, establishing a rapport, and conducting a pre-assessment. After a brief introduction about themselves, the teachers wrote down the title of their demo class on the board. Starting with what the child is learning in the current year a short foreword about what they are going to talk about in the class was given. An effective demonstration was conducted with charts, videos, maps, models, flash cards and drawings. They promoted good observation skills, stimulated thoughts, aroused curiosity, presented aspects of complex concepts on a concrete level by stimulating classroom discussion, hands on activities and quiz. They enhanced the learning process with regularly interacting with the students. The demo culminated with recapping the main points. The parents were given a walkthrough of all the school processes. This way parents could understand what their kid goes through each day. Many issues were discussed, including the school curriculum and the subjects being taught, the activities that are being conducted and other salient features. On the whole the day helped create student's familiarity with the institution's regulations and academic standards, and also help parents voice their opinions and clear any doubts they may have had. A good start for the next academic year!!!

NO BAG DAY CLASS 1 TO 5

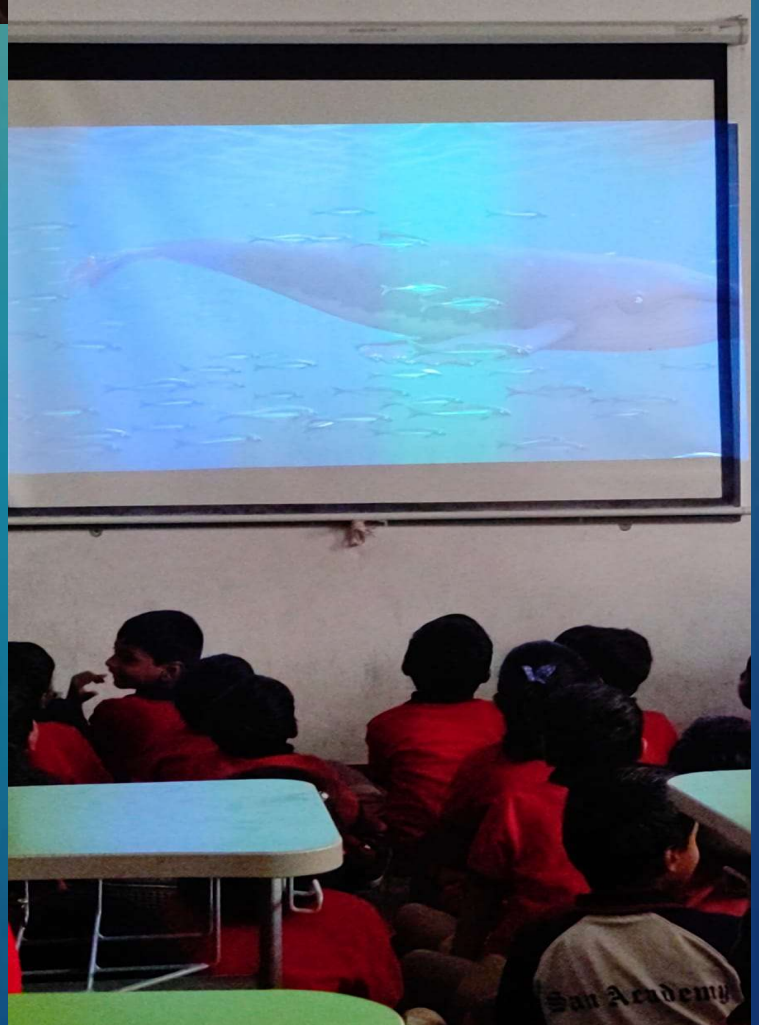

For Physical , Mental, intellectual development of students, they were given a day off from studies without carrying a bag and engaged them in various creative activities. On this day few activities were planned

1. Game time [using ball and hula hoops]
2. Movie time
3. How to use a first aid kit. Students enjoyed playing games and they practically learned how to use first aid kit and help the person when injured. It was a great Saturday for the children.

NO SCHOOL BAG DAY

NO BAG DAY CLASS 6 TO 8

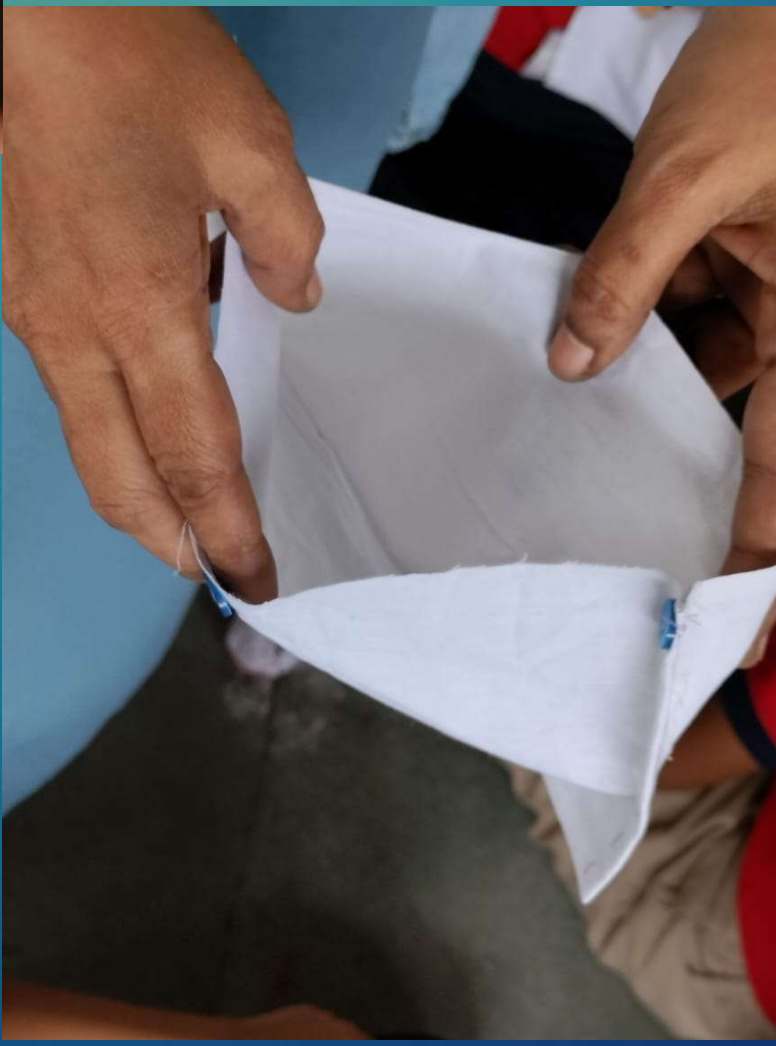

San Academy Kamakoti Nagar students from classes 1 to 8 had 'NO BAGS DAY' on 19.11.2022, Saturday. had two sessions in the morning.

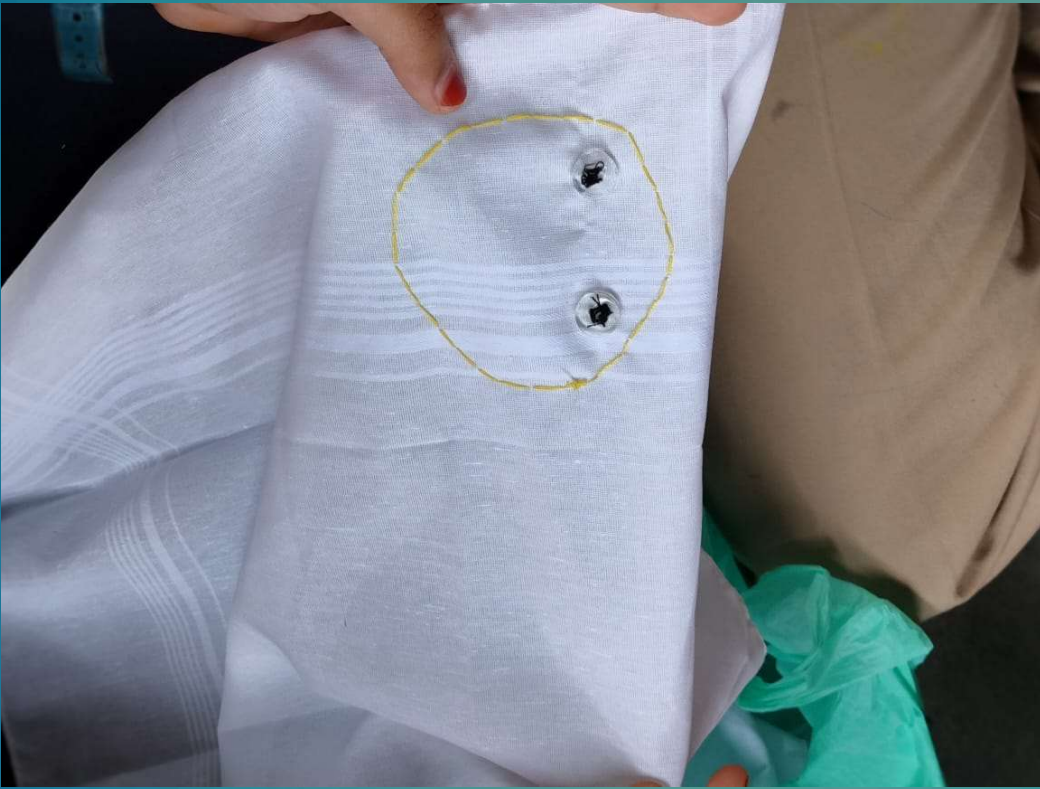

First Aid Awareness-

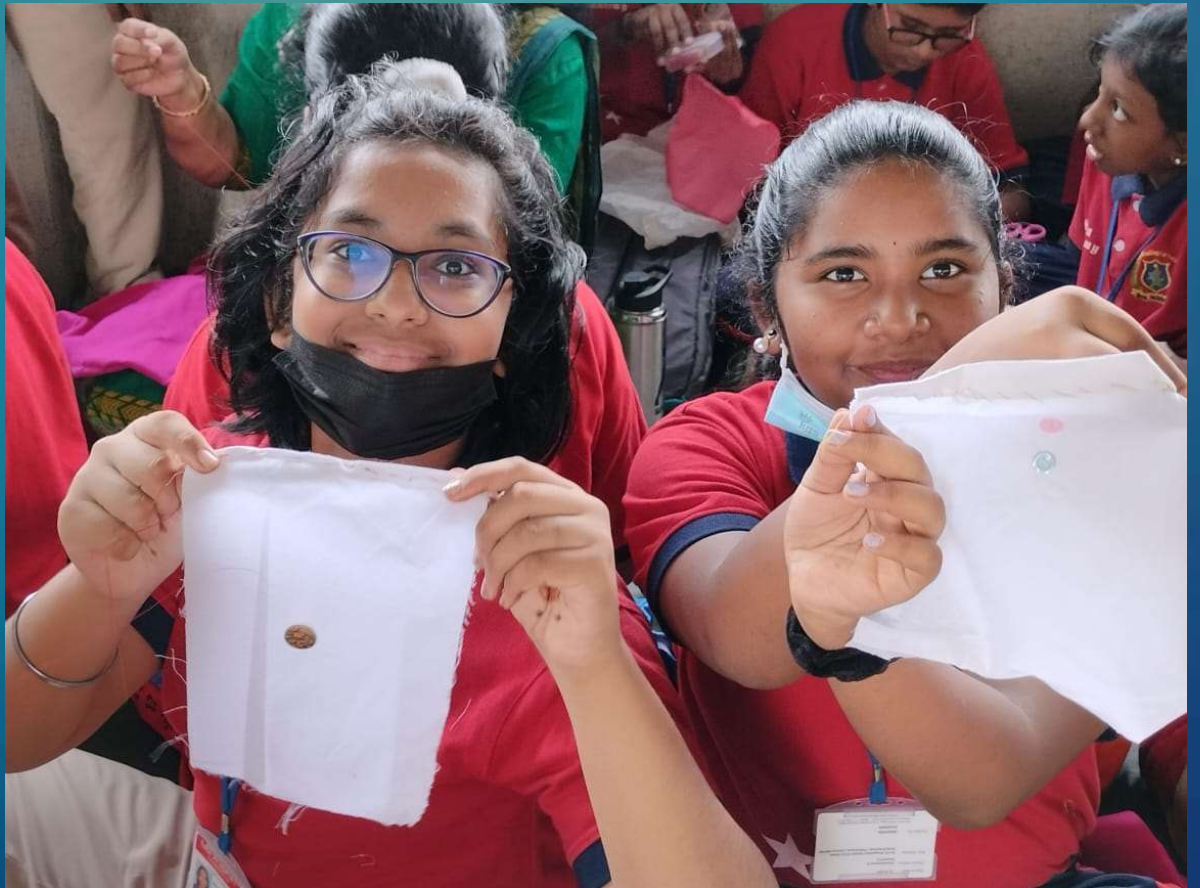

The basic objectives of First Aid are: • to give immediate care. • to protect the casualty from further harm. • to relieve pain. • to promote recovery. The session led by Ms. ArunaPriya and Ms Menaka BSG ,KKN. The students were encouraged in self-expression and they were very curious to know about the first aid. Demos were done with the active participation of the students.

Basics of Tailoring

The second session led by Mrs. Hema .Each and every student had a stitching kit(a piece of cloth, a needle, thread and two buttons)The children improve their knowledge of basic stitching like hemming, to attach buttons etc,. They learnt to insert thread into the needle and to put a knot. They tried to stitch as per the instruction given By Ms Hema. Teachers also had an important role to make them learn the basics of stitching.

TRAFFIC AND ROAD SAFETY RULES

Road safety rules in India are designed in the best interest of vehicle owners. You may follow the below-mentioned ten rules and regulations while driving to reduce the risk of accidents and ensure safe driving.

- Always wear a seatbelt**

The most important rule is to always strap on a seatbelt when you hit the wheel. Section 138 (3) CMVR 177 MVA of the Motor Vehicles Act lays down the specific fine for not fastening a seatbelt.

- Avoid distractions**

While you are behind the wheel, ensure that your main focus is on driving. Do not get distracted by loud music or by talking on the phone while driving.

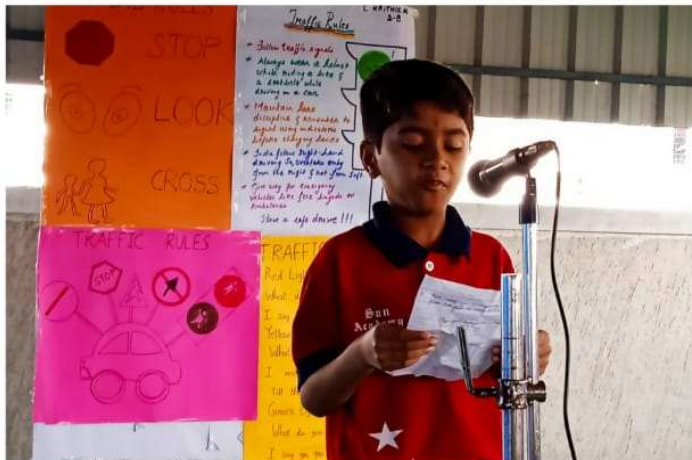

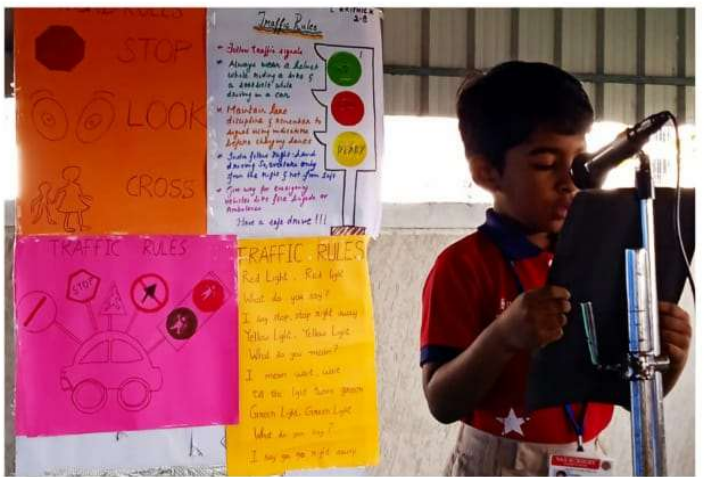

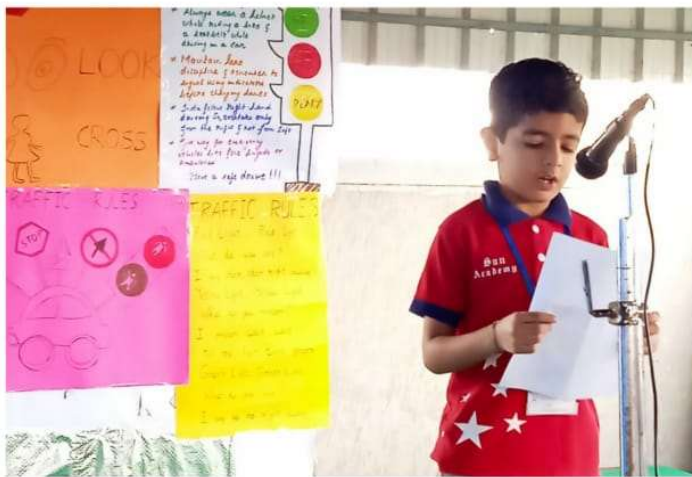

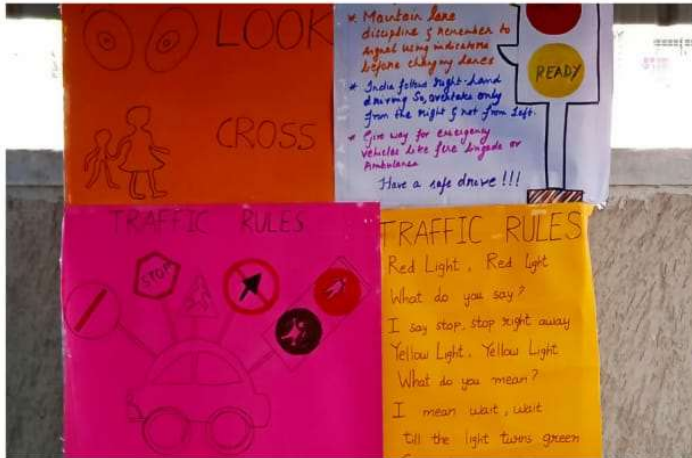

- Do not cross the speed limits**

The goal of setting a speed limit is to ensure the safety of passengers in the vehicle as well as pedestrians. Besides, driving at high speed, even on roads with less traffic, may result in the driver losing control or a sudden brake fail, thereby causing an accident.

- Service your car regularly**

Maintaining your car on a regular basis is vital. Repair worn tires, fix your broken headlights, fix your side mirrors, and replace your engine oil as failing to do so may result in accidents.

CHILDRENS DAY

Jawaharlal Nehru was affectionately called *Chacha Nehru* ("Uncle Nehru") by children, and their faith in him was a constant source of happiness for him.^[8] As the Prime Minister, Nehru wanted to "create an atmosphere in the country where the attention is constantly focused on children and their welfare".^[13] He had also established Children's Film Society India in 1955 so that Indian children could see themselves represented.^[14]

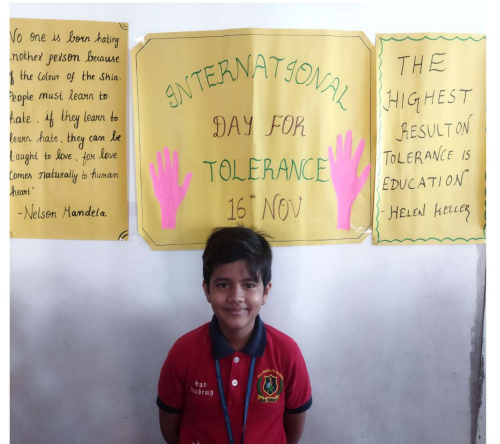

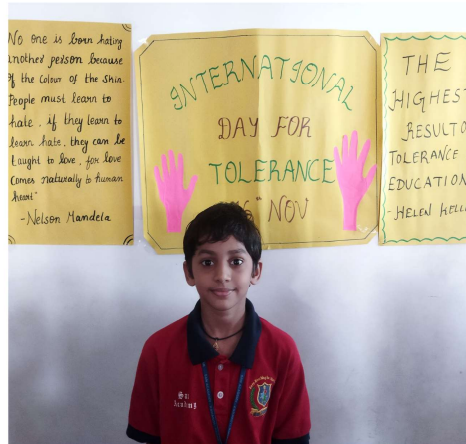

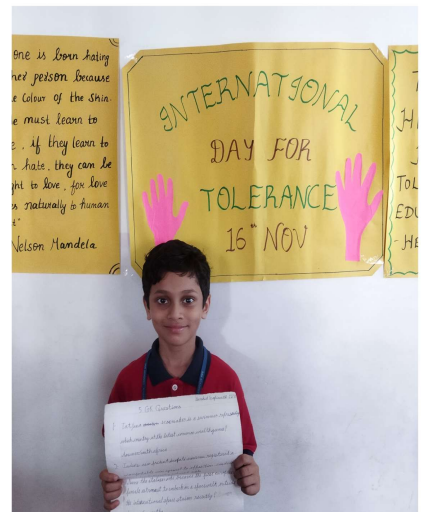

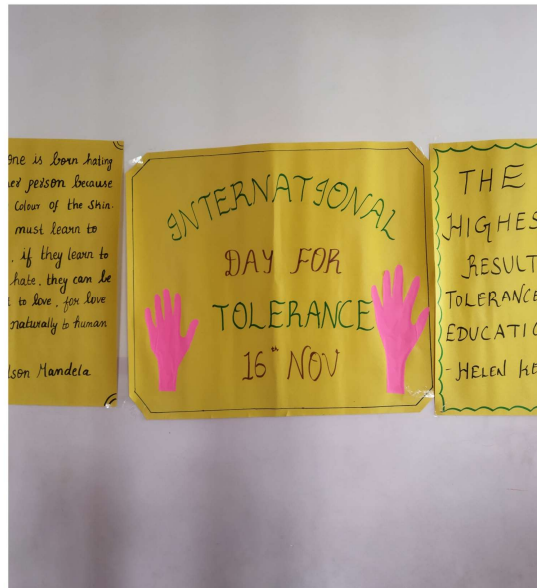

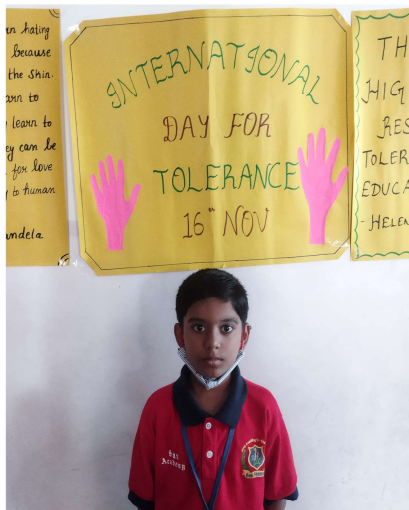

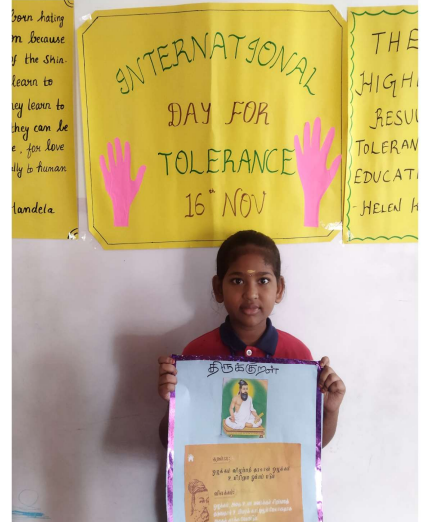

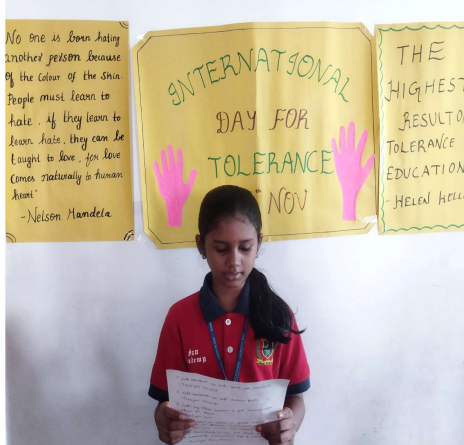

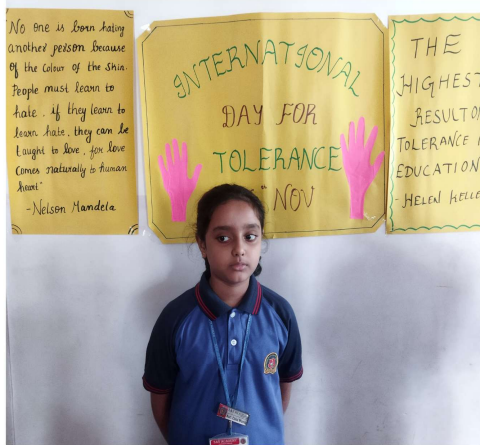

Nehru's concern for children and their welfare, M. O. Mathai wrote in his book *My Days With Nehru* (1979), "Nehru saw in their innocent faces and sparkling eyes the future of India. He was convinced that no amount of money spent on children and their mothers was too much, and that it was a sound investment for the future."^[15] When asked by Ram Narayan Chaudhary in an interview in 1958, if he was fond of children because the future of the country depended on the children, Nehru had replied, "I have always felt that the children of today will make the India of tomorrow, and, the way we bring them up will determine the future of the country.

This philosophy is expressed in the letters written by him to Indira Gandhi, his daughter, when she was a young girl. The letters were also published as books. *Letters from a Father to His Daughter* (1929) and *Glimpses of World History* (1934) have gained fame as children's non-fiction because, as Deepa Agarwal writes, "any child can respond to their warm, affectionate tone and his lucid and spontaneous style. The wealth of information woven into them and his unique approach to historical facts is an added bonus... communicating humanist values".[[]

CLASS IV A

WORLD DAY OF REMEMBRANCE FOR ROAD TRAFFIC VICTIMS

As every year, the objectives of WDoR 2022 are to provide a platform for road traffic victims and their families to:

- remember all people killed and seriously injured on the roads;
- acknowledge the crucial work of the emergency services;
- draw attention to the generally trivial legal response to culpable road deaths and injuries and advocate for an appropriately serious response;
- advocate for better support for road traffic victims and victim families;
- promote evidence-based actions to prevent and eventually stop further road traffic deaths and injuries

Every year, millions more road victims are added to the current toll of over 50 million killed and hundreds of millions injured since the first road death 125 years ago last August – a disaster that continues day in and day out in all countries of the world. It is an actual pandemic, affecting primarily our vulnerable and our young, which in addition to the trauma of injury and bereavement has also a devastating economic impact for countries, communities and families. Therefore, during the new Decade of Action 2021-2030 the World Day will have the important role of helping to achieve the 50% road casualty reduction target.

CLASS XI A-CONSTITUTION DAY OF INDIA

Constitution Day (IAST: *Samvidhāna Divasa*), also known as "**National Law Day**", is celebrated in India on 26 November every year to commemorate the adoption of the Constitution of India. On 26 November 1949, the Constituent Assembly of India adopted the Constitution of India, and it came into effect on 26 January 1950.^[1] The Government of India declared 26 November as Constitution Day on 19 November 2015 by a gazette notification. The Prime Minister of India Narendra Modi made the declaration on 11 October 2015 while laying the foundation stone of the B. R. Ambedkar's Statue of Equality memorial in Mumbai.^[2] The year of 2021 was the 131st birth anniversary of Ambedkar, who had chaired the drafting committee of the Constituent Assembly and played a pivotal role in the drafting of the constitution.^[1] Previously this day was celebrated as Law Day.^[3] 26 November was chosen to spread the importance of the constitution and to spread thoughts and ideas of Ambedkar. PM Modi Speech On National Law Day 2021, 26 November, and also The President, Vice President and Lok Sabha Speaker also addressed the program.
