Special

EVENTS

ISRO EDUCATIONAL TRIP

Students from classes 9 to 12 had the privilege of visiting the ISRO campus based at Trivandrum. The students were given lectures & shown space programme related videos. The information gathered helped them admire and appreciate the efforts made by India in the space research. The Space Museum had exhibits, which dated back to some of the earliest models of rockets.

**DIWALI-
THE FESTIVAL OF
LIGHTS**

The five-day long festival originated in the [Indian subcontinent](#) and is mentioned in early [Sanskrit](#) texts. The common celebratory practices are common as festival of light, however there are minor differences from state to state in India. Diwali/Dewali/Deepavali is usually celebrated twenty days after the [Vijayadashami](#) ([Dussehra](#), [Dasara](#), [Dashain](#), [Dashahara](#)) festival, with [Dhanteras](#), or the regional equivalent, marking the first day of the festival when celebrants prepare by cleaning their homes and making decorations on the floor, such as [rangolis](#). Some regions of [India](#) start Diwali festivities the day before Dhanteras with [Govatsa Dwadashi](#). The second day is [Naraka Chaturdashi](#). The third day is the day of [Lakshmi Puja](#) and the darkest [night](#) of the [traditional month](#). In some parts of [India](#), the day after [Lakshmi Puja](#) is marked with the [Govardhan Puja](#) and [Balipratipada](#) (Padwa). Some [Hindu](#) communities mark the last day as [Bhai Dooj](#) or the regional equivalent, which is dedicated to the bond between sister and brother, while other Hindu and Sikh craftsmen communities mark this day as [Vishwakarma Puja](#) and observe it by performing maintenance in their work spaces and offering [prayers](#).

BEGINNERS TRAINING PROGRAMME

A one-day Beginners Course for CSSC south cluster schools was organized in San Academy, Kamakoti Nagar, Chennai on 29.10.2022. Enthusiastic participants from various schools started reaching the venue at 8.15 am. The Participant teachers were warmly welcomed by welcoming claps of scouts and guiding children. Leader Trainers of the session Mr.D.Poornachandran and Mr.Srinivasan reached the venue by 8.30 am. They were cordially received by Mrs.Ganga Natrajan, the Vice president of the Bharat Scouts and Guides, Chennai City CBSE school, Principal of San Academy, Kamakoti Nagar, and were given a warm welcome by the Colour parties and the band followed by the welcome claps of scouts and guides children. The Chief Guest of the day Ms.Sujatha S, District Commissioner Guide and Senior principal of the San Academy group of schools arrived at the venue by 8.45 am. She was given a warm welcome by the Principal Mrs. Ganga Natrajan along with the color parties, and the welcome band followed by the welcome claps of Scouts and guides. After the completion of breakfast by dignitaries and the participants, the event was inaugurated with the BSG flag hoisting at 9.15 am.

The session started with Tamizh Thai Vazhthu at 9.30 am followed by a welcome speech.

A warm welcome dance was performed by Kavyadharshini of class X A, followed by a wonderful performance of Villupattu by Scouts and guides children narrating the "Importance of Quality Education".

A brief introduction on Bharat Scouts and Guides was given, followed by the introduction of Chief Guest Ms.Sujatha S and the Leader Trainers Mr. D. Poornachandran, and Mr. N. Srinivasan and they were honored by the Principal Mrs. Ganga Natrajan with a memento and a sapling.

The session was enriched by a beautiful speech delivered by Mrs.Sujatha S, District Commissioner Guide.

The participants were motivated by the speech given by Mr.D. Poornachandran and Mr. N.Srinivasan, Leader Trainers of the course.

The crowd was made comfortable by the speech of Mrs. Ganga Natrajan, Vice president of the Bharat Scouts and Guides Chennai City CBSE school, Principal of San Academy, Kamakoti Nagar.

After the speech by the dignitaries, the participants were given a snack break by 10.20 am.

NO BAG DAY CLASS 1 TO 5

San Academy Group of Schools, Kamakoti Nagar branch, conducted "No Bag Day" on Saturday, October 22, for students in classes 1–5 to reduce pressure on the school. For the physical, mental, and intellectual development of students, they were given a day off from studies without carrying a bag and engaged in various creative activities. On this day, few activities were planned.

1.Colouring Diya

2. A puppet show on the life history of Dr. APJ Abdul Kalam

3.Traditional gamesStudents enjoyed playing traditional games.

They did the DIY colouring very well. The children started the activity with Diya painting to develop the eye and hand coordination. With a puppet show of the life history of Dr. APJ Abdul Kalam, they learned about the whole life of Dr. APJ and the most important invention of his life. Students enjoyed a lot during these activities.

NO BAG DAY CLASS 6 TO 8

First of all a big thanks to our beloved Principal ma'am for planning such wonderful events, which turned out to be really productive. We started the day with Diya decoration which was very colorful and mesmerizing, the children poured in all their ideas and creativity, and then we moved on to the best part of the agenda fireless cooking, here too the children showcased their talents in preparing different types of sandwiches with spicy toppings and seasoning. They made us swim in a real pool of lemonade, with exotic tastes The children and teachers had a real great time, also making us understand how much children like us and respect us.

The next part of the agenda was a demo by Vaayu Astra (Aerospace) by Mr. Karthik Sunderasan.

This session was really productive and informative, which made us understand the trivial details involved in designing an aircraft, we also knew that it was an Indian who designed the first aircraft before the Wright Brothers and he is Shivkar Bapuji Talpade.

San Academy Kamakoti Nagar students from classes 1 to 8 had 'NO BAGS DAY' on 15.10.2022, Saturday. They had three sessions in the morning.

FEVICRYL ART COMPETITION - The first session was a competition held by Fevicryl. The materials were provided by Fevicryl. The students had to cut out the pattern given in the sheet and create the 3D form of the figure. Children always love learning through arts, which enriches the experience of studying while at school. The students were encouraged in self-expression and they confidently used their creativity to make their final presentation confidently. The best entry from each class will be sent for the final competition.

DEMO CLASS BY MR. KARTHIK SUNDERESAN FROM VAAYU SASTRA AEROSPACE - Students love to learn new things. If it is accompanied by hands-on activity, it is a double bonanza. This is what was in store for them in the third session. Mr. Karthik Sunderesan and his colleague from Vaayu Sastra Aerospace made the day a memorable one. This was a workshop with a combination of Science and Theatre rooted to Aeronautics and basic sciences. It provided a general overview in the field of Aeronautics to the interested audience. An attempt to pique their curiosity was through an introduction to the topic in an innovative way by asking questions. The quiz geared up the students to learn more. The activities created awareness in students, satiated their curiosity and at the end of the day the students left the area with a desire to know various concepts related to the subject. Their take home activity was an aeroplane using an A4 sheet. Different mechanisms present in the wings of an aeroplane were explicitly explained during the demonstration when the students were asked to make a few changes to their paper planes. The youngsters thoroughly enjoyed deploying their planes to see the result of the changes made. On the whole a delightful escapade for the students.

FIRELESS COOKING - Fireless cooking not only teaches cooking to children but also teaches some valuable skills of life. The children improve their knowledge of basic skills like cutting, choosing ingredients, experimenting with new components, measuring, counting and following the instructions. The fact that they were creating a dish encouraged the students to delve into creativity to think and present their dish in a pleasing manner. It helped their problem solving skills too when they found the dish lacking in some taste. They learnt to clean up their place after work completion. Their enthusiasm was not only seen in the preparation but also in distributing their fare to all the teachers to get their feedback. They enjoyed the experience so much that they wanted it to be a regular feature in their 'No Bags Day'.

WORLD POSTAL DAY

World Post Day is an [international day](#) that occurs each year on October 9, the anniversary of the [Universal Postal Union](#) (UPU),^[1] which started in 1874 in Switzerland. The UPU was the start of the global communications revolution, introducing the ability to write letter to others all over the world. World Post Day started in 1969. Since then, countries all over the world take part in celebrations to highlight the importance of the [postal service](#). Many things happen on this day. Post offices in some countries hold special stamp collection exhibitions; there are open days at postal measures and there are workshops on postal history. The UPU organizes an international letter writing competition for young people. Since 1969, UPU announces the annual best postal services of the year on the 9 October.^[1] [Postal systems](#) have been in operation for many centuries.

GLOBAL HANDWASHING DAY

October 15 is Global Handwashing Day, a global advocacy day dedicated to increasing awareness and understanding about the importance of handwashing with soap as an effective and affordable way to prevent diseases and save lives.

Global Handwashing Day was founded by the [Global Handwashing Partnership](#), and is an opportunity to design, test, and replicate creative ways to encourage people to wash their hands with soap at critical times.

The first Global Handwashing Day was held in 2008, when over 120 million children around the world washed their hands with soap in more than 70 countries.

PREVENT DIARRHEA AND ACUTE RESPIRATORY INFECTION

WORLD THRIFT DAY

World thrift day was established to inform people all around the world about the idea of saving their money in a bank rather than keeping it under their mattress or at home.

In India due to death of late Prime Minister Indira Gandhi on the same day in 1984 this day is being celebrated on 30th October.

The first International Thrift Congress which was held in Milan, Italy in 1924 had declared October 31 as the World Thrift day. The aim of celebrating this day is to change our behaviour towards the saving and constantly reminds us the importance of wealth.

Wealth in terms of saving will act as a safeguard to face financial crisis. It helps us in starting a business, getting good education and availing good healthcare treatment. The habit of saving will give independence to both people as well as the country.

CLASS 3 TO 5**

WORLD ANIMAL WELFARE DAY

As the name says, world animal day refers to a day dedicated to the animal kingdom. Every year on 4th October is celebrated as world animal welfare day; it is done to celebrate the relation between humans and animals. We all know that animals are an important part of our ecosystem, they not only give support and improve our lives but they also teach human the true meaning of friendship. Therefore, this day allows us to celebrate their existence.

This day is celebrated around the world without any discrimination of religion, caste, colour, beliefs and ideology. This is a special day for those who care for and love these wonderful creations of God. There are many animal welfare organizations, groups, charity and schools that participate in the celebration of the animal welfare day.

INTERNATIONAL DAY OF GIRL CHILD

In 2022, we commemorate the 10th anniversary of the International Day of the Girl (IDG). In these last 10 years, there has been increased attention on issues that matter to girls amongst governments, policymakers and the general public, and more opportunities for girls to have their voices heard on the global stage. Yet, investments in girls' rights remain limited and girls continue to confront a myriad of challenges to fulfilling their potential; made worse by concurrent crises of [climate change](#), [COVID-19](#) and humanitarian conflict. Girls around the world continue to face unprecedented challenges to their education, their physical and mental wellness, and the protections needed for a life without violence. COVID-19 has worsened existing burdens on girls around the world and worn away important gains made over the last decade.

WORLD FOOD DAY

World Food Day is an [international day](#) celebrated every year worldwide on October 16th to commemorate the date of the founding of the [United Nations Food and Agriculture Organization](#) in 1945. The day is celebrated widely by many other organizations concerned with hunger and [food security](#), including the [World Food Programme](#), the [World Health Organization](#) and the [International Fund for Agricultural Development](#). WFP received the [Nobel Prize in Peace](#) for 2020 for their efforts to combat hunger, contribute to peace in conflict areas, and for playing a leading role in stopping the use of hunger in the form of a weapon for war and conflict.

OCTOBER 16

WORLD FOOD DAY

Resources & Activities

WORLD SPINE DAY

This World Spine Day, we are calling for action to focus on the global burden of spinal disorders while emphasizing #EVERYSPINECOUNTS, highlighting the diverse challenges of living with low back pain in all regions, cultures, backgrounds, and across the life course; prioritizing a condition that is more prevalent than cancer, stroke, heart disease, diabetes and Alzheimer's Disease combined.

The theme emphasizes diversity of spinal pain and disability as part of the global burden of disease and addresses the need for access to quality essential spinal health services worldwide. With an estimated 540 million people in the world suffering with low back pain at any one time, it remains the leading cause of years lived with disability.

WORLD STATISTICS DAY

The third World Statistics Day will be celebrated around the globe on 20 October 2020 with the theme “[Connecting the world with data we can trust.](#)” This theme reflects the importance of trust, authoritative data, innovation and the public good in national statistical systems.

The celebration of World Statistics Day 2020 is a global collaborative endeavour, organized under the guidance of the [United Nations Statistical Commission](#).

The [Statistics Division](#) of the [United Nations Department of Economic Affairs](#) is the global coordinator of the campaign, defining global key messages and making available outreach resources to countries and other partners through this website. National statistical offices act as national coordinators, translating promotional materials into national languages and organizing events and outreach efforts at national and subnational levels.

WORLD
STATISTIC DAY

UNITED NATIONS DAY

United Nations Day, on 24 October, marks the anniversary of the entry into force in 1945 of the UN Charter. With the ratification of this founding document by the majority of its signatories, including the five permanent members of the Security Council, the United Nations officially came into being.

There is no other global organization with the legitimacy, convening power and normative impact of the United Nations. No other global organization gives hope to so many people for a better world and can deliver the future we want. Today, the urgency for all countries to come together, to fulfil the promise of the nations united, has rarely been greater.

UN Day, celebrated every year, offers the opportunity to amplify our [common agenda](#) and reaffirm the purposes and principles of the UN Charter that have guided us for the past 77 years.

United Nations Day

INDIAN AIRFORCE DAY

The **Indian Air Force (IAF)** is the [air arm](#) of the [Indian Armed Forces](#). Its complement of personnel and aircraft assets ranks third [\[11\]](#) amongst the air forces of the world.[\[12\]](#) Its primary mission is to secure Indian [airspace](#) and to conduct [aerial warfare](#) during armed conflict. It was officially established on 8 October 1932 as an auxiliary air force of the [British Empire](#) which honoured India's aviation service during World War II with the prefix *Royal*.[\[13\]](#) After India gained independence from [United Kingdom](#) in 1947, the name Royal Indian Air Force was kept and served in the name of [Dominion of India](#)..

WORLD MENTAL HEALTH DAY

Growing social and economic inequalities, protracted conflicts, violence and public health emergencies affect whole populations, threatening progress towards improved well-being; a staggering 84 million people worldwide were forcibly displaced during 2021. We must deepen the value and commitment we give to mental health as individuals, communities and governments and match that value with more commitment, engagement and investment by all stakeholders, across all sectors.

Many aspects of mental health have been challenged; and already before the pandemic in 2019 an estimated one in eight people globally were living with a mental disorder. At the same time, the services, skills and funding available for mental health remain in short supply, and fall far below what is needed, especially in low and middle income countries.

INTERNATIONAL DAY FOR THE ERADICATION OF POVERTY

Dignity for all in practice is the umbrella theme of the International Day for the Eradication of Poverty for 2022-2023. The dignity of the human being is not only a fundamental right in itself but constitutes the basis of all other fundamental rights. Therefore, “Dignity” is not an abstract concept: it belongs to each and every one. Today, many people living in persistent poverty experience their dignity being denied and disrespected.

With the commitment to [end poverty](#), protect the planet and ensure all people everywhere enjoy [peace](#) and prosperity, the [2030 Agenda](#) again gestured toward the same promise established under the [Universal Declaration of Human Rights](#). Yet, the current reality shows that 1.3 billion people still live in multidimensional poverty with almost half of them children and youth.

**THEMATIC

WORLD STANDARDS DAY

World Standards Day (or **International Standards Day**) is an [international day](#) celebrated internationally each year on 14 October. The day honours the efforts of the thousands of experts who develop voluntary [standards](#) within standards development organizations such as the [American Society of Mechanical Engineers](#) (ASME), [International Electrotechnical Commission](#) (IEC), [International Ethics Standards Board for Accountants](#) (IESBA), [International Organization for Standardization](#) (ISO), [International Telecommunication Union](#) (ITU), [Institute of Electrical and Electronics Engineers](#) (IEEE) and [Internet Engineering Task Force](#) (IETF). The aim of World Standards Day is to [raise awareness](#) among regulators, industry and consumers as to the importance of [standardization](#) to the [global economy](#).

OCTOBER 14

WORLD ANESTHESIA DAY

Every year on 16th October WFSA supports anaesthesia providers the world over to celebrate their profession and have a bit of fun whilst doing it.

World Anaesthesia Day commemorates the birth of anaesthesia on 16th October 1846. When doctors at Massachusetts General Hospital demonstrated the use of ether for the first time on a patient. In doing so they changed surgery forever, proving it was possible for patients to undergo surgery without the torture of pain previously associated with it.

Despite nearly 170 years having passed since that first anaesthetic procedure and the countless breakthroughs that have succeeded it, nearly 5 billion people continue to lack access to safe anaesthesia practices.

NATIONAL UNITY DAY

On National Unity Day 2022, the Union Home Minister of India remembered Sardar Vallabhbhai Patel on his 147th birth anniversary saying that the latter realised the dream of a strong and united India with his farsightedness.

Why is National Unity Day Celebrated?

•National Unity Day is celebrated every year on 31st October to commemorate the birth anniversary of **Sardar Vallabhbhai Patel**. It is also known as **Rashtriya Ekta Diwas**.

DEFINITION OF PER, GROUP AND PERIODS (ELEMENTS)

AIM:

- To prepare a thin section of onion peel
- To observe of cells in onion
- To a detailed section of onion to onion

MATERIALS REQUIRED:

One onion, glass, water, iodine solution, a watch glass, a forceps, a fine paper, a small bowl, a needle.

CHEMICALS REQUIRED:

Iodine solution, water, distilled water.

PROCEDURE:

- To preparation of thin section of onion onion peel.
- Take a piece of onion, cut it into 4 to 6 equal parts. Then wash it with distilled water to remove the dirt. Then take one small piece of onion and separate by peeling your thumb on one corner of the peel over the onion and separate completely to show in thin section.
- To preparation of suspension of cells in water.
- Take a glass of water (distilled) in a test tube. Then wash one of distilled water to the test tube. Then the small piece of onion peel is placed in the test tube. Then the water is added to the test tube. Then the test tube is shaken to mix the onion peel with the water. Then the test tube is allowed to settle for 5 minutes. Then the test tube is observed under a microscope.

PREPARING A MIXTURE OF IRON AND SULPHUR

OBJECTIVE:

- To prepare a mixture using iron and sulphur powder and observing it in the state of:
- Appearance of homogeneity and heterogeneity
- Behaviour towards a magnet
- Behaviour towards carbon disulphide as a solvent
- Effect of heat

MATERIALS REQUIRED:

Iron filings, sulphur, test tube, glass, a hard hat, a magnet, a test tube of clean, lit paper, forceps, or spatula, iron filings (Fe), sulphur (S) and carbon disulphide, a hard glass test tube.

MOL: Take only one page.

PROCEDURE:

- Take 1g of iron filings and 1g of sulphur and put them in a mixture.
- Spread the mixture into paper thoroughly. The product is obtained as a mixture of iron and sulphur.
- Transfer the contents into the test tube.

OBSERVATION:

- As per the request.

When a bar of magnet is placed in the mixture it is observed that the iron filings cling to the magnet. This shows that the combination is a mixture.

ONION PEEL - EXPERIMENT

ONION

* AIM :- preparation of stained temporary mount of onion peel, & record observation.

* APPARATUS REQUIRED :-

a medium sized onion, clean glass slide, cover slip, petridish, dropper, microscope, safranin solution, blotting paper.

* PROCEDURE :-

- 1) Take one medium sized onion & cut it with the help of a knife
- 2) Remove a scale leaf from one of the piece
- 3) Break the scale leaf gently from the middle and peel a small portion of epidermis
- 4) put 2-3 drops of safranin solution in watch glass
- 5) transfer the slide and remove extra material with blotting paper
- 6) examine the slide with microscope

* OBSERVATIONS :-

- => A large vacuole is present
- => A distinct cell wall is present
- => These are plant cells

* RESULT :-

Onion peels was observed
