# NURSERY

## THEME: UNDERWATER WORLD

An underwater environment is an environment immersed in water such as ocean, sea, river, or lake. This world contains many animals and plants. These animals are called aquatic animals. They have their separate lifestyle. These animals live completely differently from normal living beings. Under this theme, kids were taught different sea animals like dolphins, Whales, crabs, seahorses, and Jellyfish and how to protect our underwater environment.

# KRISHNA JAYANTHI AND TEACHER'S DAY CELEBRATION - 05.09.2023

Krishna Jayanthi is an auspicious festival of Hindus especially for Vaishnavas, which marks the celebration of Lord Krishna's birth on this earth, also known simply as Janmashtami. Children of Kindergarten grandly celebrated Janmashtami by performing in Kolaatam and they also enacted a skit to know the story of the Birth of Krishna which made the children aware of how Lord Krishna was born. As a part of the celebration they also made Krishna's flute using paper straws and colored papers as take-home activity.

# SPECIAL EVENT

## SPLASH POOL DAY - 11.09.2023

Based on the theme “Underwater world” a special event is celebrated as “Splash Pool Day”. All the children were dressed up as sea animal creatures. They enjoyed the dance performance done by their peers and they did fishing activities as well as learning all the sea animals’ names by watching AV. With the help of the teachers, they did take-home activity as an aquarium.

# **GANESH CHATURTHI CELEBRATION**

**15.09.2023**

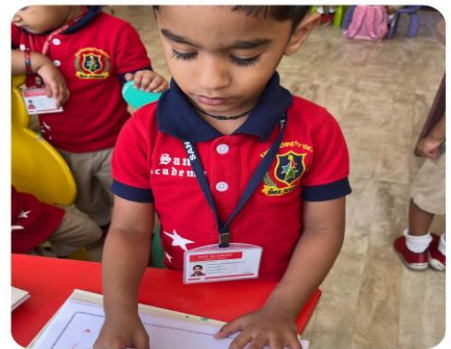

Ganesh Chaturthi also known as Vinayaka Chaturthi, is a Hindu festival commemorating the birth of the Hindu god Ganesha. It is celebrated on mid of August to September. This festival is celebrated with great devotion and joy by Hindus throughout the world. To seek his blessings children celebrated Ganesh Chaturthi in a grand manner. Children participated in the dance song of lord Ganesha.

# ART AND CRAFT - DRAWING

## Draw a fish with a triangle shape-20.09.2023

Drawing helps children develop fine motor skills by improving their hand-eye coordination. Drawing helps children communicate feelings, ideas, dreams and wishes. In the drawing session, children used various patterns like slanting lines, standing lines, and sleeping lines to draw fish with triangle, shapes. Children were excited to draw with patterns.

# GROUP ACTIVITY

## OCEAN WORLD – 26.09.2023

Group activities help children to coordinate and work well with their peer group. It is also a better way to learn from each other. Based on the theme children did the collage activity on the “Ocean world” picture. as art and craft. Art and Crafts help children to improve their creativity and imaginary skills.

# ART AND CRAFT - MOBILES

## Fish and Seahorse - 26.09.2023

Craft enhances children's hand-eye coordination and builds levels of manual dexterity. Based on the theme Boys did the "Seahorse" as their mobiles and Girls did "Fish" as theirs. This activity helped the children to learn the names of the sea animals.

# SKILL DEVELOPMENT

## SQUEEZE THE WATER FROM SPONGE - 27.09.2023

Skill development provides vibrant exposure to the learners which indirectly helps them to gain self-esteem and build confidence and even determination in the child. The activity for this month is to run and squeeze the sponge to fill water from one bowl to another bowl.

## **THEME: MAMMALIA MONTH**

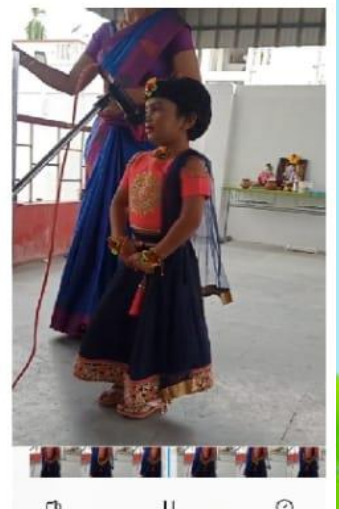

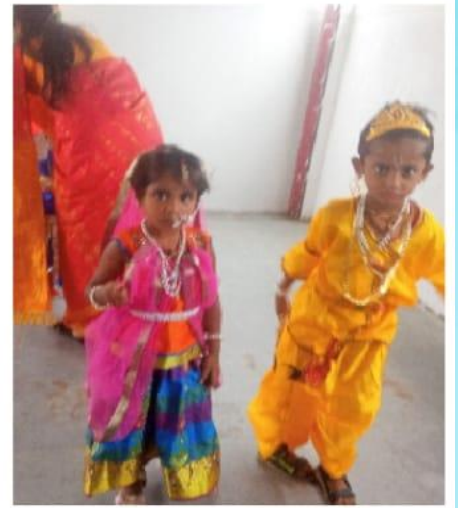

**A mammal is a vertebrate animal of the class Mammalia. Mammals are characterized by the presence of milk-producing mammary glands for feeding their young, fur or hair, and three middle ear bones. These characteristics distinguish them from reptiles and birds. Junior Kindergarten children learnt about different mammals and their habitats during this month.**

# **KRISHNA JAYANTHI AND TEACHER'S DAY CELEBRATION - 05.09.2023**

Celebrations bring all the kg children together. Children started the celebration with slokas on Krishna, Radha Krishna's walk, a dance performance by kids, a story narration of Krishna's birth, and Krishna Leela. Children were asked to wear the costume of Radha/Krishna. The children enjoyed and discussed their costumes. They did a take-home craft of flute and were happy to show it to their parents. Teachers danced and explained the importance of Teacher's Day to kids.

# TEACHERS DAY CELEBRATIONS

A good teacher can inspire hope, ignite the imagination, and instill a love of learning – Brad Henry.

It is true that teachers lay a strong foundation in an individual's life by being their guiding light in shaping one's future. The students of San Academy Kamakoti Nagar expressed their admiration and respect for them by organizing creative activities to strengthen the bond between teachers and students. They had some super fun ideas to make this day special.

The School Pupil Leader along with other student council members, with support from the Principal, encouraged other higher class students to come up with innovative ideas. The entertainment agenda hidden from the teachers showed a lot of planning. Every teacher was made to feel special. There was a live band performance with beautiful singing. Classroom scenario was dramatized in an entertaining manner which left the audience in splits. The dances performed were brilliant. Poetry recital by a student paid a special tribute to the educators.

There were games like Dumb Charades for the teachers, which was enjoyed by the students thoroughly. The ramp walk by the female and the male teachers garnered great applause. Teachers were once students too. They were coerced to revisit those days and bring forward their cherished memories, including naughty ones.

These unique incidents narrated, helped the audience to have an insight into the students' life of the decades gone by. The programmes ended with the student council giving a specialized card to all teachers.

The mood inside the classrooms was also festive. Children decorated the blackboards writing special messages for the teachers. They gifted pens, self-prepared greeting cards, book marks and chocolates to their teachers and wished all with much enthusiasm.

The afternoon session had the teachers spending quality bonding time with the team bringing out their hidden talents. At the end of the day a teacher grasped the fact that the gratitude shown by the students was an experience in itself and this inspired them to keep making an impact on a child to help in a holistic growth.

# HINDI DIWAS

हिंदी

लिखें. पढ़ें. बोलें. गर्व करें.

It was the occasion to honour the National language as Hindi Diwas turned the corner. On September 14, it was time to acknowledge the ancient, rich, and simple language of the world by cherishing Indian culture and pay respect to the Hindi language. The Hindi Department went on full throttle to draw together various programs to reinforce how learning another language other than our mother tongue could prove to be a silent blessing. Hindi Diwas was celebrated in San Academy Kamakoti Nagar by having a variety of cultural programmes with a meaningful backdrop. The lobby, school entrance, classrooms and the skating rink were decorated with colorful charts and decorative papers with details of many authors, poets and historical events, personalities and monuments. These were accompanied by muhavaras, dohas, and poems. The tiny tots from Kindergarten contributed posters, slogans and riddles. They were proud to display flash cards on swars and vyjans learnt till date. The kindergarten children started their event with a Hindi prarthana which was followed by the swar song enacted by a group of children. The children also recited Hindi rhymes, riddles, stories and slogans.

The primary and secondary children were not far behind in their show. Having started the programme with 'Humko Mann ki Shakthi Dena' it was a kaleidoscope of multitude of events which made a very interesting afternoon. The agenda included a meera bhajan, recital of poems and a couple of sparkling dances. The audience was transported to a train and they experienced a fascinating journey with a myriad kinds of people, their escapades presented in a very humorous form. What really had the audience in splits was the debate "Is Homework essential in a School Curriculum". The points thrown between the two teams had the listeners extremely amused and had them laugh uproariously. Before the programme concluded a Hindi teacher read out a meaningful anecdote in Hindi. Principal Mrs. Ganga Natarajan gave a small speech in the language and the entire department conveyed their heartfelt thanks to all those who had taken the time to be a part of the celebration. It was indeed an enriching celebration of the Hindi Diwas that inspired our children to take pride in Hindi Language.

हिन्दी दिवस  
की हार्दिक शुभकामनाएँ

# NASA EDUCATIONAL TOUR

## AN UNFORGETTABLE LEARNING EXPERIENCE IN THE LAND OF OPPORTUNITY!

Imagine exploring the wonders of NASA, experiencing the magic of Disney World, immersing yourself in the vibrant culture of Miami, and relaxing on the beautiful Miami Beach. SAN Academy Group of Schools presents an incredible opportunity for students in classes VI to XII to embark on a 7-day International Educational Tour to USA/NASA. This once-in-a-lifetime journey will open doors to new knowledge, expand horizons, and create lasting memories. Students will have exclusive access to NASA facilities, where they can witness groundbreaking space technologies and interact with top scientists. They will also enjoy thrilling rides at Disney World while exploring the magic behind their favourite characters. Additionally, visiting the University of Miami will offer a taste of higher education possibilities while indulging in some retail therapy during shopping sessions. SAN Academy Group of Schools provides a solution through its USA NASA educational tour 2023. By immersing students in a new environment, they gain a fresh perspective on their homeland. They learn to see things in a holistic way and develop the ability to think critically about global issues. This enriching experience will benefit them not only academically but also personally, opening doors to new possibilities.

An orientation session regarding the NASA educational tour was conducted on 23.09.2023 (Saturday) at our San Academy Kamakoti Nagar campus.

# WORLD TOURISM DAY

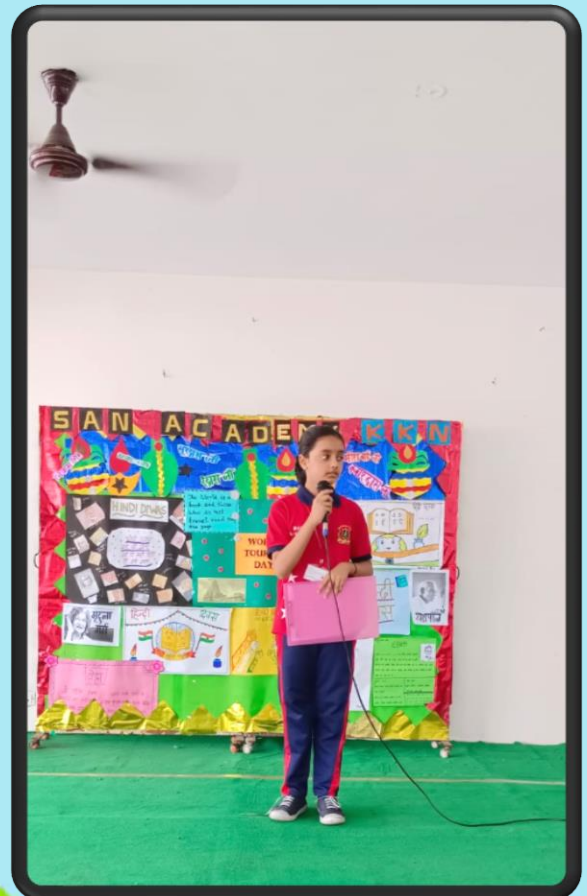

World Tourism Day 2023 is observed on 27 September globally. This day is celebrated every year to focus on promoting tourism in various parts of the world. It was initiated by the United Nations World Tourism Organisation (UNWTO). It is celebrated to promote tourism and understand its importance. World Tourism Day aims to make people understand the joy of exploring the world. It is an extremely important event. World Tourism Day intends to raise awareness about the significance of tourism in affecting the social, political, economic and cultural values of the international community. It is important to note that tourism plays a significant role in improving a nation's economy and enhancing its image. World Tourism Day is important because it helps to promote the advantages of tourism.

# WORLD RIVERS DAY

World Rivers Day takes place on the fourth Sunday in September each year and this year it will be marked on September 24. World Rivers Day serves as a reminder of the critical role that rivers play in our environment and in sustaining life on Earth along with promoting collaboration among governments, environmental organisations, community groups and individuals to work together in protecting and restoring rivers. The day encourages people to take responsibility for the health and preservation of these vital waterways, which are essential for ecosystems, communities and economies around the world. This day is used to educate the public about the value of rivers, their ecosystems and the role they play in providing clean water, supporting biodiversity and sustaining human life hence, many events are organised worldwide where volunteers come together to clean up riverbanks, remove trash and debris and restore the natural habitat along rivers to celebrate World River Day.

# INTERNATIONAL DAY OF PEACE

The International Day of Peace reaffirms the UN's commitment to peace and conflict resolution. It serves as a call for individuals, communities, and nations to work collaboratively towards a more peaceful and just world. True peace, as recognized by the UN, extends beyond the absence of violence and encompasses the creation of societies where all members can flourish. The theme of this year's youth event, "Actions for Peace: Our Ambition for the Global Goals, is a call to action that recognizes the urgent need for individual and collective responsibility to foster peace". We invite you to join the efforts of the United Nations as we work towards a world free of racism and racial discrimination. A world where compassion and empathy overcome suspicion and hatred. A world that we can truly be proud of.
