**CCA SCHEDULE FOR MAY 2020**

Dear Parents  
Greetings to all!!!

We hope all of you and your families are safe and healthy. We have been trying to fruitfully engage children with online classes for all subjects. We thank all parents who have given us very positive feedback which is very motivating and encouraging for all of us. Teachers have put in immense effort to make the online classes effective and interesting for children inspite of limited resources.

As an extension of this we want to actively engage children into all Co-curricular activities to keep them physically fit and mentally strong. We are sharing Youtube links for all the activities and we request Parents to encourage their ward to watch these videos as per the given schedule so that children can practice all activities in a systematic way.

We are also sharing Youtube videos for Art, PT, Value Education, Personality development and Special Guest lectures for students and Parents which are exclusively made for the San family. We are sure children will enjoy these sessions too along with parents.
