

## **SAN ACADEMY GROUP OF SCHOOLS**

**Narayanapuram Pallikaranai**

Dear Parent,

Greetings from San Academy!!!

We are pleased to inform you that the process of teaching and learning through the online platform is thriving well for the classes I to X and XII. Our teachers are putting in their best efforts to remain connected with our children and keep them engaged and focussed. We have received appreciation from many of you, and it is indeed a matter of pride for us that the students are benefitting from these classes.

In continuation with the online teaching we have planned Home Learning Schedule for the benefit of our students, which have to be practiced at home from May 11th 2020 – May 22nd 2020.

Furthermore, our Youtube videos serve the better pedagogical experience. These in turn engage the students towards the learning concepts in the remote environment that very well complements the online sessions.

Notes of Lesson and worksheets/home assignments for the chapters which were completed will be shared through the e-content. Students are expected to learn all the concepts thoroughly which were taught during online classes from textbook and notes of lesson. We hereby request you to supervise your wards at home and ensure that they are revising the chapters taught and are completing their respective home assignments/worksheets etc. in the time scheduled. Completed assignments/ worksheets (**if applicable**) will be collected on a stipulated date after the school reopens.

Thanks for your kindest support and cooperation.

Regards,

San Academy

Note: Do repeated practice of alphabets and numbers.
