**Circular - Regarding Home and Online Teaching Program**

Dear Parents,

We are reaching to you through this circular with the explanatory note on our new venture of online teaching and learning Program. This note will help you to understand and plan the e- learning process that are to be scheduled in forth coming days.

Below are the points of information:

- ✓ Portions assigned for the online learning sessions, for subjects will be shared through the e-content.
- ✓ To enable and help towards better understanding, the scanned pdf contents of the assigned portions for the subjects will be shared.
- ✓ The video teaching sessions presented by the teachers for the portions for the relevant subjects with their sub topics will be shared as a link through the e-content. Parents are instructed to download the same, and help their ward to view on the slots scheduled in the time table or can be viewed in prior, in their own convenient time.
- ✓ The time table with the subject and time slots for video teaching session (through the link sent in prior) and the face time, through the ZOOM app for the specified subjects will be posted.
- ✓ The ZOOM app online scheduled meeting with date and time to join the host subject teacher for a live chat in the form of link will be shared few days in prior to you. This will enable you to pre plan your necessities accordingly.

As we all understand that nothing fully replaces what is done in class rooms. On the other hand accepting the new method of learning will make oneself adapt to the changes and needs.

Our team works with a plan to reach the students to assist them in all possible ways. Expecting your support towards this initiative.
