

SAN ACADEMY GROUP OF SCHOOLS
VELACHERY/PALLIKARANAI/KAMAKOTI NAGAR/TAMBARAM

Dear Parent,

Greetings from San Academy!!!

We hope that you and your family are in good health at this pandemic Covid – 19 situation.

We at SAN are working to our extreme to provide the best education and learning even in this challenging time by online classes. And we are optimistic that the classes bridge the gap between the students and the teachers. As the online classes are shaping up well, it is more important to conduct the assessment test to know the children's observation ability. Since it's new to one and all.

So we have intended to conduct assessment test through online using GOOGLE FORM ASSESSMENT SHEET, a link will be shared to your e mail. Kindly click the link, it will take you to the browser page. Fill up your information such as name and section, and then the page will contain of 20 multiple choice questions. We would like you to guide the children to answer the right choice for all the questions. Once answering all the questions submit the sheet. Automated evaluation will be done and the marks of the child will be immediately intimated to you. We hope the assessment will be user friendly to handle. (Thanks for the cooperation)

Thanking you

With regards,

San academy

*You will get this assessment sheet, in this you have to type your name and select the section

SAN ACADEMY
