

SAN ACADEMY GROUP OF SCHOOLS, PALLIKARANAI

“KEEP REACHING FOR THE STARS”

PROJECT DAY CIRCULAR 2023 – 2024
CLASS III - V

Dear Parent,

Warm greetings from San Academy, Pallikaranai!

“Exploration is curiosity put into action!”

-Don Walsh

Welcome to the project day of San Academy Pallikaranai where students showcase their creativity under the theme “Exploria.” This project day is a celebration of exploration and discovery for students of grade 3 to 5. Exploria invites young minds to delve into a diverse range of topics across various subjects. Through self-guided and group exploration, students will discover the intricacies of their chosen themes, fostering a deep understanding of concepts. This immersive experience encourages hands-on learning, creativity, and collaboration. Let the journey begin as students embark on a quest of exploration, unlocking the doors to knowledge and igniting a passion for learning. Get ready to discover the wonders of Exploria!

Project learning is an engaging and fun way of learning. It motivates the child to gain hands-on experience, which he/she can relate to real-life experiences. Project-based learning at school cultivates confidence, fosters interaction with peers and teachers, nurtures creative thinking, and enhances problem-solving skills among students.

EVENT- **ANNUAL PROJECT DAY– 2023 - 2024**

THEME – **EXPLORIA - KNOWLEDGE QUEST**

CLASS	DATE	SLOT TIMINGS
III - V	5 th January 2024	Slot 1 – 9.00am -10:30 am Slot 2 –10.45 am–12:15 pm Slot 3 – 1.00 pm-2:30 pm
	6 th January 2024	Slot 1 – 9.00am -10:30 am Slot 2 –10.45 am–12:15 pm

The project topics for the respective subjects

ENGLISH -Tenses

Tenses provide clarity, allowing effective communication of events in relation to time. This aids in better communication and confidence while speaking the language.

MATHS–Math O Brain

Math is just not about numbers. Students learn to connect concepts of fractions and money to daily lives.

EVS–Organ System and its functioning

Health takes a newer meaning and students learn about their body and how to nourish it.

SST –Meteorology and Eco-friendly Earth

Students now know the importance of planet Earth and follow the 5 "R"s to save our planet and prevent global warming.

HINDI – "India and its Cultural Heritage “Students are exposed to our indigenous art forms, helping them to realize their value in life.

TAMIL- "Thirukkural"

Students are introduced to the wise words of Deiva Pulavar and they learn life lessons from it.
