

**PROJECT DAY CIRCULAR 2023-2024  
CLASS IX – XII**

***“ Illuminating young minds to shape a world of global harmony and sustainable progress. ”***

**Dear Parent,**

**Greetings from San Academy!**

We are excited to announce the upcoming Project Day for students of Classes IX to XII, scheduled for January 5, 2024, and 6, 2024.

The theme of this project day, "Exploria G – 20," has been carefully chosen to immerse our students in the dynamics of the Group of 20, an intergovernmental forum encompassing 19 sovereign nations, the European Union (EU), and the African Union (AU). By exploring this theme, we aim to provide our students with a profound understanding of the interconnectedness of the global economy and the significance of collaborative efforts in addressing complex challenges.

Participating in the Exploria G20 Project Day offers our students a unique opportunity to develop essential skills. Through in-depth research, creative expression, and thoughtful analysis, they will gain insights into the real-world implications of global policies. This initiative aligns with our commitment to a comprehensive education that goes beyond textbooks, fostering critical thinking, research skills, and a sense of global citizenship.

We at SAN believe that immersing students in the theme of Exploria G20 will not only enrich their academic experience but also instill in them a broader perspective on international relations. Your support and encouragement in this endeavor are invaluable, and we look forward to your presence on the Project Day as we witness the impressive contributions of our budding scholars.

**DATE: Friday 05.01.2024 and Saturday 06.01.2024**

**Guidelines to prepare for the project presentation:**

1. The teachers will allocate one activity for each student with the topics to proceed with the specific skill. Students to prepare the presentation based on the topic.
2. The class teacher will guide the student to understand the project topic/sub-topic.
3. Project worksheets, charts will be done during the classes with the guidance of the teachers.
4. Students will execute their presentation as per the project day's slot. Student's time slot will be shared shortly.
5. January 5, 2024 – Timing: 8.30 am to 4.30 pm, January 6, 2024 – Timing: 8.30 am to 2.00 pm . Time slots and activity allotment will be shared shortly.
6. Kindly send sufficient snacks, lunch and water. Your ward should come in regular school uniform or as specified by the teacher.
7. The School van will ply on January 5 and 6, 2024.
8. Kindly avoid using plastic material and polystyrene in project models. We solicit parent's involvement and cooperation in this regard as “together” we can make a big difference in the development of your child.

**Regards,  
San Academy,  
Pallikaranai**
