**PROJECT DAY CIRCULAR 2023–2024  
CLASS VI- VIII**

Dear Parent,

Warm greetings from San Academy, Pallikaranai!

***“Exploration is curiosity put into action!”***

- Don Walsh

Welcome to the Project Day of San Academy Pallikaranai where students showcase their explorations under the theme – **EXPLORIA**, where curiosity meets knowledge! The project day is a celebration of exploration and discovery for students of grade 6 to 8. **EXPLORIA** invites young minds to delve into a diverse range of topics across various subjects. Through self-guided and group exploration, the students will unfold the intricacies of their chosen themes, fostering a deep understanding of the concepts. This kind of experience encourages hands-on learning, creativity, and collaboration. Let the journey begin as the students embark on a quest of exploration, unlocking the doors towards knowledge and igniting a passion for learning. Get ready to discover the wonders of **EXPLORIA**!

Project learning is an engaging and fun way of gaining knowledge. It motivates the student to gain hands- on experience, which he/she can relate to the real-life scenarios. This kind of learning develops confidence, interaction with fellow students and the teachers. It enhances their communication and presentation skills.
