GOLU CONTEST

04.10.2022

Navratri is one of the most important Hindu festival observed in honour of Goddess Durga. It spans over nine nights and 10 days. It depicts the triumph of Good over evil by Goddess Durga. Display of Golu plays a major role , in Navratri. The beautiful array of Golu dolls highlights the festive decor , at one's home. Golu is kept ,to tell the importance of Sanatana Dharma , to experience the joy of giving and to increase one's social bonding with friends and family.

We at San Academy, Pallikaranai had"Golu Display".The Golu invite was also shared with parents through Google form. Parents were also encouraged to submit their "GOLU @HOME" Photographs along with the child, in the same form. Not only this, among the participants,winners were selected. The first prize entrant received Rs 3000/-, second prize entrant received Rs 2000/- , and the third prize entrant received Rs 1000/- worth gift hampers.

This is the first time ever, San Academy, Pallikaranai is conducting Golu competition, thus becoming the pioneer of such contest. This made the festival Navratri into a Dhamaka Navratri, in the process making all the parents and students of San Academy much happier.

AYUDHA POOJA CELEBRATION

03.10.2022

Ayudha Pooja is considered a meaningful custom, which focuses specific attention to one's profession and its related tools and connotes that a divine force is working behind it to perform well and for getting the proper reward.

On 3rd Oct 2022, Ayudha Pooja and Vijayadashami Poojas were celebrated in our **San Academy, Pallikaranai** school premises with our magnanimous Management director, Principal and staff members.

Poojas were offered to transport vehicles and school premises that connote a divine force which works behind to perform well and for getting the proper reward for the student and for the entire school.

Goddesses Saraswathi and Durga were worshipped by offering puffed rice, fruits and sweets to celebrate good over evil. Puffed rice and sweets were distributed to all. On that auspicious day the new admissions also took place.

NO BAG DAY

8.10.2022

Students of standards 1 and 2 had 'No Bag Day' on 08.10.2022. They participated with enthusiasm in Fun Cooking and made Apple Car with apples & carrots. The activity Dance-o-mania, was a total hit with the little ones, they danced their heart out for foot tapping numbers . Not only this, Students enriched their reading skills in Tamil&Hindi and learnt to solve math puzzles with our very own ancient way teaching Mathematics by Vedic Maths. The students intently listened to the story told by the teacher using the puppets.Theyalso learnt how to modulate their voice and enact as a puppet. Our little sanities not only enjoyed but also learnt many things on NO BAG DAY'.

Students of Class III - V, took part actively and enjoyed a lot of fun cooking activities. Fruits play a vital role in our health. To boost interest in eating fruits and to make aware of the importance of fruits this activity was conducted. Students made colorful 'Fruitikka' with a variety of cut fruits and relished it.

Dance Mania

Dance is the best way to keep us fit and healthy physically and mentally. Students amused themselves by dancing to random dance numbers.

Clay Modelling

It is this activity that gives the students an opportunity to learn while playing. Students made different creative models out of colorful clay.

SAM SAMURAI

8.9.2022 & 9.9.2022

SPORTS IS A PRESERVER OF HEALTH

Sports are a crucial part of a student's growth and development. They help in the development of mental health and physical fitness. Through participation in sports and games, a student gains various skills, experience and confidence that are helpful for developing their personality. Sports not only reduces stress but also lead to improved creativity and better concentration power among students which is automatically reflected in their academic performance.

SAN group of schools t organized SAN SAMURAI an INTER-SCHOOL SPORTS EVENT on 8th and 9th of October 2022 at Jawaharlal Nehru stadium, Raja Muthaih Road, Periyamet, Chennai-600003, as celebrating 15 years of imparting Education.

Mr. Siva V Meyyanathan, Minister for Environment and Climate Change and Youth welfare and Sports Development was the chiefguest who did the honours in the grand opening of the event on 8th October 2022 at 8.00am and Mr. W.I. DAVARAM, IPS, Director general of police (Rtd) President of Tamilnadu State Athletic Association and Guest of Honour, Mr. Dr. PANDIAN, IRS Additional Commissioner of Income Tax, Chennai to do the honours for the Valedictory function on 9th October 2022 at 3.00 pm.

"Paint & Decorate"

All Children enthusiastically participated in the club activity. The rainbow pattern was created through the colorful painting done by artists of grade 1. The children had so much fun using acrylic paint. It enriched their fine motor skills and hand-eye coordination. Their work was appreciated and it was fabulous. Overall the activity triggered the creative aspect of all our little artists.

"Stamping with veggies"

Students of class II enthusiastically participated in the club activity. They had fun with the paintings! They showcased their marvelous creative skill in stamping, by making use of a variety of vegetables and the results were spectacular art forms. This activity helped to bring out the uniqueness, in each child .

11.10.22

Anaglyph making:

Creating art is a fine way for children to make choices on their own and to make a decision: what colour to use, how to make a drawing, what size to make something. With every choice and decision they make, their imagination takes a step further. Creative arts turn the children's visual manifestations to reality. Students of class III to V made a 3D portrait of their own choice like numbers, alphabets etc., using crushed crepe papers. This activity was very much welcomed among the students as it gave them a sense of achievement and boosted their confidence. Students also learnt how to accomplish a task by 'Trial and error' by working and trying again and again. It also gave them a sense of pride.

12.10.22

NATURAL COLLAGE & TIE-DYE:

San Academy has organized a Creative Arts Club Activity called Natural Collage, Teachers helped the students of VI - VIII to enhance their work.

The motive of this activity is to throw light on each student's potential and inherent talent. Students had fun-filled moments through this activity. Hats off to all SANities who participated in this event!!

Teachers of Class IX and X guided the students to discover and create their own understanding. Besides academics, co-scholastic activities form an integral part of the school curriculum. This aspect includes wide range of co-curricular activities. On 12.10.22, under the club activity TIE AND DYE activity was conducted where students showed their creativity colourful patterns and dyeing techniques.

FIELD TRIP

10.10.2022

TAMED PET SHOP

Pets are great companions, for young and old. They are like family members who fulfill our need for affection and attention. Pets help children learn day-to-day things and also help to develop their sense of responsibility since they need to be taken care of constantly. Our children made a visit to the pet store to see different kinds of pets which would help enhance their knowledge and learning further. Research says that children who have pet animals have more empathy towards others and higher self-esteem. Pets also help children to reduce their anxiety, tediousness and fear and to develop a better capacity to integrate and to be more focused in school. Children enjoyed in the pet shop by watching them, touching them, handling them, caring for them, and learning about them. Many different animals can become pets. Children learnt that all pets need love, care, food, and shelter. Pets also introduce children to the life cycle in a relevant and meaningful way.

PSYCHOLOGY CASE PROFILING

Resource person: **Sathya Anand**

13.10.2022

San Academy Pallikaranai arranged a visit to Montfort Matriculation Higher Secondary School located in St. Thomas Mount for grade XII Psychology Students to do case profiling for their internal assessment. Psychology Students were able to meet and interact with a few special children and had a great experience with those children and their faculties.
