SPECIAL ASSEMBLY

1.9.2022

National Nutrition Day

Nutrition is a critical part of health and development. Better nutrition is related to the improved infant, child, and maternal health, stronger immune systems, safer pregnancy and childbirth, lower risk of non-communicable diseases (such as diabetes and cardiovascular disease), and longevity. Healthy children learn better

"Students of Class 4th A participated in the special assembly conducted on 1st September 2022 about **NATIONAL NUTRITION DAY** which is globally observed on 1ST SEPTEMBER of every year.

Students with great enthusiasm prepared charts displaying the theme and each participant gave a speech.

The assembly started with Thamizh thai vazhthu.

Students also prepared vibrant charts and informative speech regarding six classification of Nutrition and How important the nutrients are for the growing children.

The assembly was concluded with the National Anthem."

WOMEN EQUALITY DAY

2.9.2022

The assembly was about the importance of women in our life and why the women hood has to be celebrated.

These thoughts were showcased through speech by class 9 C students.

The assembly was concluded with insisting on women cerebral equality.

Human rights are women's rights, Women rights are human rights

INTERNATIONAL DAY FOR THE PRESERVATION OF OZONE LAYER

16.09.2022

Special Assembly on the occasion of International Day For the Preservation of Ozone Layer was presented by the students of class 11A on 16/09/22. It was mastered by Shasrita and Tanushree and began with a rendition of the Tamil Thai vazhthu. The news was read by Pradeepa and Hridiya. A speech on Global Cooperation Protecting Life on Earth was given by Sreya and Deepika. The students portrayed the importance of protecting the Ozone Layer and preventing its depletion in the form of a skit, which involved a creative conversation between the sun and the ozone layer. The audience got to see how Earth would be if the depletion of the ozone layer continues rapidly. This was followed by prize distribution for the August month Intra competition and the star of the month. The students took a pledge, headed by Gayathri devi, to protect the Ozone Layer which is as follows " We shall make all efforts to restrict and control the emission of Ozone Depleting substances, and protect all forms of life on Earth.

We pledge to protect the Ozone Layer for a better tomorrow." The assembly came to a conclusion with the National Anthem.

CAR FREE DAY

22.09.2022

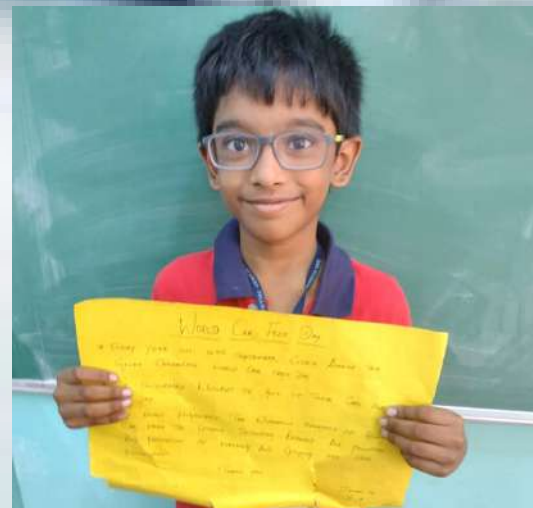

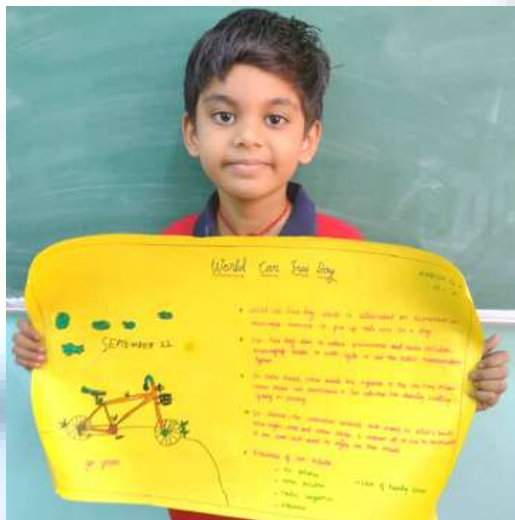

Assembly is conducted on 22/9/22 for Class 3 A on the topic "World car-free day". Assembly started with the prayer Tamizh thai vazhthu.

Kids are enthusiastic to speak a few lines about the importance of car free day .

Kids explained that world car free day is celebrated to encourage motorists to give up their cars for a day.

Kids expressed their views on pollution and how to reduce pollution through speech and poster making.

Kids also explained that its a great opportunity for all by giving up their cars for a day as it reduces pollution and also promotes walking and cycling along with a safer environment as its benefits. Assembly ended by national anthem.

WORLD SIGN LANGUAGE DAY

23.09.2022

The students of class XI B presented the assembly on 'International Sign Language Day'. The program started with the prayer to the almighty followed by a speech on the topic 'Technology for deaf people to lead a normal life'. The students were given an in-depth details about the technological advancement that are useful for the hearing impaired people. It was followed by a demonstration of some basic sign language that would be useful to interact with the hearing impaired people. The program concluded with NEWS and national anthem.

The audience were able to understand the need and importance of learning basic sign language that would be useful when they interact with the hearing impaired people

WORLD TOURISM DAY

27.09.2022

Students of class IC presented the assembly on 27.09.2022. The topic was 'World Tourism Day'.

Started the assembly with Tamil Thai Vazhthu. It was followed by speech on 'My favourite tour with my family' with the colourful chart and the precautionary measures was given on 'How to be more responsible from your next tour'. The speech was informative.

Then, sang birthday song for the students who celebrated their birthday. The assembly was ended with National Anthem.

TEACHER'S DAY CELEBRATION

5.9.2022

Like every year, this year also San Academy, Pallikaranai, celebrated Teachers' Day on September 5 with fervor and zeal. The event was organised to acknowledge the dedication and hard work of the teachers.

It was held in the school ground, beautifully decorated with flowers, balloons, and festoons.

Students expressed their gratitude, regard, and respect towards their teachers on that day.

They presented various cultural activities like speeches, poems, dances, skit and songs to express their thanks, love & respect.

The activities of the students were appreciated by all the teachers. The Principal gave a speech on Dr. Radhakrishnan and the role of teachers in shaping the society. The celebration did not stop there, the school management also organized the fun games and programmes for the teachers followed by the High Tea.

Each and every teacher was given the memento as a token of gratitude from the school management.

The event was concluded with a formal vote of thanks.

The special assembly - Teacher's day was conducted on 05/09/22 by Class VI to VIII students. The students actively participated and gave wonderful speech and facts on teachers day.

Students prepared a handmade bouquet and handed over to Principal Mam.

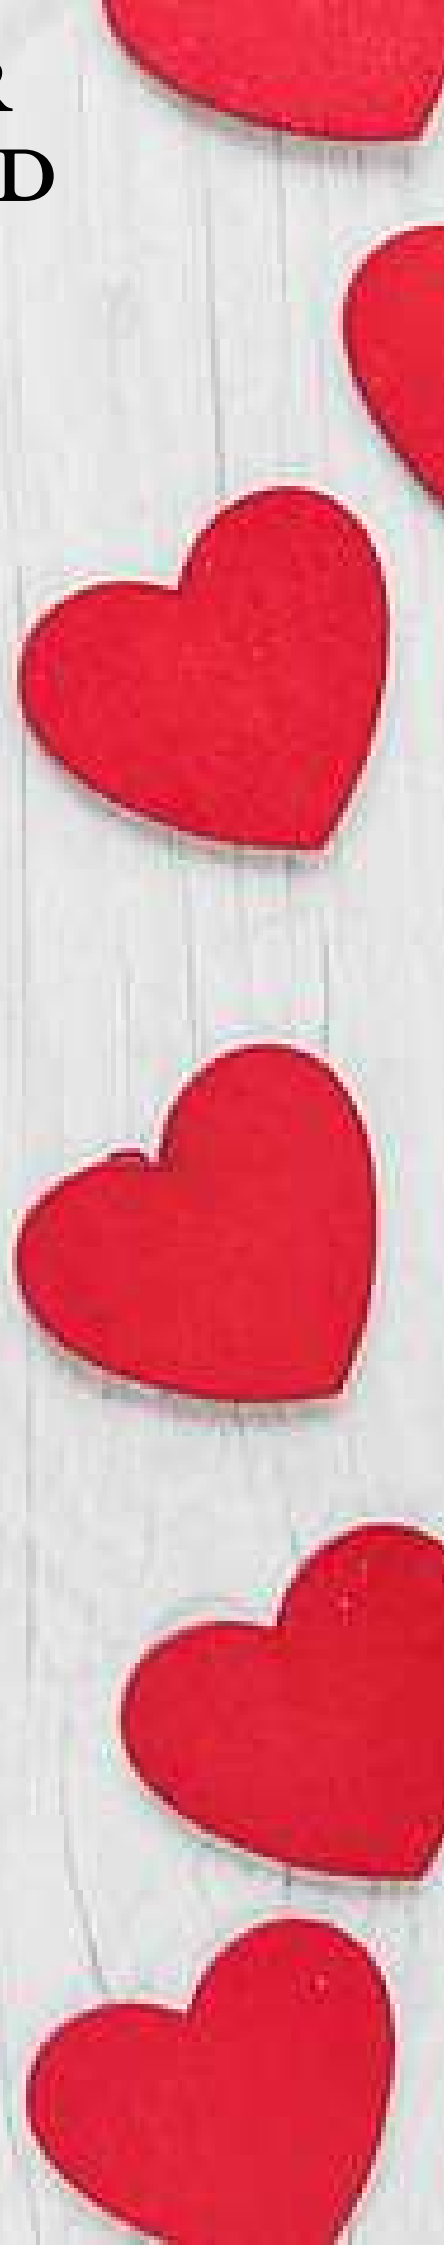

Every students wished the teachers.

TOKEN OF LOVE FROM OUR SANITES TO THEIR BELOVED TEACHERS ON THEIR SPECIAL DAY:

EVS CULMINATING ACTIVITY

6.9.2022

We all believe that school is a place which provides education to the children. It provides students with an opportunity to learn new things in many ways which helps them in their entire lives.

In this view, our school believes in the fact that every child has a different learning style and pace, each child is unique on to only capable of learning but also capable of succeeding.

Environmental Science is an interesting and fun-loving subject for the students. To make the kids understand the EVS concepts thoroughly, we have adopted different ways of teaching, learning methods.

Based on the topics teachers have adopted different ways of imparting knowledge to kids like having videos, playing interactive games and conducting experiments.

CULMINATING ACTIVITY: Class 1, Culminating activity provides students with the opportunity to synthesize knowledge and experience gained throughout their learning process.

As the subject EVS is not evaluated under formal assessment we have planned to give an opportunity for the kids to participate in the culminating activity to showcase their learning outcome of EVS subject at the end of each term.

This activity will help the students to bring out self – reflection of their learning and understanding of the subject.

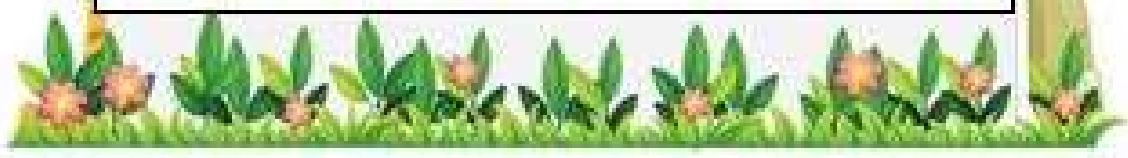

The students will be presenting their topic according to the given time slot.

Dear Parents,
It is our absolute pleasure to invite you all to visit our Term I "EVS culminating activity" on **TUESDAY, 6th SEPTEMBER 2022**. Our students of „Grade I are eagerly waiting to show you all the fruit of their relentless learning and practice. Kindly enlighten the event with your gracious presence. Please find the event details given below.

CBSE SESSION ON FINANCIAL LITERACY

7.9.2022

Chief Guest: Sanil kumar

120 plus teachers from the hub school which were Narayana e Techno, Sairam Vidyalaya and New Prince shri Bhawans including Our school which was the host school for the program.

The resource person for the program was Mr. sanil Kumar who is an NLP practitioner and Gestalt Therapist.

The workshop commenced with few questions that the resource person asked the participants like do you pay EMI, do you have loans which emphasized the importance of savings in life.

The session gave an insight about the various means and methods of savings like mutual bonds, LIC schemes, insurance, gold investments, retirement plans. The resource person also spoke about how one can plan by the age of 40 to secure one's old age.

It was definitely an eye opener for making one understand the importance of systematic investment plan. Overall it was an informative and useful session

CBSE Session On Financial Literacy

SPLASH POOL DAY

12.9.2022

Water play is an essential part of School curriculum as it helps in gross motor development, eye hand co-ordination and also helps in vocabulary development. Playing in water is like playing in a brand new playground where even the simplest activities, like clapping your hands or jumping, are a whole new sensory experience. Children can experiment without worrying about falling or crashing into hard surfaces. Water also adds resistance so water play activities work as strength training. It takes more muscle strength to move arms and legs through water then it does through air.

Water play allows children to explore and interact with each other. New experiences and discovering new things within shared spaces offer a great opportunity for social development. As children play, they will be excited to communicate their discoveries to everyone around them. This is a confidence booster for kids! Nursery kids enjoyed playing in the water with their favourite water animals, splashing water, blowing the bubbles, sponge squeezing and with water balloons. we took special care of the hygiene and safety of the kids.

MAMMALIAN JAMBOREE

13.9.2022

Cows or cattle are the most useful domestic animals. They benefit humans and the environment in many ways that we fail to recognize. Jr. Kg. kids celebrated the Mammalian Jamboree to appreciate cow. Teachers explained cows are raised as dairy animals for milk and other dairy products and as draft animals. Cow dung is also used as fuel all over the country. Cattle in India has a significant religious connotation as well. Cow, in India, provides us with the entire requirement for our farming activities in Agriculture. It helps us in the transportation of our goods and works in our agricultural lands. It gives us medicine; it saves the crop from pests, insects, and fungi. In many rural areas, the cow is also kept as a pet providing benefits.

There was a display of cow products and by-products such as milk, butter, cheese, ghee, buttermilk, etc

The benefits of Cow milk and ghee was briefed as Ghee helps in the growth and development of Children's brain, Boosts up the immune system. Kids sang the rhyme Old mac Donald rhyme and crafted cow crafts.

ROBOTICS WORKSHOP

13.9.2022

The students of class XI B were taken to a one-day hands-on training on Robotics at KCG College Of Technology, Chennai. The workshop started at 9:40 am with a brief introduction to Robotics. Students were split into two groups and then had a theory session on the different types of robots, components, and programming. After the lunch break, the students of class XI were divided into smaller groups of 4-5 and student-mentors from the department of Mechatronics guided them in assembling a model robot, robot interfacing, and programming. They were then programmed for various tasks like Line follower and Obstacle avoider. The workshop came to conclusion by 3:15 pm with a photograph session.

The students learned about the basics of robotics and got hands-on experience.

TRADITIONAL SPORTS DAY

14.9.2022

Playing games has always been an exciting part of growing up for us all. We recollect with happiness our childhood games and gadget free days. Sports is a great way to make friends and be healthy as well. Indian traditional games like – Kho-Kho, Kabaddi, Langadi (one-leg hopping), Skipping, and many more don't require expensive equipment to play, nor does it require any uniform or specific shoes and accessories, all that is required is people to play with and space to play in. Playing conventional games have always brought kids together encouraging teamwork and social interaction. By playing Indian traditional games, children can connect with their heritage through sports and this has a deep lifelong positive impact on them. Traditional Indian games are extension of Yoga in a practical form. San Academy Sr. Kg. kids involved themselves playing various traditional games kabaddi, pallanguzhi, 5 stones, thayam, hopscotch. No wonder sports bridge all gaps pulling people and connecting them emotionally. Teachers insisted that Playing traditional games as a family brings the family closer, and the bond stronger. Children who have strong family relationships fare well at all other aspects of life as well.

POCSO AWARENESS PROGRAM FOR SUPPORT STAFFS

13.9.2022

The POCSO Act Awareness to the Support staff was conducted on 13th September 2022 Wednesday at 9 am. Bus drivers, conductors, and housekeeping attendants all attended the workshop. San Academy Pallikaranai believes that the support staffs are the first and primary people accountable for the student's safety and security. So it is mandatory to create awareness for the support staff to be alert.

The support staff attended the workshop enthusiastically and took an oath to act vigilantly. The workshop ended with oath-taking to curb abusive and offensive acts toward any child.

No time limit for reporting abuse, Maintaining Confidentiality of the Victim's Identity.

STAFF PROFESSIONAL DEVELOPMENT WORKSHOP

17/09/2022

RESOURCE PERSON - MR. D P SIVASAKTHI - PRINCIPAL- KRM PUBLIC SCHOOL - PERUMBUR

The program commenced with a welcome speech and the resource person's introduction.

The workshop gave interesting insights into how a teacher can plan and teach her subject efficiently.

The participants learned on. How a teacher can be a mentor, coach, facilitator, guide, and a great teacher.

The resource person explained various famous proverbs.

Conducting several activities based on Bloom's Taxonomy.

Overall it was an enlightening and excellent session.

HINDI DIWAS

21.9.2022

Hindi diwas is celebrated every year on the 14th of September to Mark the acceptance of the Hindi language by the consistent assembly on September 14th, 1949. Hindi diwas remind us of our true identity and unite the people of the country. The day invokes a sense of patriotism, amongst us.

Students of class Nursery to 5 participated in various events like dancing for Jai Ho song, Doha(poem) recitation, singing patriotic songs like Sarae Jahan sae achcha, Hey vatan on Hindi diwas. The students thoroughly enjoyed their day . Hindi diwas emphasized importance of Hindi as language among students. As it is the official language of our country, we should all be proud to learn the language and pass on to future generations.

SHOW AND TELL

19.9.2022

To improve the communication and descriptive skills of children “Show and Tell” competition was organized for Nursery tiny tots. Children described and spoke a few lines about the object of their choice. They even managed to include a social message in their descriptions. Tiny tots participated in the competition with full zeal and enthusiasm. and explained their characteristics in an impressive manner. Through this activity there was not only an enhancement in the vocabulary of the students, but a boost of confidence also seen.

CHILDREN ABOUT MAMMALS

'Show and tell' is an important part of children's learning and development, as it helps them to organize information and builds their confidence. Keeping this in mind, a 'Show and Tell Activity' was organized for the students as enrichment activity.

The students were excited to share their descriptive narration and waited eagerly for their turn. 3D models, charts and posters prepared by the students added to the enriching atmosphere. The inspiring presentations helped them get a realistic appraisal of their skills, to discover the power of spoken words and to share knowledge

Show and tell helps the children to strengthen their oral skills. It helps to foster public speaking skills and helps children feel comfortable talking in front of their friends and a group of peers.

To hone the oratory skills and boost the confidence of our young learners, 'SHOW AND TELL ACTIVITY' was organized for the students. Our young learners prepared zealously for the assigned activity. They brought alive their unbridled imagination through their performances. Treating every child as a unique individual, the activity was organized on 21.09.2022, motivating each child to participate wholeheartedly. The main aim of the activity was to enrich the vocabulary, develop confidence and enhance communication skills.

Students learnt to express their feelings and emotions in a fun-filled and easy way, which fostered their speaking skills

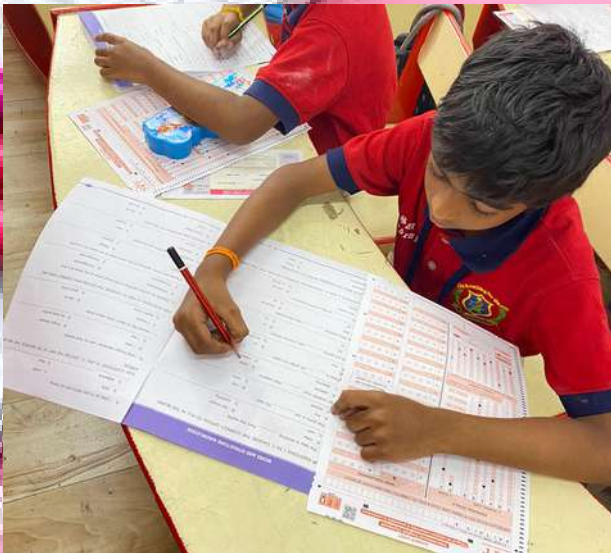

It was a delight to hear them talk about the traditional games, bat and ball game, water sports and adventure games

IEO EXAMINATION

22.9.2022

Students of San Academy, Pallikaranai from grade 1 -5 took the International English Olympiad (IEO) on 22/9/22(Thursday). The exam kindled the conscious intellectual activity of thinking and reasoning, amongst students. All the students actively took part in the examination.

BOOK FAIR

24.9.2022

Many periodical fairs are held generally on the occasion of some religious festivals. But the book fair is of recent origin. Book fair is now frequently held in schools and colleges. A book fair has been organized on the Arabian tent of our San Academy, Pallikaranai.

“There is no friend as loyal as a book”, there were more than 500 books of different journals like fiction, non-fiction, Encyclopedias, Biography, Science fiction, Literature, Novels and dictionaries. Many book-loving students along with their parents crowded there to grow up their knowledge. Books of various kinds are brought for showing and selling.

It is also a great meeting place for the book-lovers. The fair spreads the message that books are our best friends and companions that enlarge our vision and make our life more meaningful.

It saw an overwhelming response from students and parents who had come to attend the Open house. For the entire student community of the school, the week was spent browsing a wide range of books from all disciplines of education on display, however, fiction saw the greatest takers. A lucky draw was organized by the scholastic group for book lovers. The highlight of the event was the Classroom Challenge Activity that captivated the maximum readers to the book stall to grab the title for their class. The most incredible class of Readers received a hamper of books for their class library and also acknowledged with Class Certificate from Scholastic.

KARUNA INTERNATIONAL STUDENT TRAINING PROGRAM

23.9.2022

Karuna International student training program at SAN Academy, Pallikaranai on 23.9.2022 Today the karuna club international program was conducted with great pomp in the fervor of favorance and compassion. The president of karuna international Sajjan Singh Jain inaugurated the training program by lighting the lamp and spoke about the roles and responsibilities of the student community for this universe and the goals of the karuna club. The speaker of the day Ms.Lakshmi neelakantan eminent educationist rocked the show with her wonderful session on the topic "We are the world", focusing on love, affection, reverence and compassion. Mr.Ramamurugesh gave a session on "environmental protection", he focused on No to plastic, reduce, reuse, recycle, refuse, he highlighted about love towards animals and plants - the whole universe. The program ended with Karuna pledge taken by the student delicates of Class 8, San academy, Pallikaranai.

NAVARATRI CELEBRATION

27.9.2022

Navratri', is one of the major and important festival celebrated to worship the Goddess 'Durga'. The festival of Navratri is celebrated in many different ways in India and in various regions. For many people it is a time of religious reflection wherein people are seen fasting, whereas for others it is a time for dancing and feasting.

The young learners of San Academy Kindergarten wing celebrated this festival in a very joyful manner and enjoyed every moment . The kids were dressed in the colorful ethnic attire. The celebration started by offering prayers to Goddess Navdurga and seeking blessings to protect everyone from evil.

Students were told about the importance of nine days of Navratri. The little girls, incarnated and attired in the Navdurga, added to the religious mood. The mesmerizing dance was divine. The shloka chanting by kids was ineffable and marvelous. The live gollu with cute kids instead of dolls was stunning to the eyes of the spectators.

The essence of the festivity was truly felt and celebrated by all in the true spirit of oneness.

AWARDS, ACCOLADES AND APPRECIATIONS
