To ensure the success of any school function, the support of the parents is a very valuable component.

Please do consider the following instructions and continue to extend your whole hearted support to your child and the school:

- The parents are requested to be seated **half an hour** before the start of the programme on the day of the function so that the function can start on time
- During the programme, the parents are requested not to approach their ward or the teacher incharge.
- We request you not to get up from your seats during any performance as it is disrespectful to our precious little performers and their efforts.
- Parents are requested **not to click photographs** as we have organized a professional photographer and furthermore, this would create a lot of disturbance.
- Participants will be handed over to the parents only after the programme i.e. after the **National Anthem**. Till then parents are requested to be seated to avoid any chaos or untoward incident. **Any request for early handing over will not be entertained.**
- Please keep your **mobile phones on 'switch off' mode** for the duration of the programme. Your child's hard work deserves your undivided attention.
- **Ensure your ward wears proper innerwear, so that they can wear their costume on top of it comfortably.**
- **Please send a back bag neatly labeled with name of the student, class and sec and the event name.**

With your cooperation alone we can make the function a grand success.

Looking forward to meet you all.

Regards,

Ms. Archana R,

Managing Director

San Academy Group of Schools.
