

Dear Parents,

Greetings from San Academy! 

"Mish Mash" is a combination of activities served together for children to enjoy and learn during classes. Club activities improve children's knowledge, skills, teamwork, creative thinking, and activate minds. They help our children build skills outside the classroom. The capabilities learnt in clubs include collaborating with other children, communicating while working together on common projects, learning to follow directions, and modeling leadership for both peers and adults.

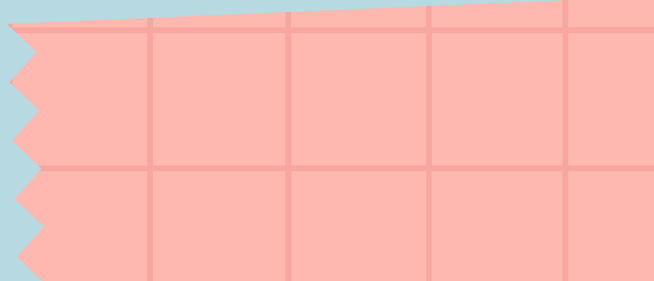

Regards

VOLUNTEERING CLUB

VOLUNTEERING CLUB

The Volunteering Club aims to instill a sense of social responsibility, empathy, and active citizenship in students. It provides a platform for students to serve their community, learn the value of giving back, and make a difference in the lives of others. The Volunteering Club helps students understand that even small acts of kindness can bring about big changes. It truly lives by the motto:

"Serve with a smile, help with a heart."
