INDEPENDENCE DAY CELEBRATION

On August 15, 2025 - San Academy School, Kamakoti Nagar, celebrated the 77th Independence Day with great fervour and patriotism at their school premises. The event showcased the students' enthusiasm and commitment to honouring India's freedom struggles.

Our national flag was hoisted by Principal Dr. Sheela, accompanied by the singing of the National Anthem. Students presented captivating patriotic songs, dances, and skits reflecting India's rich heritage and valour of freedom fighters. After that speech was addressed by the principal and senior students emphasized themes of national unity, freedom struggle legacy, and India's progress.

The school was vibrantly decorated with tricolour balloons, flags, and posters symbolizing patriotism. Also, students from various classes actively participated in competitions like patriotic singing, essay writing, and art reflecting national pride. A distinguished guest spoke on the significance of independence and responsibility towards nation-building. In addition to this Students conducted a march past showcasing discipline and patriotism. Volunteers participated in parades and pledge-taking ceremonies underscoring civic duties. The celebration instilled values of patriotism, unity, and respect for India's democratic heritage among students. It highlighted San Academy's commitment to holistic education blending academics with co-curricular activities fostering national pride. To sum up the celebrations took place at San Academy School premises, Kamakoti Nagar, Chennai, reflecting the institution's dedication to nurturing responsible citizens.

INDEPENDENCE DAY CELEBRATION

EVS CULMINATING ACTIVITY

The EVS Culminating Activity was organized with the objective of providing our students an opportunity to consolidate, showcase, and celebrate their learning from the EVS curriculum. The activity aimed to go beyond textbooks by engaging children in hands-on experiences, creative presentations, and collaborative projects that highlight the importance of environmental awareness, sustainability, and responsible citizenship.

Students of grades 1 and 2 actively participated through role plays, skits, models, charts, experiments, and storytelling sessions that reflected their understanding of various EVS concepts. The exhibits and performances not only displayed their knowledge but also nurtured critical thinking, creativity, and communication skills.

The program was designed to create a platform where children could connect classroom learning with real-life situations—such as conservation of natural resources, waste management, healthy lifestyle practices, and protecting biodiversity. Parents appreciated the enthusiasm and confidence shown by the students, while the peer-to-peer learning environment further enriched the experience.

The success of the EVS Culminating Activity stands as a testimony to the commitment of our teachers in adopting innovative pedagogy, and to our students' curiosity and dedication towards learning. We believe such activities play a vital role in nurturing environmental sensitivity among children, preparing them to become responsible and aware citizens of tomorrow.

English Everywhere – Listening & Speaking Activity

Date: 21.08.2025

Hosted by: Ms. Josely Sharon

As part of the English Everywhere initiative, Ms. Josely Sharon conducted an engaging session focused on enhancing students' listening and speaking skills. The session was filled with energy and enthusiasm, keeping the children actively involved throughout.

To develop listening skills, students participated in the classic and fun Chinese Whisper game. The game encouraged careful listening, clarity in speech, and team collaboration. It also brought a lot of laughter as messages were passed along, often ending up hilariously different from the original.

For the speaking activity, students were given the opportunity to express themselves confidently through short individual and group interactions. The activities were designed to boost their fluency and comfort in using English in everyday situations.

Overall, the session was lively and interactive, leaving the students more confident and motivated to use English beyond the classroom.

CLASS 3 TO 5

NO BAG DAY CLASS 3-5

Our recent No Bag Day was a refreshing break from routine, filled with fun and learning. Students actively participated in three engaging activities:

Reading Enhancements helped improve comprehension and communication skills while fostering a love for books through group reading and storytelling.

Fireless Cooking encouraged creativity and teamwork as students prepared simple, healthy dishes, learning about nutrition and hygiene in the process. Vexillology, the study of flags, sparked interest in history and culture.

Students enjoyed learning the meaning behind flags and designing their own. Overall, the day was a wonderful blend of creativity, knowledge, and hands-on learning!

NO BAG DAY CLASS 6-8

We are excited to share the success of our recent **No Bag Day** at school, a day dedicated to creative and experiential learning beyond the traditional classroom setting. No bag day enhances the students presence of mind and reasoning capabilities. It also enhances students reasoning and creativity skills. On this no bag day we had three sessions. Robotics, Financial Literacy and Food Processing.

Learning Robotics integrates multiple fields such as computer science, engineering, mathematics, and physics. This interdisciplinary approach helps learners see connections between different areas of study and understand how they can work together.

Financial literacy encourages students to start saving early, teaching them about the benefits of compound interest and long-term investing

Food Processing class, students explore simple ways of preparing food. It's a hands-on session to learn skills beyond textbooks!"
