GRANDPARENT DAY

GRANDPARENT DAY

Grandparents Day—a day dedicated to honoring the love, wisdom, and guidance that our grandparents so generously give us.

Grandparents are a beautiful blend of laughter, caring deeds, wonderful stories, and gentle wisdom. They are our link to the past and the guiding light for our future. Their presence is a blessing, and their experiences and life lessons shape who we are in countless ways.

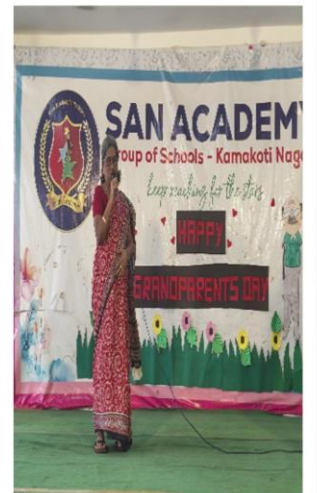

On this day, we take a moment to say thank you—for the bedtime stories, the warm hugs, the encouragement, and most importantly, for always being there. Your role in our lives is truly priceless.

As a school, we believe in nurturing strong family values, and today's celebration is a tribute to the special bond between grandparents and grandchildren. We are grateful for the love you share, the traditions you pass on, and the joy you bring into our lives.

The program started up with a prayer by our lovely children continued by lighting the lamp by grand parents. The celebration turned up with games like musical blocks, expressing self talent. We also had a photo booth for capturing the beautiful moments We hope you enjoy the performances and presentations prepared by our students, all made with love, just for you.

Once again, thank you for being here and for being such an important part of our lives.
