## A Journey of Learning Beyond Classrooms

The students of our school embarked on an educational tour to Coorg from 25th to 29th September 2025, an experience that beautifully blended learning with leisure. The tour offered students a refreshing opportunity to explore nature, culture, and heritage beyond the confines of the classroom.

The journey began with excitement as the students departed from Chennai Central by train, filled with anticipation for the adventure ahead. The itinerary covered several scenic and culturally significant destinations in and around Coorg.

At Kushal Nagar, students visited the renowned Namdroling Monastery (Golden Temple), where they witnessed the serene grandeur of Tibetan architecture and gained insights into Buddhist culture and traditions. The visit to Thalakaveri, the sacred origin of the River Cauvery, was a moment of spiritual reflection amid the tranquil hills of Brahmagiri
