Nursery Field Trip to MCC Farm – 13.10.25

Our Nursery children had a delightful day exploring the MCC Farm! The visit was filled with excitement as they watched cows, goats, turkeys, pigs, and colorful peacocks. The highlight was spotting graceful deer roaming freely in the greenery. The trip offered our tiny tots a wonderful opportunity to connect with nature and understand farm life. Their laughter and curiosity made the day truly memorable, turning learning into a joyful outdoor adventure!

Jr. KG Field Trip to the Aquarium – 16.10.25

The Jr. KG children embarked on an exciting trip to the aquarium, where their eyes sparkled with wonder! Surrounded by dazzling tanks filled with colorful fish — big and small, shiny and striped — they discovered the fascinating underwater world. Teachers guided them in identifying various fish and learning about aquatic life. This educational outing helped children appreciate marine diversity while nurturing curiosity and environmental awareness.

Sr. KG Field Trip to Guindy Children's Park – 23.10.25

Our Sr. KG students visited Guindy Children's Park, where nature came alive before their eyes. The children eagerly observed birds, deer, porcupines, and snakes, learning about animal habitats and behaviors. They explored the park with enthusiasm, asking questions and sharing observations. The trip blended fun with learning, helping our young explorers develop a love for wildlife and conservation.

Nursery – Animal Safari Day – 27.10.25

Animal Safari Day turned the classroom into a mini jungle! Children dressed as their favorite animals or wore creative animal masks. Through storytelling and interactive lessons, they learned to identify wild and domestic animals, their food, and habitats. Activities like sorting animals and decorating headgears made learning enjoyable. The event nurtured empathy, curiosity, and respect for all living creatures — a perfect blend of fun and values.

Jr. KG – Go Fish Day – 28.10.25

The *Go Fish Day* celebration took our Jr. KG students on an exciting aquatic adventure! Children learned about different types of fish and their habitats while exploring how to care for aquatic life. Teachers also emphasized avoiding plastic and keeping oceans clean. Using toy fishing rods, the children practiced “float and sink” experiments and made aquarium crafts, discovering the magic of underwater life through play and creativity.

Sr. KG – Animal Welfare Day – 29.10.25

Our Sr. KG children celebrated *Animal Welfare Day* to promote love and care for animals. They learned about the importance of protecting wildlife and helping stray animals. Dressed as their favorite animals, the little ones performed songs, dances, and parades with enthusiasm. Teachers guided them through discussions on animal needs, kindness, and compassion. The day ended with creative art activities, reinforcing empathy and responsibility towards all creatures.

Diwali Celebration – 17.10.25

The spirit of Diwali lit up our Kindergarten campus with joy and colors! Children from Nursery, Jr. KG, and Sr. KG came dressed in traditional attire and celebrated the festival of lights through stories, skits, and vibrant dances. Teachers narrated the story of Diwali, helping children understand the triumph of good over evil. The day also featured craft-making activities — diyas, lanterns, and rockets — that filled the classrooms with festive cheer. The celebration concluded with the lighting of sparklers, laughter, and happy memories, truly reflecting the joy of togetherness.

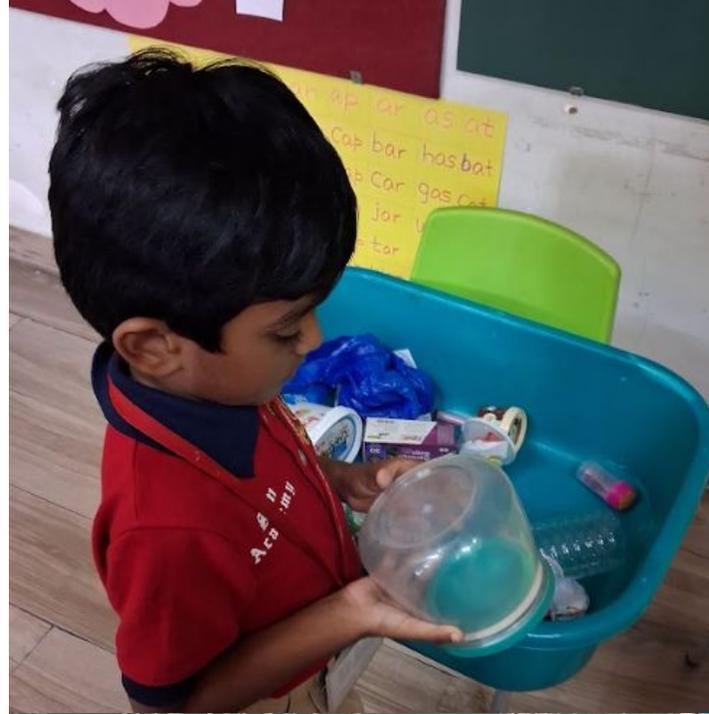

Personality Development – October 2025

This month, our young learners focused on developing essential life skills. Nursery children learned about personal hygiene and handwashing techniques. Jr. KG children practiced polite behavior, learning to say “please” and “excuse me,” and asking permission respectfully. Sr. KG children learned about maintaining correct posture and table manners. These activities encouraged independence, discipline, and social confidence among our little learners.

No Plastic Project – October 2025

Our Kindergarteners actively participated in the *No Plastic Project* to understand the importance of recycling and protecting the environment. Nursery students learned how plastic affects animals through an engaging story, while Jr. KG identified recyclable materials and symbols on packages. Sr. KG students explored ways to reduce plastic waste and reuse materials at home. The project helped children realize that small steps can make a big difference in keeping our planet clean.

Bunny Scouts – October 2025

The *Bunny Scouts* activity brought endless fun and learning! Children sang cheerful bunny rhymes and played games that taught directions like “left” and “right.” They enjoyed movement-based activities while learning about spatial awareness and coordination. The day was filled with laughter, joyful hopping, and valuable lessons on teamwork and following instructions.

Creative Group Activities – October 2025

Creativity bloomed in every classroom this month! Nursery children grouped wild and domestic animals while creating a forest scene. Jr. KG worked on *Water Wonders*, exploring aquatic life and the three states of water through art and teamwork. Sr. KG explored plant parts and classified animals as vertebrates and invertebrates through interactive activities. These sessions promoted creativity, curiosity, and collaboration among our young learners.

General Class – 31.10.25

In their General Class, children revisited October's key themes — *Marine Mania* and *Living & Non-living World* — through engaging games and experiments. Activities like float-sink, life cycle sorting, and identifying aquatic creatures made concepts easy and fun to understand. The class helped students connect learning with real-life experiences.

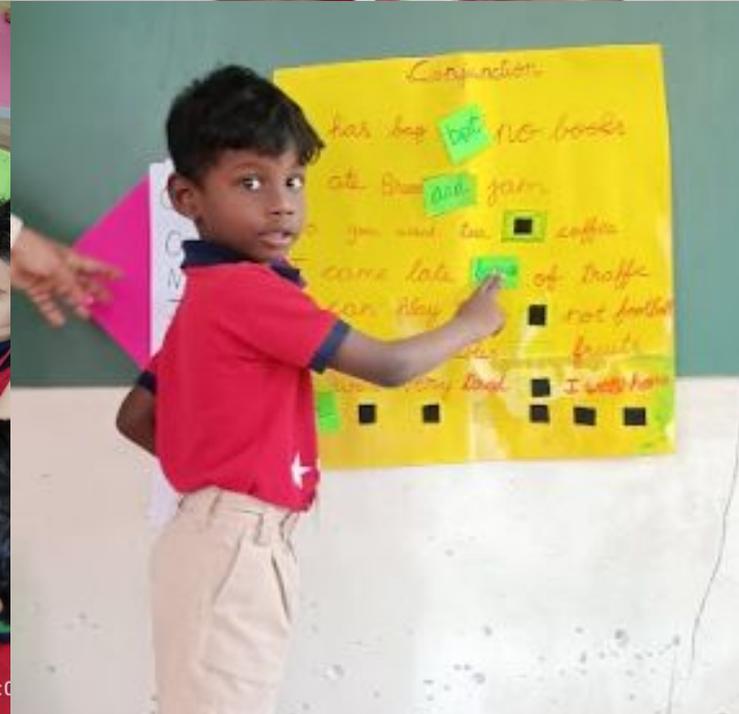

Sr. KG Assembly – October 2025

Every Tuesday, our Sr. KG students begin their day with a vibrant morning assembly. The session includes Tamil Thai Vazhthu, school prayer, meditation, Thirukural recitation, and Thought for the Day. Children showcase their talents in singing, storytelling, and the talent show. Teachers conduct creative theme-based activities, followed by a lively aerobics session. The assembly ends with birthday wishes, the National Pledge, and the National Anthem — filling the morning with positivity and pride.

Little Narrators Club – October 2025

The *Little Narrators Club* session was an enchanting experience! Storyteller Ms. Debjani brought the tale of *Narakasura* alive, teaching children about the essence of Navaratri — the triumph of good over evil. The story inspired courage and cultural pride while improving listening and narrative skills. It was a magical session that combined tradition, imagination, and learning.
