Nursery, Jr KG and Sr KG - Krishna Jayanthi Celebration- 03.09.26

The kindergarten children of San Academy celebrated Krishna Jayanthi on 3rd September 2026 with great joy and enthusiasm. The celebration began with a soulful rendition of “Achyutam Keshavam”, followed by a warm welcome highlighting the values of love, kindness, devotion, joy and righteousness associated with Lord Krishna. The Jr KG children added charm to the celebration with a delightful “Little Krishnas & Radhas Parade,” followed by a cheerful festive dance portraying Krishna’s playful childhood. The Sr KG children presented a graceful Krishna dance, a devotional song and “The Story of Little Krishna,” bringing his childhood stories to life through an engaging roleplay. They also presented a lively Krishna Janmashtami Dance, celebrating the beautiful bond between Radha and Krishna. Our adorable Nursery children delighted everyone with their energetic “Little Krishna” dance. The celebration concluded with the much-awaited Dahi Handi – Krishna Pot Breaking Activity, creating a memorable and joyful festive experience for all.

Nursery, Jr KG and Sr KG – Ganesh Chaturthi Celebration- 11.09.26

The kindergarten children of San Academy celebrated Ganesh Chaturthi on 11th September 2026 with great devotion, joy and festive spirit. The celebration began with the soulful invocation followed by a warm welcome highlighting the values of wisdom, kindness and devotion. The Jr KG children delighted everyone with an adorable “Little Ganesha” dance and a colourful festive dance. The Sr KG children presented a soulful Ganesha Shloka Recital and a joyful Ganesha Group Song, filling the celebration with devotion and happiness. They also presented “The Story of Lord Ganesha,” an engaging skit portraying his birth, his bond with Goddess Parvati and Lord Shiva, and the story behind his elephant head, highlighting obedience, love, courage and devotion. The Nursery children added to the festive charm with a delightful “Little Ganesh as Parade.” The celebration concluded with a creative Modak Making Activity, followed by a group photograph, creating cherished memories for the children.

Splash Pool Day- 15.09.26

The Nursery children of San Academy enjoyed a fun-filled Splash Pool Day on 15th September 2026, exploring the fascinating world of water and marine animals through engaging, hands-on activities. The event began with a cheerful welcome, “Let’s Make a Splash!”, introducing children to the exciting theme. The children participated in a “Sink or Float?” experiment, making predictions and observing how different objects behaved in water. During “Little Fishermen,” they enjoyed catching colourful floating fish using safe fishing rods and scoops. They discovered marine animals such as fish, turtles, octopuses, crabs and dolphins through pictures, toys and movement activities. The children then had great fun moving like sea animals to lively ocean-themed music. At the “Scoop, Pour & Splash” water stations, they explored scooping, pouring, filling and transferring water, developing coordination and sensory skills. The celebration continued with the “Deep Blue Sea” group song and concluded with an exciting Shark Freeze Dance, leaving the children happy and refreshed.

Jr KG – Mammalian Jamboree- 16.09.26

The Jr KG A and B children of San Academy participated in the Mammalian Jamboree on 16th September 2026, enjoying an exciting and interactive journey into the fascinating world of mammals. The event began with an introduction to mammals, their habitats, body coverings, movements and ways of communicating. The children entertained everyone with lively performances, including “The Animal Dance” and a cheerful Panda Dance. During “Meet the Mammals,” children confidently introduced their favourite animals using simple and meaningful sentences. They further enjoyed action rhymes such as “Five Little Monkeys” and “The Elephant,” imitating the playful movements of these animals. The celebration continued with an energetic “Jungle Freeze Dance,” followed by the interactive “Guess the Mammal!” game, where children identified animals using pictures, sounds and clues. The highlight was the “Mammal Safari,” where children explored toy animals, pictures and habitat displays, identifying mammals and placing them in their appropriate habitats with teacher guidance. The event concluded with a group photograph, creating wonderful memories for the children.

Sr KG – Fitness Fun Day- 17.09.26

The Sr KG A and B children of San Academy celebrated Fitness Fun Day on 17th September 2026 with great energy and enthusiasm. The event introduced children to the importance of staying active, exercising regularly and enjoying healthy movement through sports and play. The celebration began with an energetic “Fitness Dance”, followed by the musical play “I Can Be a Super Athlete,” encouraging an active and healthy lifestyle. During “Little Sports Stars,” children confidently spoke about their favourite sports. The fun continued with “Let’s Go Surfing,” “Move Your Body” and an exciting Sports Parade, where children showcased different sports movements using colourful props. Children enthusiastically participated in “Follow the Coach,” practising simple movements such as jumping, stretching and marching. They also enjoyed “Ball & Hoop Fun,” involving rolling, passing, tossing and stepping through hoops. The celebration concluded with the lively “Taka Taka Freeze Game,” creating a joyful experience while developing coordination, balance, movement skills and a positive attitude towards fitness and sports.

Jr KG & Sr KG – Term I Open House- 19.09.26

An Open House was conducted for the Jr KG and Sr KG children on 19th September 2026. Parents visited the school and interacted with the teachers to discuss their ward's Term 1 progress, learning and overall development. The meeting provided an opportunity for parents and teachers to exchange valuable feedback and work together to support the children's continued growth and learning.

Nursery, Jr KG and Sr KG – Show and Tell

The kindergarten children of San Academy enthusiastically participated in the Show and Tell activity held for Nursery, Jr KG and Sr KG on 28th, 29th and 30th September 2026. The activity provided a wonderful platform for children to express their ideas, enhance their communication skills and build confidence while speaking before their peers. The Nursery children, on 28th September, explored the theme of Water Animals, using placards, puppets, props and creative costumes to present their topics. The Jr KG children, on 29th September, participated in Show and Tell based on the theme “Mammalia Month,” presenting interesting facts about mammals such as monkeys, lions, zebras and giraffes. The Sr KG children, on 30th September, explored “Fitness Fun,” learning about traditional games, sports and their rules, including indoor and outdoor games, ball games, board games, water sports and athletic activities. The children participated with great enthusiasm, showcasing their creativity, presentation skills, confidence and effective communication.

Assembly September – Sr KG

The KG Assembly for Sr KG commenced from Term 2, with children gathering every Tuesday for a meaningful and engaging morning assembly. The assembly began with Mind Meditation, followed by the School Prayer Song, Thirukkural Recital and Thought for the Day, encouraging children to develop focus, values and positive habits. The weekly assembly featured Talent Spectrum, providing children with an opportunity to showcase their talents, along with Fitness Time and Aerobics to promote active and healthy habits. Teachers also conducted Thematic Activities through special stage presentations based on important world events and observances, such as Hindi Diwas, International Sign Language Day, World First Aid Day and World Heart Day. These interactive demonstrations helped children gain awareness and learn important concepts in an engaging manner. Weekly birthday celebrations added a joyful and personal touch to the assembly, making it a meaningful experience for all. The children also participated in the National Pledge and concluded the assembly by singing the National Anthem with pride and respect.

September – Bunny Scouts

As part of the Bunny Scouts activities, the children participated in an engaging ball-passing game. They enjoyed passing the ball from left to right and right to left while following instructions and maintaining coordination with their peers. The activity helped children develop their directional awareness, hand-eye coordination, concentration and listening skills. It also encouraged teamwork, participation and confidence while making learning through movement enjoyable and fun.

September – Life Skills Lab

The Life Skills activities conducted during the month provided children with opportunities to develop practical skills through engaging, hands-on experiences. Nursery children learned to prepare dough and practise rolling chapatis, developing fine motor skills, coordination and independence. Jr KG children explored traditional food preparation by pounding channa and herbs using a mortar and pestle, gaining sensory experience while learning about everyday kitchen practices. Sr KG children were introduced to the basics of money management through activities involving counting money, understanding its value and learning the importance of saving. They also practised saving money using a piggy bank. These age-appropriate activities helped children develop independence, concentration, coordination and practical knowledge while making everyday learning meaningful and enjoyable.

September – Little Narrator's Club – Sr KG

The Little Narrator Club, led by Ms. Debajni, engaged the Senior KG children through a delightful storytelling session filled with creativity and imagination. She narrated beautiful stories and involved the children in drawing-based storytelling and sharing their own personal stories, encouraging them to express their thoughts and ideas confidently. The session was further enriched with an entertaining animal puppet show, which brought the stories to life and kept the children engaged. The children thoroughly enjoyed the interactive experience while developing their listening, communication, imagination, and creative expression skills.

September – No Plastic Project – Jr.KG

Children participated in an engaging activity on “Is My Plastic Bottle Safe to Use?” The session helped them understand how to identify reusable water bottles and recognize the different types of plastic based on their recycling numbers, including 1, 2, 3, 4, 6, and 7. The children also explored different types of plastic waste that can be reused instead of discarded. As a hands-on activity, they creatively upcycled used plastic bottles into colourful planters, encouraging them to practise the concept of reuse while developing environmental awareness and creativity.

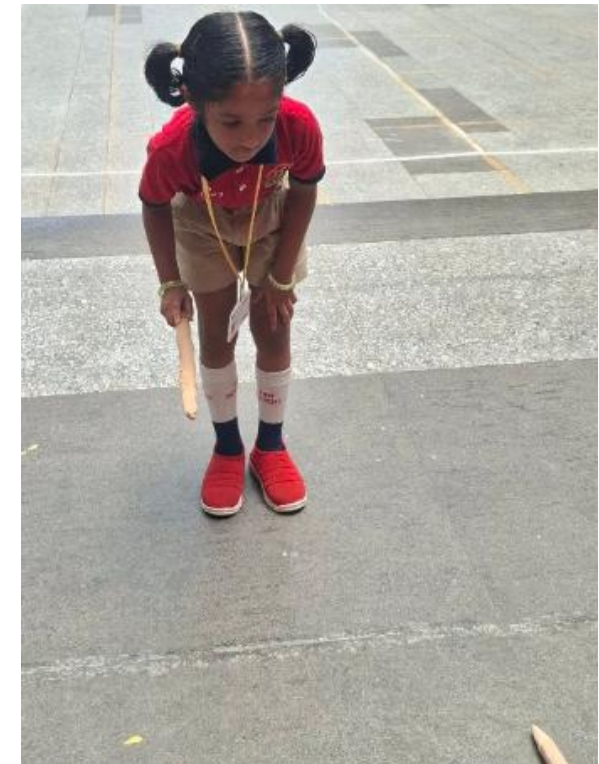

September – Skill Development – Jr.KG

The Jr. KG children participated in a skill development activity this month, focusing on jumping over hurdles. The activity encouraged children to practice jumping with confidence while developing their balance, coordination, agility, leg strength, and gross motor skills. Through this fun and active exercise, the children enjoyed challenging themselves and improving their physical abilities in an engaging way.

September – Organised Games – SrKG

The Senior KG children enthusiastically participated in a range of traditional Indian games, including Gilli Danda, Kabaddi and Nondi. The activities provided children with an opportunity to experience traditional play while developing their physical fitness, coordination, agility, balance, teamwork and sportsmanship. The children thoroughly enjoyed learning and playing these traditional games in a fun and active environment.

September – Art Expression – Sr KG

As part of the Art Expression Activity, SRKG children explored the theme “Fitness Fun” through creative and engaging art experiences. They crafted colourful surfboards and ice-skating shoes for a mobile activity and created skiing-themed artwork for their scrapbooks. The children also participated in a group activity where they prepared a chart featuring different water sports and their accessories. To add an element of fun and excitement, they designed and enjoyed a spin wheel activity based on water sports. Through these activities, children expressed their creativity while developing their fine motor skills, teamwork and awareness of different fitness and sports activities.

Grade 2C- Assembly - International Ozone Day (16.09.2026)

The students of Grade II C celebrated International Ozone Day with great enthusiasm and awareness. The programme was organized to help the young learners understand the importance of the ozone layer and its vital role in protecting life on Earth. The celebration began with an introduction to the significance of the day, followed by an informative presentation on the ozone layer. The students shared simple and meaningful facts about ozone depletion, its causes, and its impact on the environment. Through their presentations, they highlighted the importance of protecting the ozone layer and keeping our planet safe. The students also presented thoughtful messages on environmental protection and encouraged everyone to adopt eco-friendly habits such as reducing pollution, saving energy, planting trees, and avoiding harmful substances. Their confident participation reflected their growing awareness and responsibility towards nature. The programme concluded with a pledge to protect the environment and contribute towards a cleaner and healthier planet. The celebration was an enriching and meaningful experience that encouraged the students to develop environmental awareness, responsible habits, and a strong sense of care for our Earth.

Grade 2B- International Sign Language day (23.09.2026)

The students of Grade II A celebrated the International Day of Sign Languages with great enthusiasm and interest. The programme was organized to create awareness about the importance of sign language and to promote inclusivity, understanding, and respect for people with hearing and speech disabilities. The celebration began with an introduction to the significance of the day. The students were given an opportunity to learn and demonstrate simple sign language gestures, making the session both interactive and meaningful. They confidently presented commonly used signs and understood how sign language serves as an important means of communication. Through engaging activities and thoughtful messages, the students learned that communication goes beyond spoken words and that everyone deserves to be heard, understood, and respected. The programme also highlighted the values of empathy, kindness, acceptance, and inclusion. The celebration concluded with a meaningful message encouraging everyone to embrace differences and create a supportive environment for all. The programme was an enriching experience that helped the students develop awareness, compassion, confidence, and a deeper understanding of the importance of inclusive communication.

Grade 2A- International Translation day (30.09.2026)

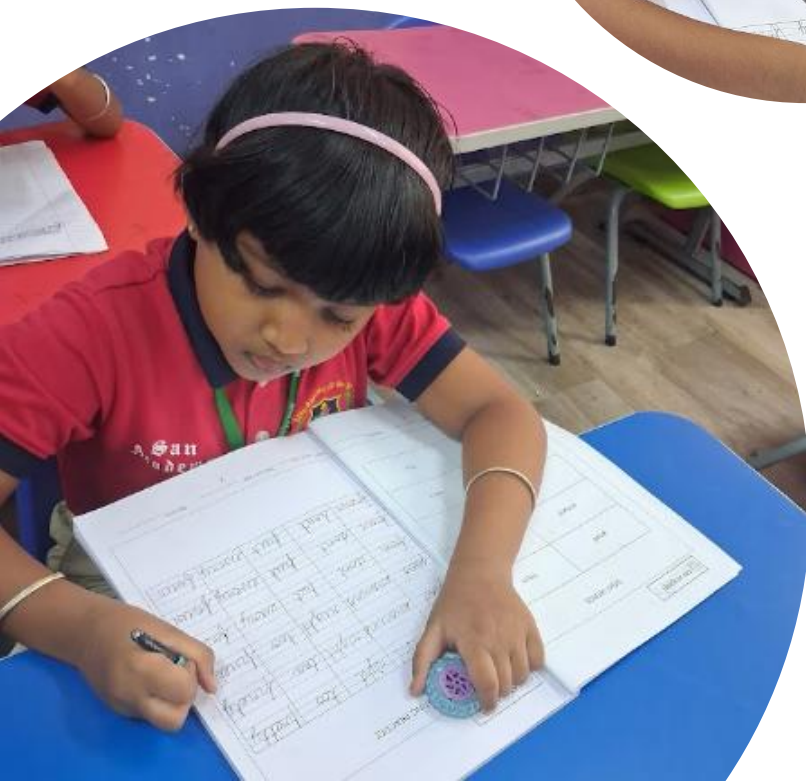

The students of Grade II A celebrated International Translation Day with great enthusiasm and curiosity. The programme was organized to help the students understand the importance of translation in connecting people, languages, and cultures across the world. The celebration began with an introduction to the significance of the day. The students explored how words and ideas can be expressed in different languages while retaining their meaning and emotions. They participated in simple translation activities, confidently translating familiar words and sentences into different languages. The programme highlighted the valuable role of translators in promoting communication, understanding, and cultural exchange. Through engaging activities, the students learned to appreciate the beauty of different languages and developed a greater respect for linguistic diversity. The celebration concluded with a meaningful message on the importance of learning and respecting different languages. The programme was an enriching experience that encouraged the students to develop language skills, cultural awareness, confidence, and an appreciation for the diverse ways in which people communicate around the world.

+

○

Grade 1 – Sight Words & Reading Practice – September 2026

Students were introduced to a set of common sight words to strengthen their reading fluency and word recognition. Through guided reading practice, children read and repeated words such as good, around, right, too, pretty, from, don't, put, every, and four. The activity encouraged children to recognize familiar words quickly and confidently, supporting their overall reading skills

Grade 2 – EVS Best Practice: Sources and Forms of Water & Water Cycle – September 2026

Grade 2 students explored the concepts of sources of water, forms of water, and the water cycle through a hands-on learning activity. Teachers demonstrated the three forms of water using ice cubes, liquid water, and steam, helping children observe how water changes from one form to another. The experiential activity made the concepts more meaningful and encouraged children to learn through observation, discussion, and real-life examples

Tamil Reading Practice

Grade 2 students engaged in regular classroom reading practice to improve their reading fluency, pronunciation, and comprehension. Children practised reading Tamil passages aloud with clear pronunciation and appropriate intonation, while focusing on reading each word correctly without adding or omitting words. The activity helped build confidence and accuracy in Tamil reading.

HINDI DIWAS (16.09.2026)

Hindi Diwas was celebrated on 16.09.2026 for the students of Grades III–V. The celebration provided students with an opportunity to appreciate the richness and cultural significance of the Hindi language. Various activities were conducted to encourage students to develop their language skills and foster an interest in Hindi.

WORLD OZONE DAY(17.09.2026)

A special assembly was conducted for students of Grades III–V to commemorate International Ozone Day. The assembly included a brief speech on the importance of the ozone layer, an environmental protection pledge, a meaningful mime, and an engaging quiz, creating awareness about the need to protect our planet. The students actively participated and confidently showcased their understanding of environmental conservation. The assembly inspired everyone to adopt eco-friendly practices and contribute towards a greener and healthier planet.

TAMIL ORATORY COMPETITION

A Tamil Oratory Competition was conducted on 18.09.2026 for the students of Grades III–V. The competition provided students with an opportunity to showcase their Tamil speaking skills, expressive abilities, and confidence. It also encouraged students to develop effective communication and appreciate the richness of the Tamil language. The winners were felicitated on 24.09.2026 in recognition of their enthusiastic participation and commendable performance.

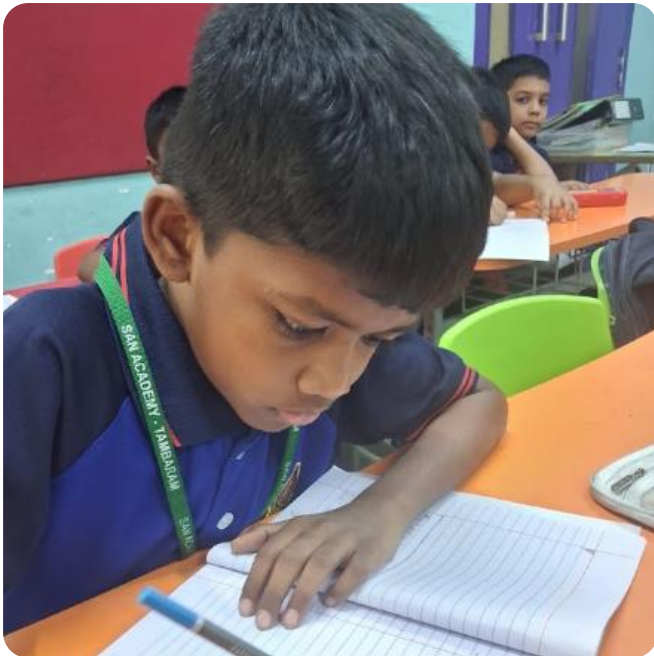

NEWSPAPER READING ACTIVITY

Students of Grades III–V participated in a Newspaper Reading Activity during the Zero Period, providing them with an opportunity to stay informed about current events and broaden their general awareness. The activity also enhanced their reading, vocabulary, comprehension, and communication skills, while encouraging them to become curious and informed learners.

MATH ENHANCEMENT PROGRAM-(23.09.2026)

A Math Enhancement Activity is conducted every Wednesday to strengthen students' mathematical foundations and build accuracy, speed, and confidence. Through engaging activities such as mental maths, puzzles, games, oral drills, and application-based tasks, students reinforce key concepts including number skills, operations, fractions, measurement, geometry, and problem-solving. This initiative makes learning Mathematics meaningful, interactive, and enjoyable.

MAP MARKING COMPETITION (23.09.2026)

A Map Marking Competition was conducted on 23.09.2026 for the students of Grades III–V. The competition provided students with an opportunity to enhance their geographical knowledge, map-reading skills, and understanding of important locations. It also encouraged accuracy, observation, and confidence in identifying and marking places on maps.

WORLD RIVERS DAY

24.09.2026

Students of Grades III–V conducted an informative and engaging assembly on 24.09.2026 on the occasion of World Rivers Day, highlighting the importance of rivers and the need to conserve them. The assembly included a theme introduction, followed by a speech on the importance of river conservation. Students also presented an interesting display of facts about rivers, creating awareness among their peers. A skit on “Save Water” conveyed the importance of responsible water usage and ways to conserve this precious resource. The assembly concluded with an insightful Teachers’ Talk, inspiring students to value and protect our vital water resources.

CLASS ASSEMBLY

Class assemblies were conducted every Monday, providing students with a meaningful platform to develop confidence, communication skills, and a sense of responsibility. The assemblies included Thought for the Day, Thirukural, Positive Affirmation, News, Oath of Equality, and Honesty Pledge. Students participated actively and presented each segment with confidence and enthusiasm. The sessions focused on nurturing positive values, equality, honesty, discipline, and social awareness, while also encouraging students to express themselves effectively and take on leadership responsibilities. Overall, the class assemblies contributed significantly to the students' holistic development, confidence, and value-based learning.

ENGLISH ENHANCEMENT ACTIVITY- 29.09.2026

An English Enhancement Activity – Listening and Sentence Framing was conducted for the students of Grades III–V on 29.09.2026. The activity helped students enhance their listening, vocabulary, sentence formation, and communication skills in an engaging manner.

MIDDLE SCHOOL

- **Teachers' Day Celebration – 03.09.2026**
- **NSAT Examination – 17.09.2026**
- **Wipro Earthian Project – Grade VI – 17.09.2026**
- **Hindi Diwas Thematic Assembly – 22.09.2026**
- **World Tourism Day Thematic Assembly - 28.09.2026**

Teachers' Day Celebration – 03.09.2026

Teachers' Day was celebrated with warmth and enthusiasm on 3 September 2026. Students expressed their gratitude and appreciation towards their teachers through thoughtful gestures and participation. The celebration highlighted the strong teacher–student bond and the important role teachers play in guiding, inspiring and shaping young minds.

NSAT Examination – 17.09.2026

On 17 September 2026, students of Grades VII and VIII appeared for the NSAT examination. The assessment provided students with an opportunity to demonstrate their academic understanding and application of concepts, while encouraging them to approach structured and competitive assessments with confidence and preparedness.

Wipro Earthian Project – Grade VI – 17.09.2026

As part of the Wipro Earthian Project, the students of Grade VI visited the Forest Department on 17 September 2026. The students interacted with and interviewed Forest Department officers to gain first-hand insights into environmental conservation. They explored the importance of forests, biodiversity, conservation practices and the role of the Forest Department in protecting natural resources. The visit offered a valuable real-world learning experience and encouraged students to develop greater awareness and responsibility towards the environment.

Hindi Diwas Thematic Assembly – 22 .09.2026

A thematic assembly was conducted on 22 September 2026 to commemorate Hindi Diwas. The programme highlighted the importance and richness of the Hindi language while promoting appreciation for India's linguistic and cultural diversity. Students took part in the assembly and presented the theme in an engaging manner, creating awareness about the significance of language in preserving culture and communication.

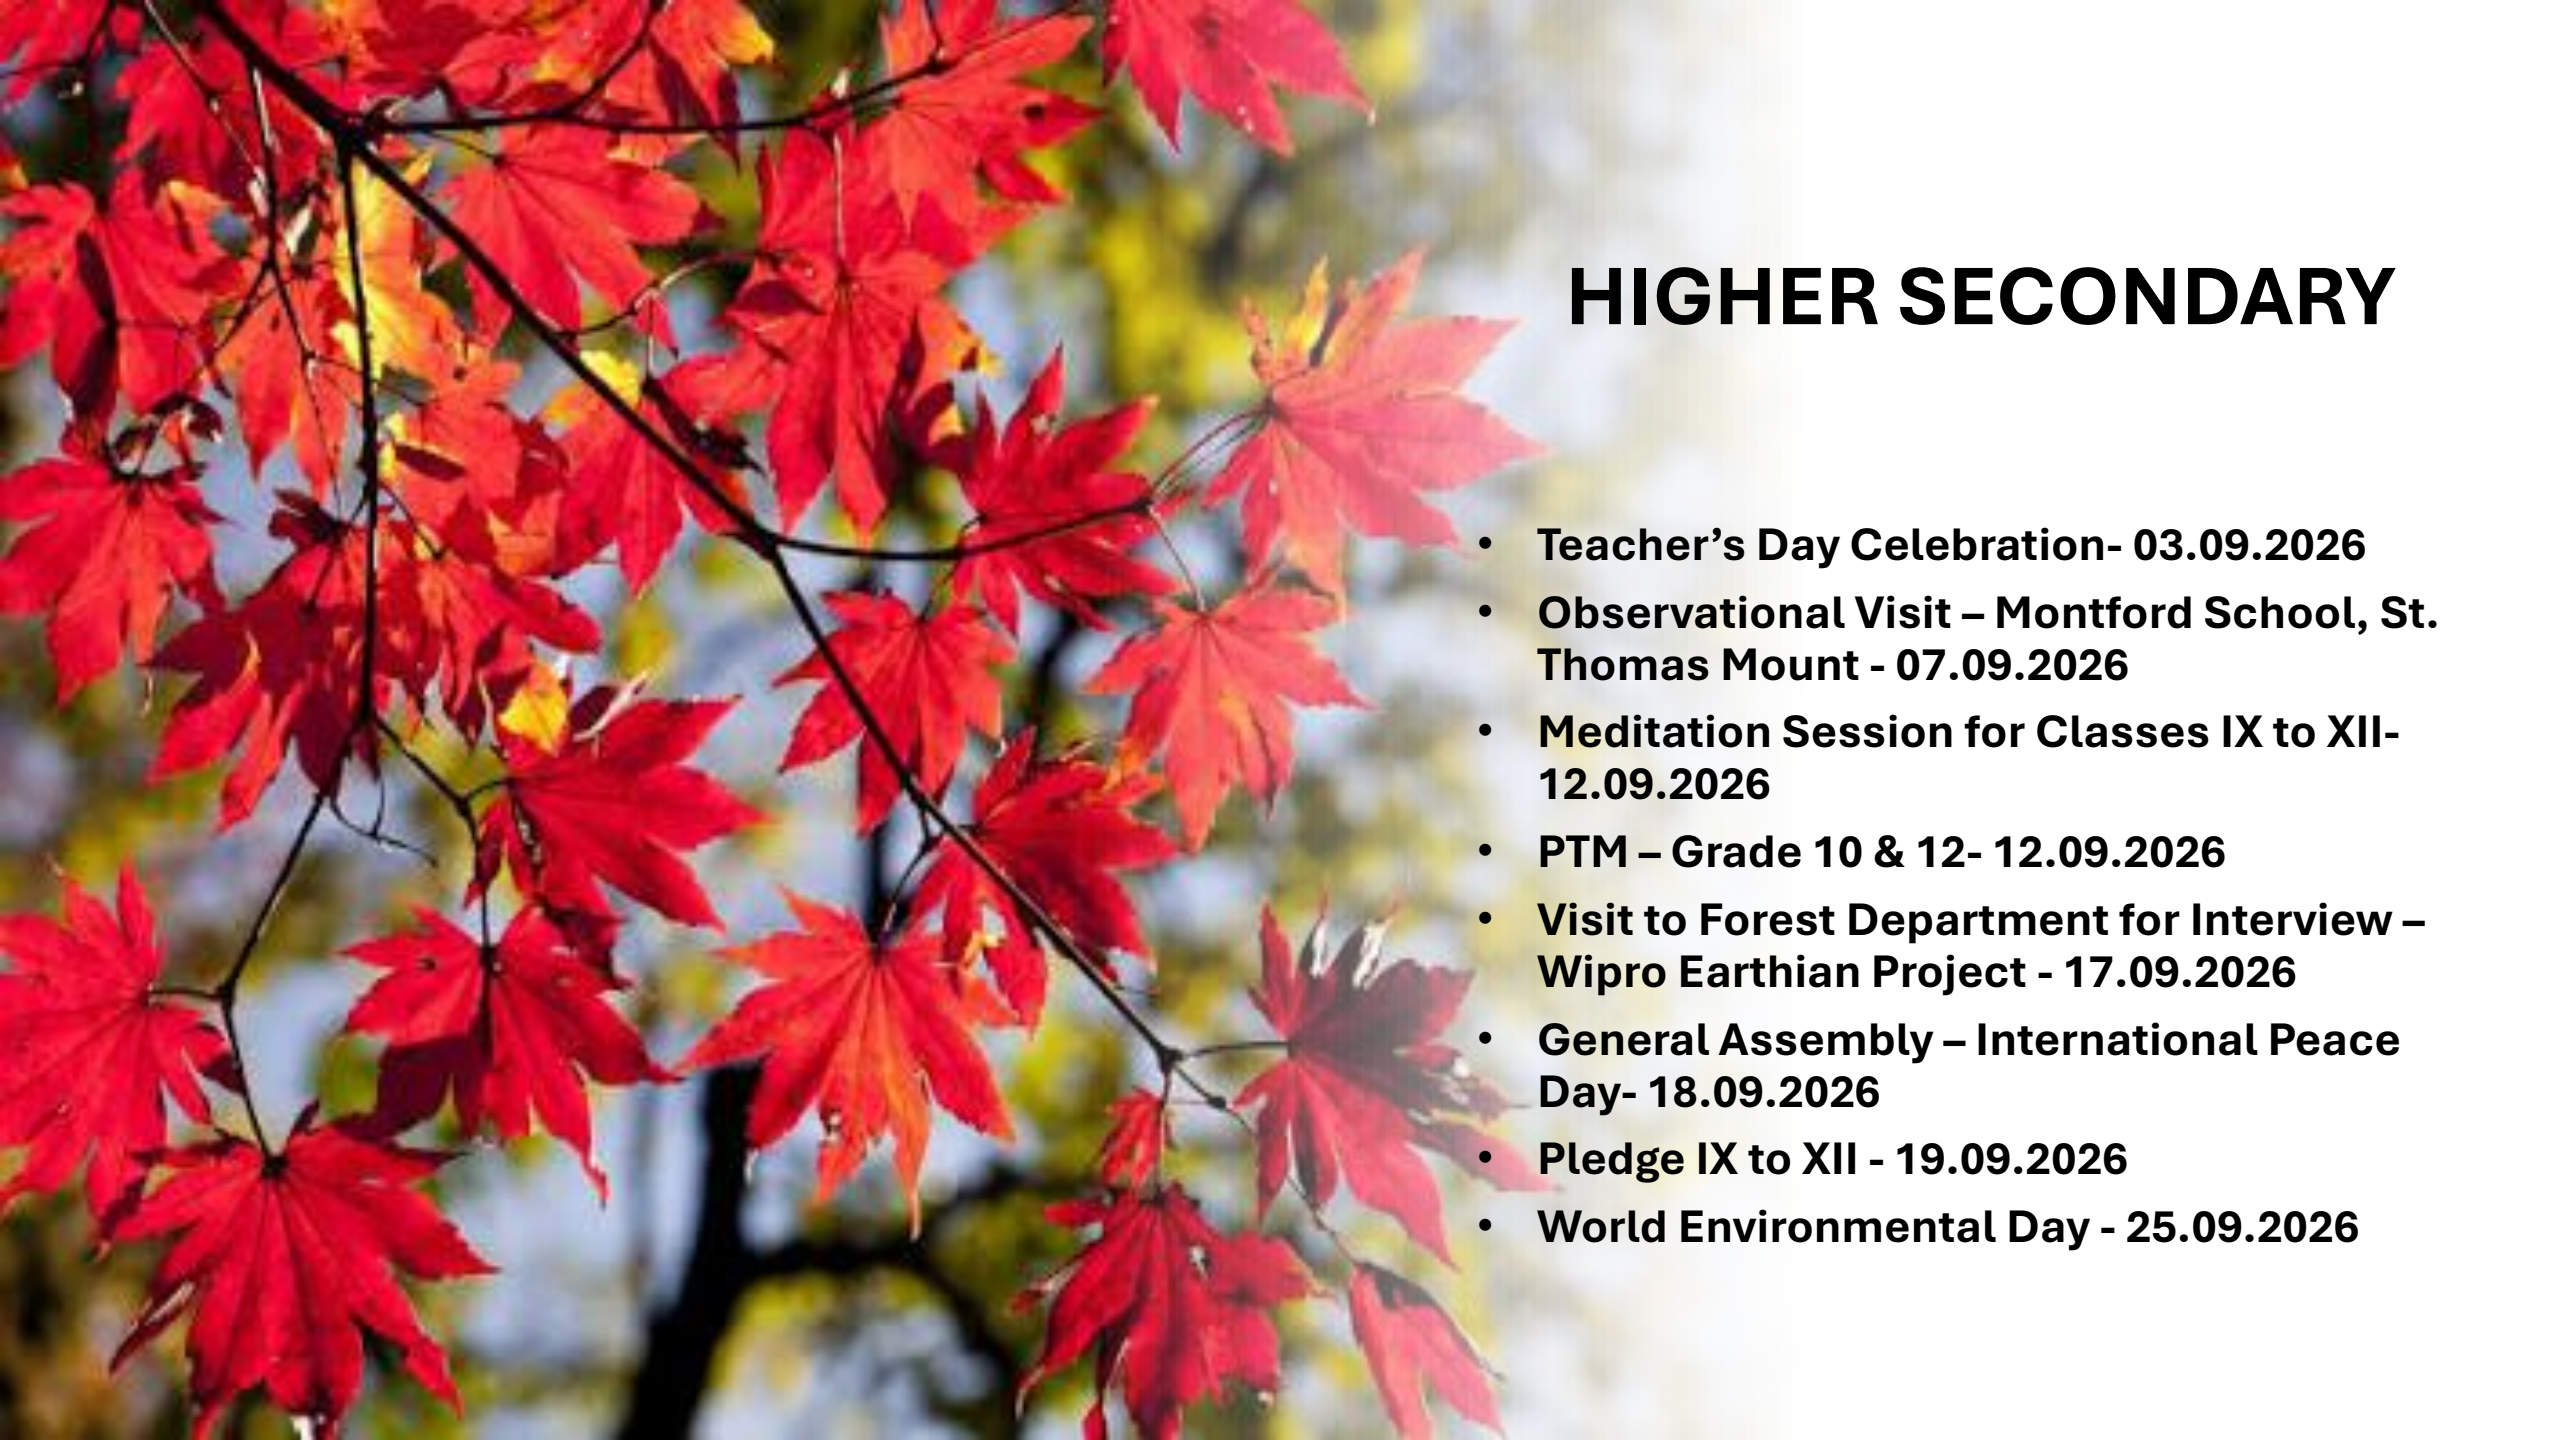

World Tourism Day Thematic Assembly – 28.09.2026

A thematic assembly on World Tourism Day was conducted on 28 September 2026. The programme focused on the importance of tourism and its role in promoting cultural understanding, awareness and economic development. Students explored the value of responsible and sustainable travel and were encouraged to appreciate different places, cultures and traditions.

September was a month of celebration, academic engagement, cultural awareness and experiential learning for Grades VI–VIII. The activities conducted during the month provided students with opportunities to learn

HIGHER SECONDARY

- **Teacher's Day Celebration- 03.09.2026**
- **Observational Visit – Montford School, St. Thomas Mount - 07.09.2026**
- **Meditation Session for Classes IX to XII- 12.09.2026**
- **PTM – Grade 10 & 12- 12.09.2026**
- **Visit to Forest Department for Interview – Wipro Earthian Project - 17.09.2026**
- **General Assembly – International Peace Day- 18.09.2026**
- **Pledge IX to XII - 19.09.2026**
- **World Environmental Day - 25.09.2026**

Teacher's Day Celebration- 03.09.2026

Teachers' Day was celebrated with various events conducted by the students, in which teachers also participated enthusiastically. The Principal wished all the teachers, and the teachers took part in events like singing and dancing. It was a very interesting and inspirational day for all the teachers.

Observational Visit – Montford School, St. Thomas Mount - 07.09.2026

As part of their experiential learning in Psychology, the students of Class XII B (Humanities) visited Montford School, St. Thomas Mount for an observational visit focused on case psychology profiling. During the visit, students observed behavioural patterns, interacted with counsellors, and understood how case histories are documented and analysed. The session gave them practical insight into psychological assessment, child behaviour, and the role of a school counsellor. Students described the visit as an eye-opening experience that connected classroom theories to real-life application.

A large group of students, mostly girls in red school uniforms, are seated in rows of red plastic chairs in a large hall. They are all looking down with their eyes closed, participating in a meditation session. The hall has white pillars and a wooden floor. In the background, there are green curtains and a butterfly decoration on the wall.

Meditation Session for Classes IX to XII- 12.09.2026

A meditation session was conducted for the students of Classes IX, X and XII to promote mental calmness, focus, and emotional well-being. Students actively participated and experienced relaxation and clarity, making the session both refreshing and beneficial.

PTM – Grade 10 & 12- 12.09.202

Parent-Teacher Meeting for Classes 10 and 12 was held on 12.09.26. Parents of all students attended and engaged in constructive discussions on the PA-2 results.

Visit to Forest Department for Interview – Wipro Earthian Project - 17.09.2026

As part of the Wipro Earthian Project, students of Grades VI and XI undertook an enriching field visit to the Forest Department. The objective of the visit was to understand biodiversity conservation, forest management, and the role of the department in protecting our natural resources. During the interaction, students interviewed senior forest officers and gained first-hand insights into their work. Students asked thoughtful questions on topics such as afforestation drives, wildlife protection, prevention of forest fires, human-animal conflict, and the impact of climate change on local ecosystems. The officers patiently explained ongoing conservation initiatives, the importance of native species, and how young citizens can contribute to sustainability. The Grade VI students focused on understanding trees, animals, and the need to protect habitats, while Grade XI students explored deeper themes like environmental policies, sustainable development, and community participation. The visit was both educational and inspiring. It helped students connect classroom learning with real-world environmental action and strengthened their commitment towards building a greener future — the core spirit of the Wipro Earthian program.

General Assembly – International Peace Day - 18.09.2026

Grade 11B conducted a General Assembly on the theme of International Peace Day, highlighting the importance of harmony, empathy and mutual respect. The assembly featured the Thought for the Day, Thirukural, News and interesting Facts, followed by an inspiring speech emphasising peace. Mr. Kamesh delivered the teacher's talk on the topic and emphasized the importance of Peace and war free Nation. The assembly also celebrated student achievements through the distribution of participation certificates, recognising their enthusiasm and sporting spirit.

Pledge IX to XII - 19.09.2026

Students of Class 9 to 12 took a special pledge based on “Pirappokkum Ella Uyirkkum”. In the classroom, all students stood together and promised to treat everyone equally, without discrimination based on birth, caste, or status. They pledged to respect all living beings and to be judged only by their good deeds and character. The activity created a meaningful awareness of equality and unity among students.

World Environmental Health Day -25.09.2026

Grade 10 B students conducted the morning common assembly for Grades 9 to 12 on 25.09.2026 on the theme World Environmental Health Day. The assembly highlighted the importance of a clean and healthy environment, pollution control, waste management and sustainable living. Mr. Gowthaman delivered a teacher's talk on the topic and emphasized the importance of adopting eco-friendly habits and protecting our environment.

**“As the leaves turn golden,
may our minds turn curious,
our hearts stay open, and our
love for learning continue
to grow.”**

THANKYOU!
