# INTRA SCHOOL COMPETITION

NURSERY, JR.KG, SR.KG – 02.02.2024

*On February 2nd, 2024, our little stars from Nursery, JrKG, and SrKG showcased their talent in an exhilarating Intra School Competition. The event was packed with creativity and enthusiasm as children participated in Clay Modelling, Waste Paper Collage and Word Whizz. JrKG children amazed us with their creativity by pasting colorful papers inside butterfly outline, while Nursery children delighted everyone with their colorful playdough creations of vegetables and fruits. SrKG children showcased their linguistic talent in Word Whizz, spelling and reading words with precision. This competition not only boosted the children's confidence but also honed their memory and writing skills. Needless to say, the children had a fantastic time participating in the event. Certificates and medals were awarded to recognize their outstanding achievements.*

# FIELD TRIP TO FOOD MART

Nursery – 05.02.2024

*On February 5th, 2023, the Nursery children embarked on an exciting field trip to Perin Supermarket, the nearest Foodmart. It was a day filled with exploration and learning as the children immersed themselves in the vibrant atmosphere of the market. During the trip, they had the opportunity to discover an array of fruits, vegetables, and healthy foods available at the supermarket. Their teacher also enlightened them about the importance of making healthy food choices and the need to avoid consuming junk foods. The children thoroughly enjoyed their time at the supermarket, making it a memorable and educational experience for all.*

# FIELD TRIP TO ARIGNAR ANNA ZOOLOGICAL PARK

Jr.KG- 07.02.2024

*On February 7th, 2023, the JR.KG students embarked on an unforgettable field trip to the local zoo, Arignar Anna Zoological Park. It was a day brimming with excitement and discovery as the children explored the diverse attractions within the zoo. They had the chance to marvel at a fascinating array of animals, birds, and reptiles inhabiting various habitats. From the majestic white tigers to the graceful giraffes, and from the slithering snakes to the mighty elephants, the children were enthralled by the diversity of wildlife. Their visit also included learning about the intriguing creepy-crawly creatures residing in the zoo. Witnessing creatures like emus, ostriches, leopards, and crocodiles added an extra layer of excitement to their adventure. The field trip was a delightful blend of fun and learning, creating cherished memories for the children.*

# FIELD TRIP TO BIRLA PLANETARIUM

Sr.KG -09.02.2024

*On February 9th, 2023, the SR.KG students embarked on an enlightening journey to the Birla Planetarium. Their objective was to delve into the fascinating world of discoveries and inventions. At the planetarium, students were transported into the cosmos as they observed the mesmerizing display of the solar system. They marvelled at various scientific toys in the science park, gaining insights into the evolution of planets. The highlight of the trip was the immersive 3D interactive cinema experience, which left the children awestruck and filled with wonder. This captivating field trip not only deepened their understanding of science and technology but also ignited a passion for exploration that will continue to guide their journey of learning.*

# EAT HEALTHY DAY

NURSERY – 12.02.2024

On February 12th, 2024, the Nursery children engaged in a delightful event: Eat Healthy Day! The aim was to educate our little ones about the importance of nutritious eating habits. During this special occasion, children explored a variety of wholesome fruits, vegetables, and balanced foods, discovering their nutritional benefits along the way. Engaging in fun games, they learned to distinguish between healthy options and junk food, all while enjoying themselves immensely. One of the highlights was the fruit basket decorating activity, where creativity and healthy choices combined seamlessly. This event was a fantastic opportunity to instil in our children the importance of making nutritious choices, laying the foundation for lifelong healthy habits.

# BUSY BEE DAY

## JR.KG – 13.02.2024

*On February 13th, 2024, Jr.KG children were abuzz with excitement as they celebrated Busy Bee Day! This special event aimed to delve into the fascinating life of bees, captivating the children with enchanting enactments and educational activities. Throughout the day, the children immersed themselves in the world of bees, learning about their lifecycle through engaging performances and educational games. A highlight of the event was the creative activity of decorating bee headgear, which added a touch of whimsy to the learning experience. Busy Bee Day provided a delightful blend of entertainment and education, leaving the children buzzing with newfound knowledge and excitement.*

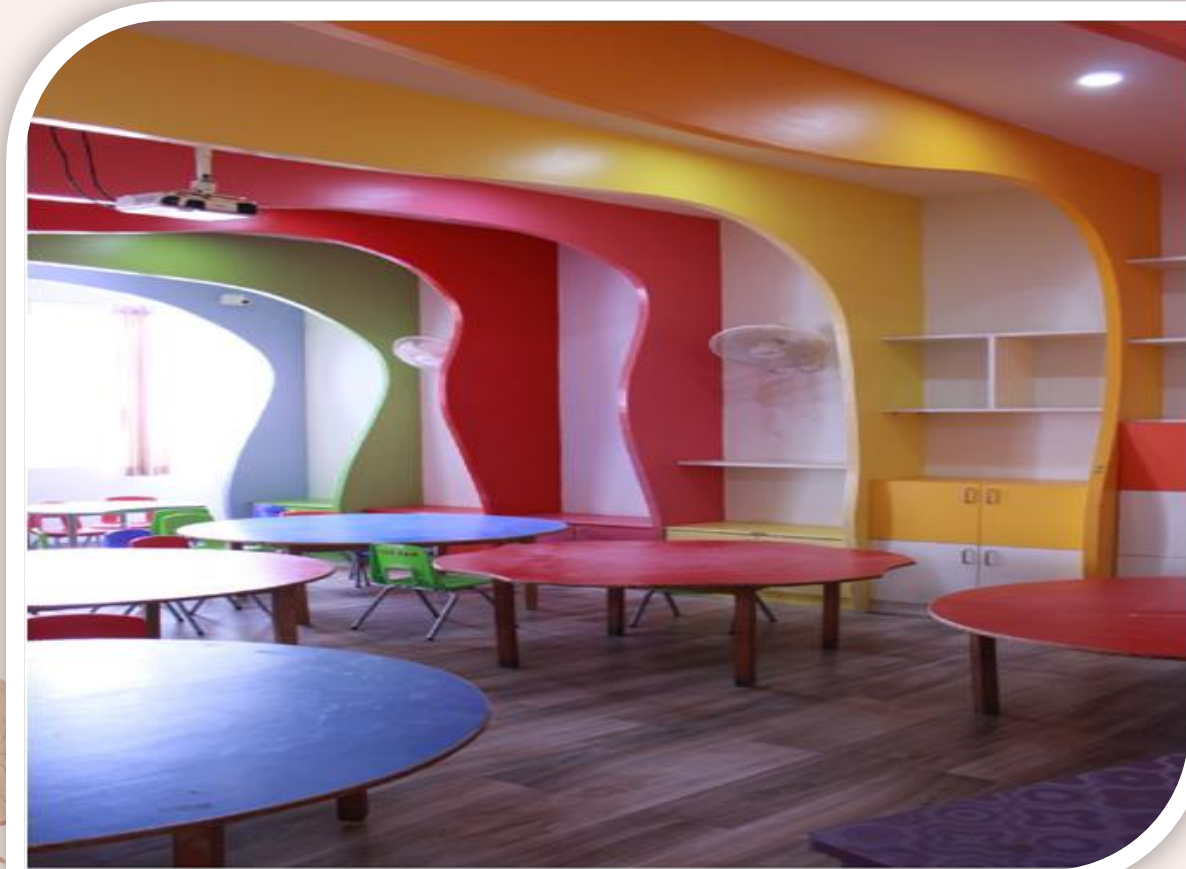

# EXPLORER'S DAY

SR.KG – 14.02.2024

*On February 14th, 2024, the SR.KG children embarked on an exhilarating journey during Explorer's Day! This special event aimed to fuel their curiosity about the world of discoveries and inventions. Throughout the day, the children were captivated by a variety of activities, including an inventions dance, exploring the solar system, engaging speeches about inventors and their inventions, and a lively ramp walk showcasing people from around the world. A standout moment of the event was the imaginative activity of decorating binoculars, which added an extra layer of excitement to the sense of exploration and discovery. Explorer's Day provided a dynamic blend of learning and enjoyment, inspiring children to delve deeper into the wonders of the world around them.*
