An old age home has become a common phenomenon these days. It is always taught that children should understand the value of parents in their life. They are the reason for our happiness and success. So Love them, respect them, and give them the care that they deserve.

On September 16 2023, Students of grade 9 along with teachers visited an Old Age home situated at Somangalam to meet and spend their time with elderly. It was an opportunity for us to share the joy and happiness. All the students and teachers entertained the elderly with games, song and dance. They also encouraged grandpas and grandmas to come up and enjoy a dance followed by a group dance with them for 70's and 80's songs. It was a great initiative taken by school authorities and the students. Before leaving all the students gifted presents to the elderly as a token of love and promised that they will visit them again.
