EVALUATION TOOL ACTIVITY GRADE III - TAMIL

20.08.26

We are happy to share that the Tamil Reading Activity on the chapter “நாயும் ஓநாயும்” was successfully conducted for Grade 3 students.

The students read the lesson with appropriate voice modulation and demonstrated a clear understanding of the meanings of the words. They participated in the activity with great enthusiasm and interest. This activity successfully enhanced their reading skills and encouraged them to develop a greater interest in learning.
