# COLLAGE WITH NEWSPAPER

# GRADE : III TO V

## *Dear Parents, Greetings from SAN ACADEMY!*

We at SAN Academy, create a welcoming and exciting learning environment by developing the attitude and skills that support healthy and fulfilled life with the confidence for lifetime of learning. We support personal development, social responsibility. Club activities aims to keep the children updated on all the activities planned for the month ahead .

We provide different activities for our students to equip them with holistic education by balancing academics with extracurricular activities and to develop social skills.

## COLLAGE WITH NEWSPAPER

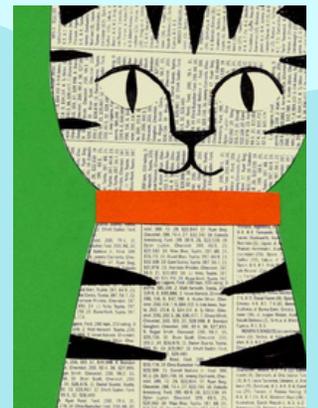

### GRADE : III TO V

let the students learn from their peers, let the students learn to respect another person's viewpoint. school clubs provide plenty of opportunities for students to take on leadership roles and show off their talents through club activities.

### SUGGESTIONS

As parents , if you have any feedback or queries do feel free to drop in your suggestions at [santam@sanacademy.edu.in](mailto:santam@sanacademy.edu.in). Listening to your feedback makes us feel more involved as a part of the value addition process.

Ms. R. Archana ,  
Managing Director.

### What is Collage Art?

Collage art is a simple yet impactful craft activity where children glue paper, recycled items, or natural materials to a base. It provides endless opportunities for creative expression without the need for specific instructions, which can encourage children to follow their natural curiosity and express their unique perspectives

### What is collage art club?

A collage art club is a group focused on the creation of collage art, a technique that involves assembling various materials onto a surface to form a new image or design.

## COLLAGE WITH NEWSPAPER

# GRADE : III TO V

Significance of Collage Art:

### 1. Fosters Creativity and Imagination:

- Collage provides a platform for children to express their unique ideas and imagination by combining various materials in creative ways.
- It encourages them to think outside the box and develop original solutions to visual challenges.

### 2. Enhances Fine Motor Skills:

- Cutting, tearing, gluing, and arranging materials in a collage help children develop fine motor skills, hand-eye coordination, and dexterity.
- These skills are crucial for other activities like writing, drawing, and everyday tasks.
