ECO-CLUB

**GRADE : VI TO
VIII**

Dear Parents, Greetings from SAN ACADEMY!

We at SAN Academy, create a welcoming and exciting learning environment by developing the attitude and skills that support healthy and fulfilled life with the confidence for lifetime of learning. We support personal development, social responsibility. Club activities aims to keep the children updated on all the activities planned for the month ahead . We provide different activities for our students to equip them with holistic education by balancing academics with extracurricular activities and to develop social skills.

Eco Clubs

AUGUST

ECO CLUB

GRADE : VI TO VIII

let the students learn from their peers, let the students learn to respect another person's viewpoint. school clubs provide plenty of opportunities for students to take on leadership roles and show off their talents through club activities.

SUGGESTIONS

As parents , if you have any feedback or queries do feel free to drop in your suggestions at santam@sanacademy.edu.in.

Listening to your feedback makes us feel more involved as a part of the value addition process.

Ms. R. Archana ,
Managing Director.

ECO CLUB

GRADE : VI TO VIII

What is a Eco club?

An Eco Club is a group of students in a school who come together to learn about, protect, and improve the environment through different activities.

Aim of the Eco Club:

- To create awareness about environmental conservation through drama and role play.
- To encourage teamwork, creativity, and effective communication.
- To inspire students to identify environmental issues and propose practical solutions.
- To build confidence, public speaking, and presentation skills.

ECO CLUB

THINK GREEN. ACT GREEN. LIVE GREEN.

Small Steps, Big Impact
