

PAPER CRAFT CLUB

Origami

JUNE 2025

GRADE I & II

Dear Parents, Greetings from SAN ACADEMY!

We at SAN Academy, create a welcoming and exciting learning environment by developing the attitude and skills that support healthy and fulfilled life with the confidence for lifetime of learning. We support personal development, social responsibility, sense of self-worth and promote a "can do" attitude and inspire each to achieve their best.

Club activities aims to keep the children updated on all the activities planned for the month ahead. We provide different activities for our students to equip them with holistic education by balancing academics with extracurricular activities and to develop social skills. School clubs let students discover the value of unity, let the students learn from their peers, let the students learn to respect another person's viewpoint. school clubs provide plenty of opportunities for students to take on leadership roles and show off their talents through club activities.

SUGGESTIONS

As parents, if you have any feedback or queries, do feel free to drop in your suggestions at santam@sanacademy.edu.in. Listening to your feedback makes us feel more involved as a part of the value addition process.

Ms. R. Archana, Managing Director.

PAPER CRAFT CLUB

Origami

JUNE 2025

GRADE I & II

WHAT IS PAPER CRAFT CLUB ?

A paper craft club focuses on creating various artistic projects using paper and cardstock as the primary medium. These clubs often offer opportunities to learn new techniques, share ideas, and enjoy the creative process of transforming paper into beautiful objects.

The Origami allows you to develop fine motor skills and mental concentration, all of which stimulates the brain, particularly when using both hands simultaneously. It develops hand-eye co-ordination, sequencing skills, mathematical reasoning, memory, spatial awareness, attention and patience.

JUNE 2025

GRADE I & II

Day 1: Basics & Simple Folds

Goal: Understand foundational folds and make basic models.

To learn origami basics and simple folds, start with a square sheet of paper and practice the foundational folds like half folds, mountain folds, and valley folds.

Practice Models: Paper boat, Fortune teller, Jumping Frog.

Day 2: Intermediate Models

Goal: Build confidence with slightly complex designs.

With the previous knowledge students will try to make new models.

Practice Models: Traditional crane, Flapping bird, Butterfly, Tulip
