WHAT IS LITERARY CLUB?

GRADE I & II

The Literary Club inspires students to explore reading, writing, and creative expression. It offers activities like storytelling, poems, vocabulary games, and discussions to enhance imagination, communication, and confidence. Sessions are conducted in English on alternate months, allowing students to deepen their appreciation of language and literature. The club nurtures critical thinking, creativity, and a love for literature. Regular activities and competitions strengthen reading, writing, and speaking skills. It also promotes cultural awareness and helps students connect meaningfully with diverse literary works.

JUNE - YOUNG ORATORS

This month, our Young Orators focused on building confidence and effective communication skills among students. Through activities such as self-introduction, Show & Tell, picture description, and the intra-competition “What’s in the Box?”, students were encouraged to express their thoughts clearly and creatively.

These engaging sessions helped enhance their vocabulary, fluency, and stage presence while improving their ability to organize ideas and speak confidently before an audience. The sessions promote clarity of expression, creativity, and active listening, inspiring students to become confident and articulate speakers.
