## THEMATIC ASSEMBLY

### World Cancer day – 01.02.2021

*The theme for World Cancer Day 2021 is 'I Am and I Will'. This year is a reminder of the enduring power of cooperation and collective action. It is observed to raise awareness and reduce the stigma surrounding the disease that is the second leading to cause of death globally. To create this awareness among students, San Academy took initiative of making the children to make posters and speak about the topic and teachers explained the importance of this World cancer day through PPT.*

## TIME MANAGEMENT – 15.02.2021

*Effective Time management allows students to complete more in less time, because their attention is focused and they're not wasting time on distractions( such as social media, for example). Efficient use of time aslo reduces stress, as students tick off items from their to-do list. San Academy mentors explained the importance of Time management during the Thematic Assembly, by showing the videos and PPT's.*

## CLUB ACTIVITY – ECO CLUB

*There are a number of reasons to **Say no to plastic**. We must stop using them to better our environment and save it from degradation. They are various eco-friendly alternatives that can be used to stop the usage of plastic bags. Students were taught to make themselves their own belongings using an alternative for plastic during this club activity. San Academy group of schools has been announced There are a number of reasons to Say no to plastic. We must stop using them to better our environment and save it from degradation. They are various eco-friendly alternatives that can be used to stop the usage of plastic bags. Students were taught to make themselves their own belongings using an alternative for plastic during this club activity. San Academy group of schools has been announced as the model for plastic free by the **Government of TamilNadu***

# SAY NO TO PLASTIC

**SAN ACADEMY**  
YOUR DREAMS. OUR MISSION

சென்னை மாநகராட்சி  
தமிழ்நாடு
